

Race 1 3-1-6

The Yingyang Has been racing well since coming East and gets a favorable crew to race against tonight that should make him the top entry.

Jazzmatazz Seems to be getting stronger every week and with rail control we like his chances.

Flameproof Hanover Likely the class of the field but with him not racing since June of 2020 we will be cautious and let him get a start under his belt.

Race 2 3-4-6

Playin For Keeps This veteran comes from Ottawa into the red hot Campbell stable. This should be a race for place.

Overbearing Has the kind of class where he can keep rolling and could play spoiler in here.

Dilans Mustang Worth considering for a piece of it.

Most Probable **Playin For Keeps**

Race 3 1-3-6

Scarlet Dragon Rail control and class relief added to how she has been racing makes her the one to beat.

Bugtown Superstar Should get another nice trip in here to be a part of the final frames.

Badlands Giovanna A driver change can make all the difference in the world to an aged horse and we're hoping it sparks this mare into the triactor.

Value Play **Pleasing Pink**

Race 4 1-4-2

Southwind Bronn Finally draws inside again and if he throws down one of those 1:56 miles he should be the one to knock off.

Catchme If Lou Can Has been a part of it every single week in this class so why should that change today?

Montysgonemarle Has put together a new lease on life in recent weeks and with him drawing the best post he's had in months we like him to be a part of the final outcome.

Race 5 8-2-3

Magical Cowgirl Eight hole or not she fits this class perfectly and if can get in position to make one of her late rallies work she is a top contender.

Windmerenoharmdone We think she is a big time player in here and if our top pick has too much ground to make up this should be the one to pick up the pieces.

Private Dancer Was stickhandled beautifully down the stretch to somehow get her nose on the wire first last week. Gets Campbell today and we don't know what to expect. Take a look at her.

Race 6 6-5-7

JJ Jillian Honestly an instant pick would provide as much clarity as we can give you in this field. This mare has over 30 lifetime starts in the maiden class but today looks like when it could all come together for her. There is no question that this will be a great betting race.

Son Of Gracious Draws as good as he has been today and looks to be another one with a live shot at the lion's share.

Windemere Arts Will be on top of many of your tickets and maybe she does belong there but with post 7 we'll place her third.

Longshot Play **Timberlea Express**

Race 7 3-5-2

Elm Grove Mistress Will be pointed to the lead and should be very tough to track down.

Roselily Gets a healthy dose of class relief for this one and will no doubt have a large part to play.

La Vie En Rose Should get a very tidy trip in here and be part of the triactor.

Race 8 1-3-2

Adventure Luck Continues his retirement tour with rail control. This is his race to lose.

Shiftyng Georgie Looks like it's time for another game of front-end action and will be one tough customer to beat off the point.

Positive Art Should benefit from all the action between the horse on the inside and outside of him to get a big slice of it.

Race 9 1-6-2

Hughgetthecredit Last time he had the rail and Campbell in the seat he clicked for a 1:55 and change victory. Is up in class today but if he can use his post position to his advantage he could just pull an upset.

Soccer Hanover Will be the favourite in here and with good reason. The way he closes at the end makes him a top contender.

Pictonian Storm Scored a confidence boosting victory last week and draws inside to make him one to take a hard look at.

Race 10 2-7-6

Egamer Finally draws inside and if Murphy gets him off on the right foot there could be nothing but open road ahead of him.

Instant Shadow The only thing we don't like is the draw and it does make a big difference to this horse. We'll place him second.

Likely To Win Made a rare break in stride last week but we don't see it happening again today so with this class he is a must use.

Race 11 1-5-2

Flash In The Pang Toyed with his rivals last time and draws the rail in the pace of the night. Merner has a few ways he can play this but the main thing is to keep up handy the action to loom the danger at the end.

Hunger Pangs Is on top of his game right now and we like him for the second part of a Pang Shui exactor.

Nogreatmischief The veteran Cheverie will have this pacer in the perfect spot to get everything he can in here and it may be even more than we give him credit for.

Race 12 2-5-7

Eagle Jolt Another horse on his retirement swing that draws inside and should be hard to deny tonight.

Flowersonthebeach No matter what class this guy is in he is hard to leave out.

Theycallmedude With this guy dropping in class coupled with his closing kick you have to use him somehow even from the outside.
