19+ | Know Your Limit. Play Within It.

Race 1 2-1-7

Hemingway finally drew inside last week and took full advantage as he left from the rail and took the pocket ride to victory. With post two this week I'm expecting a similar trip and hopefully the same result.

Arnoldthepaperboy is looking to build momentum off that second place finish last week. He only hit the board in 4 of his 30 starts in 2023 so I'm hoping last week's sharp effort will give him some confidence. From the rail, he should be able to draft along to a top three finish.

Southfield Sandy has hit the board in his last five starts and now moves into the hot Jeff Holmes stable as he was claimed last week for \$4,000 from trainer David Dowling. Sweet and Holmes are off to a hot start in 2024 and have a really good shot at getting the job done with this 8-year-old veteran. **Longshot Play** **Here Comes Emmett**

Race 2 4-3-5

Its Model Time has finished up strong in each of her last four starts. She has skinned the cones for back-to-back third place finishes and draws in against a softer group today. I think she will stalk from mid-pack today and out brush her competition in the lane.

Topville Angelina continues to drop down the class ladder. She sat along the fence last week and finished fourth at the NW1001 so the drop in class should help this week.

Itsup to you has yet to hit the board for her new connections. She continues to draw outside so she'll need a trip and some racing luck but I think she can hit the board.

Race 3 2-1-5

Spicey P was an easy winner two starts back on the class drop and closed up well to finish second last week but couldn't reel in the horse to his left. There's lots of early speed in here so I think Hughes will stalk again and try to reel them in late in the mile.

Pictonian I Am left out alertly from the rail last week and was rewarded with a two-hole trip that resulted in a victory. I was surprised by his early gate speed so with the rail again this week I expect Murphy to be aggressive off the wings and work out another trip up close to the lead. He'll be tough to beat.

Navalny has great early speed and used it last week as he shot to the front and put up a quick opening half of 57.1 before fading late in the mile. His 22 top three finishes in his last 30 starts make him a great triactor play.

Race 4 2-6-5

Rock The Baby just missed in three of her last four starts. She had inside posts in each of those starts and draws well again today. I'm hoping Shepherd leaves out and sits up close to the lead. She's overdue for a win so today could be her day.

Fluentocity tried to lead gate-to-wire in her latest but got collared by a class dropper. This mare comes to play every week so don't leave her off your tickets.

Bump In The Road was my Value Play last week on class drop and almost got the job done at 30/1. She shows great speed on the end of her miles and could contend for a top three finish.

Race 5 4-5-6

Elroy Shiner bottomed out the field last week with an impressive win on the off-track. He's facing the same crew again this week so I think we'll see him dominate from start to finish. Top call.

Sunseeker was rushed off the wings last week and finished a close second behind my top choice. If Jason rolls him out of there he could grab the deuce again.

Redland Sampson rallied from off-the-pace and scored a big win against a good group. He's been sharp in his last five and can overcome the outside draw.

Most Probable **Elroy Shiner**

Race 6 2-5-1

Two Points has inside advantage and great gate speed so I think Dowling will want front-end control. If David rates him well he could win.

Judicial will most likely leave out and try to slide into the two-hole behind my top play. He's been very good in his last four and he's fresh off a sharp win last week so I wouldn't be surprised to see him back in the winner's circle this week.

Woodmere Xspeedia shows consistent top three finishes in his last three starts. He's been tardy at the start so the rail should help. Top three play.

SATURDAY, JANUARY 27, 2024 (12:30 PM POST TIME)

Race 7 4-6-1

Sports Icon is coming off back-to-back wins so her confidence is high. She should get to the front with ease and control her destiny. I think she romps. **Elm Grove Misty** was scratched lame last week but back in to go seven days later so I doubt it was anything too serious. She drops down a class and should contend for the place spot.

Lock Her Up has been off her game in her last five but is reunited with Hughes. The pair have successful in the past so hopefully the driver change can help get her back on track.

Race 8 1-6-2

Nassau Hanover had a strong acclimating mile last week in his PEI debut. He got shuffled back and didn't see daylight until the 3/4 pole. He staged a late rally but ran out of real-estate. Top play.

Melanie's Magic looks like he's back to himself after that solid third place finish last week. He's on the outside looking in so I'm not sure if he can win but could be a great option for the exactor.

David Lloyd George will benefit greatly from this inside draw. He shows good early speed six back so I'm hoping LeBlanc can rush him off the gate and draft behind my top pick. He's a good option for second or third in your exotic plays.

Race 9 4-5-3

Sugar Bowl was a winner from a perfect pocket trip last week for Hughes. Her versatility gives Bradley lots of options. I think they have a great shot at back-to-back wins.

Acefortyfour Dome had a rough trip last time out so expect a conservative drive from Hughes. She was a winner from off-the-pace two starts back and could be in for a similar trip today.

Chelski raced big on the front last week and almost got the job done from post three for Corey. She has some early speed to her left to contend with so I'm not sure what type of trip she'll get today but you can't leave her off your tickets in this short field.

Race 10 3-6-2

Youremyheartrob was reeled in by Logan Behold last week but finished a solid second. He wired the field two back and should be able to get to the front with ease again today. Top play.

Poplar Artie gets some class relief this week and was a game third from a first-up trip last week. Exactor play

Jetster will likely push out from post two to secure a pocket trip. He was a winner two back and faded chasing hot fractions in his latest. Top three play.

Race 11 3-7-1

Tobins Brownie has the inside advantage this week and should be able to cut the mile. She was a close second from a pocket trip last week but I think they lead start to finish today.

Elm Grove Mistress is putting her five race winning streak on the line today. Post seven will make it tough but if Jason uses her great gate speed to open up a two-hole behind my top pick I wouldn't be surprised if she wins again.

Countercurrency is another mare with good early speed but she's facing a talented field this week. From this inside draw, she could grab the show dough.

Race 12 5-4-3

Rollwithhottytoddy has won three straight and each of those wins has come from three different trips. His versatility has been on full display and this field is running out of ways to try and beat him. I think he keeps his winning streak intact. Top call.

Mantario has been the runner-up in his last two and I think the trend continues today.

Blood Money tried his luck on the front last week but faded to fourth. He seems to like that off-the-pace first-up trip so I'm betting they hit the board with that type of trip.

Race 13 2-5-3

Imalookertoo was thrown a curve ball with post nine last week. That's not his type of trip. He's back on the gate today so he will likely set up shop on the front and try and bottom out the field.

Luckiestmanalive has three wins from his last five starts. This horse has good early speed so I'm betting Hughes leaves out and sets up shop in the two-hole. He'll be close again.

Howmac Maximus is coming into this race off two wins and two seconds in his last four starts. He can play the stalking role from post three and could hit the ticket from a covered-up trip.

Value Play **Howmac Maximus**
