 Know Your Limit. Play Within It.

BY PETER MACPHEE

Race 1 4-3-2

Ubettimagoodone She's been living on the edges for the past three weeks but racing at higher levels. Takes a dip and Bradley will have her on the front foot so she could go gate to wire in the opener.

Betterthanglamor She's been oh so close the past month but can't quite find the winner's circle. Drops a notch and one of these times it's all going to go her way and it could be today.

Dollywood She's been battling outside posts in her last two but does get a better spot to race from today. Just a friendly reminder she also likes to finish third and is a good choice to complete the tri.

Race 2 4-5-6

Shes Rockandfame She's on a big time roll right now and has won four in a row. Moves to the mid pack and Dowling won't wait long so we're calling for a Red Shores high five.

Royoz Allie When you look at the lines she's always in the mix and the numbers on the page don't lie. Draws the same spot on the wings and Murphy knows her well so expect more of the same today.

Lock Her Up We liked the way she raced two back reaching up late to nab the gold. Moves closer to the fence but if Kenny can keep her in contention, she could have a say before it's over.

Race 3 4-6-5

Cabot Beach Zipped off the wings last Sunday and never looked back scoring in 1:58.1. Gets a prime-time spot to race from and the strategy could be the same so don't be shocked if he doubles up.

Luckiestmanalive Fired to the front from post six and went right down the Red Shores highway winning in 1:58. There is speed to his inside so we'll see what Mike does leaving but expect him to be a factor at the finish.

Evil Vintage He's been razor sharp for the past month and if you need more proof have a look at the summary. Slides over to post five and his form is excellent, so we aren't about to leave him out.

Most Probable Cabot Beach

Race 4 7-6-4

Hippy John He didn't really get into it last week but was racing at a higher level. Slides down the ladder and it won't be a picnic from out here, but he could come calling late and make some noise.

Cowboy Logic He didn't have an easy trip last week and just missed by less than a length. Slightly better draw and he does have the most wins on the page so keep that in mind when placing your wagers.

Nolans Magic Shui When you look at the lines he's mostly in the mix and just missed two down. Moves to the middle and Merner gets along well with him so it could be win, place, or show.

Race 5 4-5-2

Now Showing He made an early break last week but was only three lengths away at the finish. Much better starting point and the price will be friendly, so we'll call for top spot.

Almost There Boss We picked him to win last week and he raced well securing the silver from the rail. Remains at the same level and can storm home so we say first or second today.

Tradition He's been living on the fringes in his last three starts but up against stiff competition. Gets some class relief and with the way he can finish could sneak onto the ticket from here.

Race 6 1-6-4

House Edge Hanover He's off to an excellent start in his career and was a going away winner last Saturday. Draws the rail and Barrieau will have him up near the action so he could score a natural hat trick.

Judicial That was a nice effort from post seven rallying late to nab the runner up spot. He's back on the outside but the stats say he likes to finish second so that's where we'll put him today.

Catch The Spark He's been right there in his last few appearances and just missed by a whisker two down. Draws the mid pack and will be well placed so we'll call for a top three spot.

Race 7 6-3-8

Woodmere Ideal Art He was flying on the end of it last week and just ran out of racetrack late. Takes a dip and with Murphy back in the bike he could hit the wire first today.

Burn Out Hanover He didn't get to boss it last week and settled for a seventh place finish. We're thinking it will be all systems go and he does his best work on the front so we're betting on a better result today.

Silver Spirit Zoomed off the wings last Sunday and made every call a winning one scoring in 1:58.2. He may not get that trip today but we're confident Gilles maps out a top three finish.

Race 8 4-2-3

Rollin Doubles He hasn't had much luck of late but was racing up the class ladder. Moves to the middle and should be a little closer to the pace so this could be the day he flips the script.

Yaris Seelster He's had to do it the hard way the past few weeks and missed the board both times. Slides into post three and should get a tidy trip from here so we say gold or silver.

Hemingway When you look at his lines he's always in contention and never that far away. Gets a nice spot to work from and with Merner at the wheel this could be a smart choice.

SUNDAY, NOVEMBER 19, 2023 (12:30 PM POST TIME)

Race 9 4-1-3

Fern Hill General We loved the way he raced two back just missing by the slimmest of margins. He's back in the same post and knocking on the door for a win so get ready for a good result.

Navalny All he does is finish in the top three week in and week out. The good news is he gets the rail and with consistency like that we're going to include and so should you.

Middleton Terror He took advantage of a perfect pocket ride reaching up late to get the glory. Moves out a spot on the gate and this is a good combination so they're back on the podium.

Value Play Mantario

Race 10 3-1-2

Pictonian I Am He's missed the ticket in two straight but was up against some tough customers. Draws post three and Barrieau gets the call so he could return to his winning ways.

