## SUNDAY, DECEMBER 3, 2023 (12:30 PM POST TIME)

### Race 1 3-1-7

**Usurper** Zipped off the wings and never looked back going coast to coast like butter on toast. Bumps up the ladder but he's been here before so don't be shocked if he wins again.

**JJ Patrick** He took advantage of a perfect pocket ride and rewarded the punters with a big pay day. Lands on the cones and will be tucked in so he's back in the top three.

**Acrobat Hanover** Was put on the point and went gate to wire cruising to victory by over four lengths. Takes a slight hike and moves outside but coming off that performance we need to include.

### Race 2 1-2-5

**Elroy Shiner** We picked him to win last week and he delivered going right down the Red Shores highway. We're thinking the tactics could be the same today so it could be a repeat performance.

**Poplar Artie** He never really got into it last week but that was from post seven. Much better starting point and Campbell returns so we're putting them in the exactors.

**Cowboy Logic** He had to brave it first up last week and settled for a fourth place finish. He gets the same track, same class, same driver and a spot on the podium this time.

### Race 3 7-1-4

**Screen Test** He's missed the board in two straight appearances but was racing up the class ladder. Takes a dip and it won't be easy from out here, but he could come calling late and make some noise.

**Jetster** Have a look at the line five back where he bossed it all the way and was a winner from the rail. It looks like a similar trip could be in the works so we say first or second today.

**JK Express** We liked the way he raced three down tracking all the way for the runner up spot. Drops a notch and with Merner on board they're a solid choice to round out the tri.

### Race 4 1-7-4

**House Edge Hanover** He's off to a great start in his brief racing career and was a going away winner on November 19th. There's no doubt he'll be up near the action and could score win number four.

**Cabot Beach** He went a big trip last week braving it first up and drawing off to win by over two lengths in 1:56.1. Moves out to post seven and Marc won't wait long so expect more of the same today.

**Luckiestmanalive** He had to race from the outside last week and wasn't that far away at the finish. Moves to the middle and will be well placed so we'll call for the show dough.

### Race 5 4-3-1

**Impeccable Shadow** Take a peek at the line four down where he closed in 28.4 and just missed by a whisker. He's back in the same spot and the price will be friendly so this could be a savvy choice.

**Melanie's Magic** He's been right there in most of his starts and was a winner two down. Slightly better draw and MacPherson is rolling along so he'll be close if not a winner.

**West Coast Kid** He was flying on the end of it last week and rallied in to nab the silver. Draws the pole position and is going to get a ground saving trip so he could sneak onto the ticket.

### Race 6 7-4-1

**Pictonian I Am** He was oh so close to winning four back and just missed by the slimmest of margins. Now he must race from the grandstand side but can really fly home so he's our value play of the day.

**The Devil's Cash** He made up a ton of ground last week and check out that snappy closing panel. Moves to the middle and is going to get a better trip so he could return to his winning ways.

**Cheekie Play** Another one who braved it first up and still scooted home in 29 seconds. The good news is he draws the rail and will get a sweet trip so keep that in mind when placing your wagers.

**Value Play Pictonian I Am**

### Race 7 4-2-7

**Youremyheartrob** There's no doubt he does his best work on the front and the numbers on the page back it up. We're betting Dowling will be gunning from here and if he does clear it could be lights out.

**Good Eye Hawkeye** He was never in contention last time and finished at the back. Slides down the ladder and will be closer to the pace so if you don't want to play the chalk this could be the one.

**Hemingway** He's been close in his past two attempts and knocking on the door for a win. Slides out to post seven and the stats indicate he likes to finish third so that's where we'll put him today.

**Most Probable Youremyheartrob**

### Race 8 4-2-7

**Howmac Agustus** He finished third to a runaway winner but was still charted in 1:57.2. Remains at the same level and dash leader Campbell is listed to drive so he could hit the wire first.

**Brookdale Jim** He's missed the ticket in three straight starts but battling outside posts. Gets a better spot to race from and if Corey keeps him close, he could have a say before it's over.

