SATURDAY, SEPTEMBER 16, 2023 (6:00 PM POST TIME)

Race 1 3-5-2

Judicial He was on the edges in Summerside but don't forget that was from post eight. Makes the journey back to Charlottetown and gets a better draw so he could kick off the card with a win.

Woodmere Arturo He was storming on the end of it last time reaching up late to grab the gold. It was a confidence booster and he's back in the same spot, so we say first or second.

Talk Some Smack We liked the way he raced two back closing in 30 seconds to nab the deuce. Lines up in a similar post and is going to get a nice trip from here so he's a good option to complete the tri.

Race 2 3-5-2

Tobins Barn Party He's put together a nice season but can't quite find the win column. Exits the stakes trail and will be up handy the pace so this could be the night he's smiling for the camera.

Swordfromthestone That line two back was a good one closing in a brisk 28.2 for the runner up spot. Draws the same post tonight and the stats indicate he likes to finish second, so it makes sense to put him here.

Darkside Of Wicked He finished fifth in the qualifier but did close home in an even 30 seconds. Remains inside and should get a tidy trip so he could hit the board in his first for a purse.

Most Probable Tobins Barn Party

Race 3 2-1-3

Hippyjohn He's been right there in his last two starts and check out those snappy closing quarters. It looks like he may be able to draft from here and if that's the case might even reach up and win.

Middleton Terror We picked him to win last week and he delivered going coast to coast like butter on toast. Bumps up the ladder but he's been here before so it could be two in a row.

Kataparka First and second in his last two and those closing panels hop off the page. Moves out a spot on the wings and Murphy is down to drive so we're expecting more of the same tonight.

Race 4 3-1-5

Afair Somewhere He made a break last time out but those things happen sometimes. Moves to the middle and Dowling will be pressing the pace so we're betting on bounce back performance.

JJ Landon We liked the way he raced two down rallying late to secure the show prize. The good news is he gets the pole position and will be tucked in, so we'll call for the silver this time.

Redland Sampson When you look at the stats he's had a pretty good year and was a winner during Old Home Week. Gets post five but in a compact field like this he could hit the board from here.

Race 5 7-5-3

Poplar Artie He had to brave it first up last week and finished at the back. Slides down the class ladder and Dowling hops up for a spin so mark him down as our Red Shores long shot play of the day.

Brookdale Ollie He never really got into it last week but was racing at a higher level. Takes a dip and looks to have the step to go with these so he'll be close and perhaps even a winner.

Selkirk Echo When you look at lines he's mostly in the mix and was a winner two down. While you're at it have a look at those closing quarters so keep that in mind when placing your wagers.

Long Shot Play Poplar Artie

Race 6 2-4-3

Phil Dorleans He hasn't been able to find his game and on the edges for over a month. On the bright side he's going to flip the script one of these times and we think it might be tonight.

Mick Dundee Another one that's been on the fringes but really not that far away. Moves to the mid pack and Donnie knows him best so with that in mind we're going to include.

WindSong Quincy We've got a bit of a theme going here with horses on the edges and this guy joins the club. There's little doubt he's going to get a handy trip so it could be win, place, or show.

Race 7 4-2-3

Zaidans Luck He's been battling outside posts in his past two but hit the board last time. Much better starting point and Murphy will have him well spotted so that could seal the deal in here.

I C True Grit We liked that start two back where he closed in 29.2 to get the silver. Makes the trek back to Charlottetown and Barrieau is rolling so we're putting him in the exactors.

Neptune Seelster He's missed the ticket in two straight but was racing up the ladder. Gets some class relief and the price will be friendly so if you're searching for value this could be the play.

Race 8 3-4-6

Pictonian I Am He made a rare break last time and took himself out of the race. He was sharp prior to that, and Kenny will have him up close to the action so he could rebound with a win.

Acrobat Hanover Zipped off the wings and made every call a winning one scoring in an impressive 1:54.4. Moves to the middle and coming off that performance there's a strong chance he triples up.

Avatar J He was flying on the end of it last out just missing by the slimmest of margins. Moves over to post six and with the Blue Knight at the wheel he'll be heard from before it's over.

Race 9 4-1-6

Share The Moment She got a perfect drive from Barrieau last week sneaking down the passing lane to get the glory. Moves out a spot on the gate and will be well placed so she could go back-to-back.

Tobins Brownie Have a peek at the line two back where she tracked all the way for the silver. It looks like she may get the same trip tonight so we're playing a hunch and calling for the deuce.

Acefortyfour Dome She's been awesome the past three weeks and was just nipped last Saturday. She's back on the outside but her form is excellent so we aren't about to leave her out.

Race 10 2-5-1

Rose Run Quest He may be the sharpest horse on PEI and if you need more proof have a look at the lines. We're betting Bradley will be gunning from here and could go right down the road.

Navalny He was oh so close to winning two back and just missed by a whisker. Slides out to post five and can really fly home so he could come calling late and get all the marbles.

Tradition He flies under the radar a little but was a winner four down on his card. Draws the rail, will be tucked in, and with Dowling at the controls he could be a factor at the finish.

Race 11 6-2-1

Spicey P We liked him for part of it last week but he never really fired. Drops a notch and he does have the most wins on the page so keep that in mind when you're heading to the windows.

Slate N He's been razor sharp for the past three weeks and did have a win on September 2nd. Remains at the same level and is going to get a sweet trip so he'll be first or second tonight.

Justcallmedoc He was closing in at the wire last week and just missed in a blanket finish. Lands on the rail and will be covered up for a long way so he's a solid choice to round out the tri.

Race 12 4-2-3

Twin B Tuffenuff He was storming on the end of it two back and just missed getting the gold. He also gets a prime-time post to race from tonight and Barrieau is on a tear so we're calling for top spot.

Stash It Away He had to face the bears last week and paced a mile in 1:52.3. Moves into post two and will be up near the pace so if Murphy can keep him close, he'll have a say before it's all said and done.

Bettim Again We had him on top from the rail last week and he delivered scoring in 1:53.4. Moving on up the class ladder and Dowling gets the call to drive so he's back in the top three.

Race 13 1-4-3

Usurper He's not the safest play on the page but does have the step to compete. We're wagering Kenny will be aggressive off the wings and have him on or near the lead at the start and finish.

Brumby He was up against some tough customers last time and settled for a sixth place finish. Takes a dip and the stats say he likes to finish second so that's where we'll put him tonight.

He Can Rock He's been on the fringes in two straight but those were both from outside posts. Slides into post three and with Barrieau on board we'll take a swing and put him in the Super Hi 5.

Value Play Usurper