Chikaboom He's also missed the board in his last two but does draw the rail for this assignment. It looks like he's going to get a smooth journey and if that's how it plays out, he'll be close if not a winner.

Woodmere Sheldon He was able to follow along three down and was a rock solid second. Draws the same post today and Hughes will have him well spotted so you may want to jump on board.

Race 11 5-2-7

Imalookertoo He's been sharp the past two weeks and was smiling for the camera both times. Bumps up the ladder and Barrieau returns so there's a good chance for a threepeat.

Spicey P He's been oh so close in his last two and just missed in a tight finish. Slides down the ladder and remains inside so keep that in mind when you're heading to the windows.

Impeccable Shadow He's been terrific for the past six weeks and the numbers on the page back it up. Moves outside but his form is excellent, so we aren't about to leave him out.

Long Shot Play Acrobat Hanover

Race 12 2-4-3

Tango Seelster He's been awesome since arriving on the Island and does have a bunch of wins to show for it. Moves inside and this is a good partnership, so we think they cross the line first today.

JK Last Chance We liked the way he performed two back firing home in 28.2 for the victory. Just a friendly reminder he does have the fastest win on the page so we're putting him in the exactors.

Rose Run Quest He's having a great year and proved it again last week going gate to wire. We're wagering Adam will want to control it and if that's the case he'll be hard to reel in.

Race 13 3-5-9

Elroy Shiner We had him on top last week and he delivered as the chalk choice. We're betting Brady will be gunning from here and go right down the Red Shores highway.

The Devils Cash We liked him for part of it last week and he did get the show prize. Moves off the rail and can really storm home so with that in mind we'll call for the silver this time.

Hunger Pangs He was able to track along last week and picked up the show dough. Moves to the back tier and with the Blue Knight at the lines it could be win, place, or show.

Race 14 3-5-2

Stash It Away He's been knocking on the door the past few weeks and not that far away. Slides into post three and with the way he can fire home don't be shocked if he sweeps them late.

Time To Dance There's no doubt he loves to race at this track and has won two in a row at Charlottetown. We'll see what Campbell does off the wings, but he'll be right there when it's all said and done.

Island Beach Boy Kudos to my colleague Rocky Schurman for having him on top of the ticket last week. Gets a better spot to race from today and coming off that trip we need to include.

Race 15 7-8-1

Woodmere Rollily We've said it before she's one of the most consistent horses on the Island and the numbers tell the story. Moves closer to the fence but she could land on the scene late and get it all.

Elm Grove Mistress She's put together a terrific season and those nine wins hop off the page. Now she must race from the fence but with Hughes on board she could reach double digits in the win column.

Stonebeachlily We liked the way she followed along last week and was rewarded with the show spot. The good news is she gets the rail and will be tucked in so we're putting her in the Super Hi 5.

HOW TO PLACE A BET

1 SELECT A BET TYPE

EASY

WIN
Pick the winner of the race... that's it.

MODERATE

EXACTOR
Pick the first two finishers in order.

HARD

TRIACTOR
Pick the first three finishers in order.

DIFFICULT

PICK 3
Pick the winner of three races in a row.

PLACE
Your horse must finish first or second.

DAILY DOUBLE
Pick the winner of two races in a row.

SUPERFECTA
Pick the first four finishers in order.

PICK 4
Pick the winner of four races in a row.

SHOW
Your horse must finish first, second, or third.

2 PICK YOUR HORSE

Use the horse's number - not its name - when placing a bet.

WHAT ARE ODDS?

Odds are the ratio of approximately how much you can expect to win versus how much money you're going to bet.

EXAMPLES

8-1 You'll win \$8 for every \$1 you wager.

3-2 You'll win \$3 for every \$2 you wager.

FAVOURITE

The horse with the lowest odds is the "favourite". It wins 35% of the time.

3 PLACE YOUR WAGER

- A. You can bet with a person or on a machine – it's up to you.
If you're uncertain, try an insta pick.
- B. **Here's what you need:**
 1. Racetrack name and race number
 2. The dollar amount of your wager
 3. The type of bet (win, place, show, etc.)
 4. The official number(s) of the horse(s) you've chosen
- C. **Example:**
Charlottetown, RACE 5, \$2 TO WIN ON NUMBER 4

RED SHORES

Whether you're playing at the table games, slot machines or wagering on the races, it helps to know as much as possible about each game, like the odds of winning and losing.

HERE ARE THE FACTS BEHIND SOME OF THE MOST COMMON GAMBLING MYTHS:

GAMBLING
IS NOT A
GOOD WAY TO
MAKE MONEY

THE CHANCES OF
WINNING DO NOT GET
BETTER AFTER YOU
HAVE LOST

THE MORE
YOU GAMBLE
THE MORE YOU
WILL LOSE
