Race 2 1-4-6

Frivolous Appeal Comes into this one off a huge qualifier and draws the rail with Spence back in the bike. Could be lights out in here from the start.

Howmacs Hank Qualified well free-legged so we see him as a big factor today.

Manlicious A bit of a wildcard from the outside but the speed is definitely there so we'll play him in our tickets.

Race 3 1-3-2

Cinder Angelina The veteran mare was mighty good her last start in Charlottetown from the same post in the same class. Repeat time?

Fusspot Had to settle for second against our top pick her last outing so no reason to expect any different today.

Dorabella This mare is just getting back into racing shape and we like her chances from post 2.

Race 4 5-1-4

Ruby Rae Crow This entire race is a wide open affair and this mare shows the best qualifier so we'll side her way.

Pleasing Pink The post draw improves her chances.

Starshipsalicia Was interfered with in her qualifier so we'll ignore that line and use her as a part of it.

Race 5 3-8-7

Morien Bay Had a nice two-year-old campaign that incredibly never had a winning mile in it. His maiden status could easily be shed today.

Nolans Magic Shui Qualified April 30 and now surfaces 23 days later telling us that trainer Rennie was not happy with the performance and made some tweaks to this green colt. If the kinks are ironed out he could surprise us in just his second lifetime start.

Cantstopthelovin You can't beat breeding and this unraced filly has the pedigree to be a superstar. We'll be keeping a close eye on her.

Race 6 6-5-4

Silver Spirit Was a very talented rookie and qualified well enough to give us the confidence to place him on top.

Billy Bayama Is a bit of a question mark but did lots of good things in his past so we'll use him as part of it.

Ironside Seelster Similar to our second pick this horse comes from Ontario and without seeing him in pari-mutuel action we'll place him for third with a 'wait and see' attitude.

Race 7 3-6-2

Southwind Bronn Has been handling himself well against some tough customers so far in the season so we'll treat him as the one to beat.

Tylers Beach Boy This horse has been exceptional in 2022 and will be heard from again today.

Double Terror Came a large back-half to dominate his qualifier and could surprise some people in this class today.

Longshot Play Double Terror

Race 8 2-1-5

Better Than Cash Was taken back in his first start and was a non-factor but with the drop in class and move three spots to the left we expect him to be aggressive from the start and land on the wire first.

Elroy Shiner Has already won a race on the toughest circuit in the nation this year and draws the rail so he will be sure to show us what he is made of today.

Coasttocoastshark Was a runner-up in the fog his last start but will give us a clearer picture of his 2022 prospects today. Don't leave him out.

Race 9 4-6-2

Woodmere Bankroll Romped in Truro his last start. Could today be more of the same?

Bludhaven The main threat to our top pick after a great start to 2022.

Catchme If Lou Can Gets a better draw and an easier class than his last start so he should be in the thick of things.

Race 10 3-1-4

Moonwriter No question about it: this is his race to lose.

Heart And Soul Has a big kick at the end so this short field should be to his liking.

Hunger Pangs It will be a sprint to the finish and this guy will have lots to say in the outcome.

Most Probable Moonwriter

Race 11 1-3-6

Flowersonthebeach Has a start under his belt so we see him being even better today.

Winter Blast Finished in the top three a total of 22 times last season so we know this guy can have a big part to play.
