SATURDAY, AUGUST 5TH, 2023
(6:00 PM POST TIME)

Race 1 2-1-3

Starship Glyde He was closing in late at Summerside and not that far away. Makes the trek to Charlottetown and Dowling will be gunning from here so he could kick off the Pick 5 on a winning note.

Dylan Sam Have a look at the line four back where he tracked all the way and finished fourth. We're thinking a similar trip could be in the works only this time he lands in the top three.

Justcallmedoc When you look at the lines he's always in the mix but can't quite find the win column. He's back in the same post and the stats say he likes to finish third so that's where we'll put him tonight.

Race 2 3-1-7

Evil Vintage He looked good in his first for a purse closing out in 29.1 for the bronze. Lines up in a familiar spot and MacPherson is back in the bike so he just might get that first career win.

Spinddoctor Hanover He didn't have much luck in Ontario but did fire home in 28.3. Makes the move to PEI and dash leader Campbell gets the call so we'll take a shot and call for the silver.

Woodmere Skyline We've said it before he's off to a nice start in his career and just missed last week. He's on the outside looking in again but has the step to compete so it could be win, place or show.

Race 3 6-5-2

Power Of Four He's been oh so close to winning and was only a whisker away on Saturday. Slides out to post six and Murphy gets along well him so this could be the night he gets the gold.

No Fool Mackinley Fired off the wings in Summerside and was a going away winner cruising to victory in 1:58. Moves out a spot on the gate and coming off that performance we need to include.

Nolans Magic Shui Another one that's been knocking on the door but yet to visit the winner's circle. Gets another great spot to work from and Merner is rolling so you may want to hop on board.

Race 4 2-3-6

Bettim Again We picked him to win last week and he raced great just getting collared in the final strides. We're thinking the tactics will be the same tonight only this time he gets the glory.

Acrobat Hanover That line two back hops off the page reaching up late to get it all. He's back at the same level and Campbell knows him very well, so they'll be first or second.

Burn Out Hanover He's missed the ticket in three straight but up against some very tough opposition. He's also on the outside again but is going to turn it around one of these times...maybe tonight.

Most Probable Bettim Again

Race 5 6-5-7

Rose Run Quest He's put together an excellent year and the numbers back it up. Slides out to post six and with Campbell at the controls get ready to see them smiling for the camera.

Navalny All he does is finish in the top three and proved it again last week. Gets post five and can really fly home so if Merner keeps him close they'll have a say before it's all said and done.

Fern Hill General What a trip he went last week braving it first over and just missing at the wire. He's back on the outside and seems to have found his groove so we'll call for the show spot.

Race 6 4-6-1

Poplar Artie He was sent to the engine from post eight and led for a long way before settling for a fourth place finish. Much better starting point and with Marc at the wheel we're expecting a bounce back.

Jetster He was on the lead for most of it last week and ended up fourth. Moves further outside and MacPherson hops up for a spin so with that in mind he could be worth a sprinkle in here.

Silverhilllightnin Pretty good effort from post six rallying late to nab the show dough. Bumps up the ladder and the price will be friendly so he's a good option to round out the tri.

Race 7 5-3-2

Boys Turn He looked good in the qualifier fronting it all the way and scoring in 2:00. Makes the trip to Charlottetown and it will be green light go so there's a good chance he goes right down the highway.

Big Bad Bruiser He was on the edges last time out but remember that was from post eight. Draws post three and he did win four times last year so keep that in mind when placing your wagers.

Redwhiteandboots We went with him last week and he raced well just getting edged out at the finish. The good news is he's back inside so he could sneak onto the ticket from here.

Race 8 2-1-4

Smart Official He had to do it the hard way last week and finished on the fringes. Takes a dip and Hughes will have him up handy the action so they could hit the wire first tonight.

Slate N He's been battling outside posts but does draw the rail for this assignment. There's little doubt he's going to get a tidy trip from here and may even get it all.

Good Eye Hawkeye He's been on the edges for three straight weeks but racing at higher levels. Takes a minor drop and those closing panels are solid so he could be upset minded.

Race 9 6-8-2

Batterup Hanover Take a peek at the line from June 10 th where he bossed it from the hop and fired home in a snappy 27.4. He's had some big wins over this track in his career so get ready for a good result.

Rollwithhottytoddy He's been racing the bearcats all season long and more than holding his own. It won't be a picnic from post eight, but his form is excellent so he's a serious player in here.

First Glance When you look at the summary he's had a nice season and already has five wins to his name. He's also going to get a sweet journey from here and could be a factor at the finish.

Race 10 4-2-7

Big Dream Fella His start two down was an eye popping victory at Grand River scoring in an impressive 1:53.4. Makes the journey to PEI and with MacPhee at the controls it could be a winning debut.

Redland Sampson He came off the bench and raced great tracking all the way for the show prize. Lines up in a similar post and should be a little tighter tonight so he's back in our top three.

Afair Somewhere Blasted off the wings and dominated from start finish winning in 1:54.3. He may not get that trip tonight but we're confident Corey maps out an on the board finish.

Race 11 2-1-7

Hippyjohn We liked the way he raced on June 17 th tracking all the way and reaching up late for the victory. We're thinking a similar journey may be in the cards so it could be a repeat performance.

Elroy Shiner He was excellent in the month of July reeling off three straight wins. Remains at the same level and will be up near the pace so he could hit a Red Shores grand slam.

Impeccable Shadow He took the scenic route last week and just missed hitting the ticket. Just a friendly reminder he does have the most wins on the page so mark him down as our value play of the day.

Value Play Impeccable Shadow

Race 12 2-7-3

Bee Two Bee What a smashing debut he made last week wiring a good group in a snappy 1:51.4. Slides into post two and Hughes will have him well spotted, so we won't be shocked if he wins again.

Roll Em He's on a big time roll and has reeled off five straight wins over three different Maritime tracks. Don't forget he also set the track record at Red Shores Summerside so expect more of the same tonight.

Repeat Or Replace He was large and in charge at Northfield zipping off the wings and going right down the highway. We're wagering Heffernan will be aggressive early so it could be catch me if you can.

Race 13 1-6-3

Chikaboom We loved the way he performed two down drafting all the way and just missing in a photo finish. We're betting Marc will have him on or near the lead at the start and finish.

Island Beach Boy He hasn't had much luck of late but was a seven time winner in 2022. If memory serves, he seems to do his best work on the front end, so we'll take a swing and call for the deuce.

Shakemeup Hanover He's been right there in his last two attempts and closed home in a brisk 27.4. Lines up in a prime- time post and Sheppard knows him best so this could be a smart choice.

Race 14 7-5-4

Avatar J He's missed the board in three straight appearances but racing up the class ladder. Takes a dip and Barrieau gets along well with him so they could close the card with a win.

Pictonian I Am We had him for part of it last week and he raced well securing the runner up spot. Remains at the same level and those closing panels are impressive, so we say gold or silver.

Revenant He's had a nice start to 2023 and already has three wins on his card. Makes the trek to PEI and draws post four so we're putting him in the Super Hi 5.