**Woodmere Sheldon** Excellent effort two back drafting all the way for the show prize. Just a friendly reminder he does have the most wins on the page so he could be worth a sprinkle in here.

### Race 9 1-3-2

**Tango Seelster** He's been excellent since arriving on the Island and was a wire to wire winner two back. We're thinking Murphy will be pressing the pace and have him on or near the lead at the start and finish.

**Blood Money** He's never that far away and always in the mix week in and week out. Lines up in the same spot and one of these times it's all going to go his way so you may want to hop on board.

**Burn Out Hanover** He's put together another nice year and if you need more proof have a look at the summary. It looks like he may be able to draft from here and be a factor at the finish.

### Race 10 6-5-2

**Bohanon** He's been living on the edges in his past few but check out those charted miles. Moves out to post six and has the step to go with these so he could crack the goose egg in 2023.

**Zack The Men** When you look at the chart lines he's mostly in contention and just missed in a tight finish two down. Draws the same spot and Campbell knows him well so be prepared for a good result.

**Big Bad Bruiser** He hasn't had much luck of late but was racing from post seven last out. Slides into post two and should get a tidy trip from here so keep that in mind when you're heading to the windows.

**Longshot Play Pineapple Express**

### Race 11 4-1-5

**Stash It Away** He was closing in at the wire last week and only two lengths away at the finish. Takes a dip and Murphy knows him best so don't be surprised if he's smiling for the camera.

**Mantario** He raced great last week grinding first up and just getting nipped in the final strides. Draws the rail and Dowling will be guarding the cones so there's a strong chance he gets it all.

**JK Last Chance** He's been up against some tough customers but was a winner four back on his card. Gets some class relief and can storm home so he could land in the top three.

### Race 12 7-6-5

**Pictonian Storm** He was storming on the end of it last week rallying in for the deuce. Moves out to post seven and with Merner back in the bike they could cross the line first this week.

**Midnight Macneill** He had to race from the fence last time and still closed out in 29.3. Moves in a couple of spots on the wings and with the Blue Knight at the wheel this could be a smart selection.

**Redland Sampson** He did hit the top three last week and closed in an even thirty seconds. Moving on up and the numbers say he likes to finish third, so it makes sense to put him here.

### Race 13 1-7-8

**Tradition** He looked great last week zipping home in 28.2 to get the gold. He's also back at the same level and this is a good combination so with that in mind they're on top of the ticket.

**Evil Vintage** He's been terrific for over a month and the stats on the page tell the story. He's also in deeper waters but his form is excellent, so we aren't about to leave him out post seven and all.

**Woodmere Ideal Art** We liked him for part of it last week and he raced great just getting tracked down late. He may not get that trip this time but with Murphy at the lines we'll call for the bronze.

### Race 14 7-4-6

**No Plan Intended** He took advantage of a perfect second over trip flipping off cover late to seal the deal. He's assigned post seven this week and McGuigan is down to drive so he could score a natural hat trick.

**Fern Hill General** Blasted off the wings and bossed it all the way scoring in 1:55.4. It was an impressive performance and MacPhee is red hot so if you're searching for value this could be the play.

**Island Beach Boy** He's been racing well for over six weeks and was a winner at this level three down. He's back in the same post and Barrieau gets the call so there could be a minor upset brewing.

### Race 15 2-5-7

**Spack Jarrow** Excellent effort last Sunday storming home in 28.3 to nab the show spot. Moves into post two and MacPherson has had success with him in the past so they could close the card with a win.

**Moonwriter** He had a long tough trip last week and settled for an eighth place finish. Takes a dip and Merner gets along well with him so we're putting them in the Red Shores Super Hi 5.

**Three Trick Gainer** He's been sharp in his past two finishing second both times. He's also on the outside looking in again but we'll take a shot and call for the show spot.

Odds are the ratio of approximately how much you can expect to win versus how much money you're going to bet.

#### EXAMPLES

**8-1** You'll win \$8 for every \$1 you wager.

**3-2** You'll win \$3 for every \$2 you wager.

#### FAVOURITE

The horse with the lowest odds is the **"favourite"**. It wins 35% of the time.
