RE: **Welcoming Back Owners**

Welcome Back Owners

Red Shores is pleased to announce that owners will be welcomed back to the barns in Charlottetown starting Monday March 29th, 2021.

We appreciate this has been a challenging time for everyone over the past few weeks as we followed the necessary health protocols based upon the advice from our professional veterinarians. The steps that were implemented were required to ensure the health and safety of our equine athletes.

Starting Monday, owners and visitors will be able to sign in at the security check point prior to entering. **COVID capacity restrictions remain in place.**

Visitors should advise your trainer if you are coming directly from a farm to Red Shores. We encourage all horse people to continue to follow the bio security measures such as boot washes, hand sanitizer and cleaning protocols.

Please be advised Red Shores and the Harness Racing Industry Association will be releasing information next week regarding back to racing protocols and opening race date schedule.

Again, thank you for your cooperation.
