19+ Know Your Limit. Play Within It.

BY PETER MACPHEE

Race 1 3-1-6

Now Showing He was closing in at the wire last week and rallied for the show spot. Much better starting point and MacPherson will have him up close so he could get win number eight on the season.

Kataparka He's been battling outside posts the past few weeks but gets the pole position today. There's little doubt he's going to get a tidy trip from here and might even reach up and win.

Sports Royalty He's been living on the edges for the past three weeks but racing at higher levels. Takes a dip and moves out to post six so we'll take a swing and put him in the triactor.

Long Shot Play Sports Royalty**Race 2 6-4-1**

Tobins Future Zipped off the wings in Summerside and went coast to coast like butter on toast. Makes the trek to Charlottetown and with Sweet in the seat she could win again.

Royoz Allie She was oh so close last week just missing by the slimmest of margins. Lines up in the same spot and Murphy knows her best so be prepared for a good result.

Dusty Lane Zara Take a peek at the line two back where she followed along and secured the show prize. It looks like a similar trip may be in the works so she's a good option to complete the tri.

Race 3 1-3-7

Chikaboom He's been terrific since arriving on the Island and already has a couple of wins. Bumps up the ladder and with dash leader Campbell on board expect more of the same today.

Spack Jarrow We liked the way he raced three down drafting all the way and getting up late for the victory. Draws post three and Corey will have him well placed so he'll have a big say in the outcome.

Pictonian I Am He's been racing well and less than a length away last time out. Now he must race from the fence but his form is excellent so he could land on the scene late and make some noise.

Race 4 3-2-4

Lil Reeses Pieces She was storming on the end of it last out and closed in a snappy 27.4. Lines up in a similar spot and should be up handy the pace so with that in mind she's on top of the ticket.

Howmac Smoothy When you look at the lines she's always in the mix and was a winner from post seven. She draws inside for this attempt and with Barrieau at the wheel we say first or second.

Elm Grove Rustico She never really got into it last week but closed out in 28.4. We're thinking Murphy will have her a little closer to the action and could sneak onto the ticket today.

Race 5 2-3-5

Impeccable Shadow We liked him for part of it last week and he raced great firing home in a crisp 26.3. The good news is he draws inside for this assignment and could return to his winning ways.

Island Beach Boy He had a perfect pocket ride on Monday and settled for the runner up spot. We're wagering MacPhee will have him on the front foot and be on or near the lead at the start and finish.

Hippy John We picked him to win on Monday night and he raced well just getting nipped in a photo finish. Remains at the same level and the stats say he likes to finish third, so it makes sense to put him here.

Race 6 2-5-3

New Legacy He's been dynamite since arriving on the Island and already has 10 wins on his resume. Gets a prime-time post to work from and this is a good partnership, so we predict they get the gold.

Jessiejesorjessica Motored to the front and never looked back going gate to wire at Red Shores Summerside. Slides out to post five but coming off that performance she's a major contender in here.

Sailor Blue She's been right there for over a month but can't quite find the winner's circle. Moves out a spot on the gate and we like playing trends so we'll call for the bronze one more time.

Race 7 4-1-2

Rosetown Mary She was flying on the end of the mile last week reaching up late to grab the glory. Moves to the mid pack and MacPherson knows her well so there's a strong chance she doubles up.

Red Dirt Flash When you look at the chart lines those closing quarters are rock solid. Lands on the cones and will be covered up for a long way so keep that in mind when placing your wagers.

JJ Amelia That line three back was impressive and she just missed getting it all. Moves inside and is going to get a sweet journey from here so if you're searching for value this could be the play.

Race 8 4-2-3

Rose Run Quest He's put together an excellent season and was a going away winner on Monday. Lines up in the mid pack and Marc will be flooring it so he could go right down the Red Shores highway.

Navalny He's been great for over a month and was only a whisker away three back. It looks like he's going to get a favorable trip from here and land in the top three again.

Usurper He's been razor sharp for three straight weeks and check out those snappy closing panels. He's moving on up the class ladder but with Arsenault at the lines he'll be a factor at the finish.

Most Probable Rose Run Quest

**SATURDAY, AUGUST 12, 2023
(4:00 PM POST TIME)****Race 9 2-4-3**

Rock N Roll Cays She was sent to the point in Truro and led for a long way only to be collared in the final strides. We're thinking the tactics will be the same only this time she'll be rocking and rolling to the winner's circle.

Next In Line She was put on the engine and led at every call scoring in 1:56.3. Moves to the mid pack and Jamieson is listed to drive so with that in mind we're putting them in the exactors.

Woodmere Jade When you look at the summary she's had a nice year but yet to find the win column. Moves in a couple of spots and the price will be friendly so we'll call for the show dough.

Race 10 3-2-6

Share The Moment Barrieau mapped out a perfect drive on August 3 reaching up at the very end to get all the marbles. It was a confidence booster, and she knows how to win so we say two in a row.

Plain Jane Blasted off the wings at Woodstock and went right down the road winning by over four lengths. Makes the move back to PEI and it will be green light go so she could score a natural hat trick.

Acefortytwo Dome She got a perfect garden trip two back and was only a length away when it was all said and done. She may not get that trip tonight but if you don't want to play the chalk this could be a savvy choice.

Race 11 1-2-5

Our Girl Annie She's on a big time roll and has reeled off three straight wins over three Maritime tracks. There's little doubt she's going to get a favorable journey and could hit a grand slam.

Saulsbrook Mabel She's put together an excellent campaign and has yet to miss the top three. We're betting Barrieau will have her up handy the action and have a major say before it's over.

Saulsbrook Abbey She was scratched sick last time but prior to that was an impressive winner in Summerside. Slightly better draw and Dowling has won with her before so we're going to include.

Value Play Gosistersoulssister

Race 12 5-2-8

Stash It Away He was up against the big boys on Monday and more than held his own. He's back in the same post and with Gilles at the controls he could score win number four on the season.

Mantario He grinds it out with the big dogs week in and week out and never that far away. Makes the move back to his home province and Double J is down to drive so we're banking on a good performance.

Rollwithhottytoddy He was issued a Red Shores parking ticket on Monday night and settled for a fifth place finish. He's also on the outside looking in again but we think he hits the ticket in here.

Race 13 2-1-4

Dreamfair Zenfire She had the lead late last week only to be reeled in at the very end. Just a reminder she did win 12 times last year, so we won't be shocked if she goes one better this time.

Chelski She was flying late in Woodstock only to roll off stride and take herself out of it. Draws the rail and looks to have the step to compete so we're betting on a bounce back effort.

Sugar Bowl She's been great since landing on the Island and already has six wins. We're thinking Hughes will be aggressive early so you may want to hop on board with the Blue Knight.

Race 14 6-4-1

Livinthebeachlife When you look at the stats he's had an awesome year and has found the win column seven times. He's also coming off a big effort at Woodbine Mohawk Park and those closing panels hop off the page, so we think he hits the wire first in Trial number one.

Funatthebeach N Have a peek at the line three down where he fired to the front at Yonkers and was a gate to wire winner. It looks like he can spring the wings so we're betting it will be all systems go and if he does control it from the hop, there's a strong chance he seals the deal.

Roll Em He's had an awesome year to date and has been winning big races across the Atlantic region. The good news is he draws the rail and will get a ground saving journey from here so if Campbell can keep him close he could come calling late and book a spot in the Gold Cup Final.

Race 15 1-2-5

Covered Bridge His 2023 numbers are eye popping and he already has 11 wins and over \$300,000 in seasonal earnings. Draws the rail and just a reminder he did win the Camluck Classic at Western Fair earlier this year so he's familiar with a half mile track in Canada and we like to him to win Trial number two.

American History His career numbers are off the charts with 40 lifetime wins and over 1.6 million in earnings. He also likes to bust the gate and seems to do his best work on the front. He does have speed to his inside, so we'll see what Spence does off the wings, but they'll be first or second when it's all said and done.

Bee Two Bee He's been terrific since arriving on the Island and was a going away winner on July 29th. He was also on the front on Monday before being collared in the stretch by Twin B Tuffenuff. He has a ton of speed to his inside so Hughes will have to map out a trip from here but we like his chances to land in the top three and make it to Gold Cup & Saucer 64.

HOW TO PLACE A BET

1 SELECT A BET TYPE

EASY

WIN
Pick the winner of the race... that's it.

PLACE
Your horse must finish first or second.

SHOW
Your horse must finish first, second, or third.

MODERATE

EXACTOR
Pick the first two finishers in order.

DAILY DOUBLE
Pick the winner of two races in a row.

HARD

TRIACTOR
Pick the first three finishers in order.

SUPERFECTA
Pick the first four finishers in order.

DIFFICULT

PICK 3
Pick the winner of three races in a row.

PICK 4
Pick the winner of four races in a row.

2 PICK YOUR HORSE

Use the horse's number - not its name - when placing a bet.

WHAT ARE ODDS?

Odds are the ratio of approximately how much you can expect to win versus how much money you're going to bet.

EXAMPLES

8-1 You'll win \$8 for every \$1 you wager.

3-2 You'll win \$3 for every \$2 you wager.

FAVOURITE

The horse with the lowest odds is the "favourite". It wins 35% of the time.

3 PLACE YOUR WAGER

- A. You can bet with a person or on a machine – it's up to you.
If you're uncertain, try an insta pick.
- B. **Here's what you need:**
 1. Racetrack name and race number
 2. The dollar amount of your wager
 3. The type of bet (win, place, show, etc.)
 4. The official number(s) of the horse(s) you've chosen
- C. **Example:**
Charlottetown, RACE 5, \$2 TO WIN ON NUMBER 4

RED SHORES

Whether you're playing at the table games, slot machines or wagering on the races, it helps to know as much as possible about each game, like the odds of winning and losing.

HERE ARE THE FACTS BEHIND SOME OF THE MOST COMMON GAMBLING MYTHS:

GAMBLING
IS NOT A
GOOD WAY TO
MAKE MONEY

THE CHANCES OF
WINNING DO NOT GET
BETTER AFTER YOU
HAVE LOST

THE MORE
YOU GAMBLE
THE MORE YOU
WILL LOSE
