Race 1 2-1-3

Freaky Fanny She's been excellent all season long and scored a natural hat trick on July 7th in Truro. We're betting McGuigan will be pressing the pace so she could kick off the Isle Pick 5 on a winning note.

Islebetu Islebeatu She was sent to the point and led for a long way just getting nipped in the final strides. It looks like she may be able to pocket ride from here and if that's the case might even reach up and win.

Kays Writer Second and third in her last two starts and zipped home in 27.4. Remains inside for this assignment and Campbell is listed to drive so keep that in mind when placing your wagers.

Long Shot Play **Zendayas Firstlady**

Race 2 3-2-6

Howmac Swanky He's been close in all three starts but can't quite find the winner's circle. Moves in a spot on the gate and will be closer to the action so this could be the night he finds the win column.

Mile Hill Aggie She was able to track along last time and just missed hitting the top three. Slightly better draw and Campbell gets the call to drive so we're putting her in the exactors tonight.

W L Roseys Rocket He took advantage of the rail last week and secured the show prize. He's on the outside looking in tonight and the stats indicate he likes to finish third so that's where we'll put him in here.

Race 3 2-3-1

Talldarklatte We loved the way she finished up in her debut closing out in a snappy 28.3. Just a reminder she's been off for a couple of weeks and will be well spotted so expect her to have a big say in the outcome.

Sandhill Spirit Fired to the front and cut it all out before just getting nipped at the very end. Slides out a couple of spots on the wings and Murphy knows her well so it could be win, place, or show.

Irie That qualifier hops off the page going gate to wire and closing in 29.4. There's little doubt she's going to get a sweet trip from here and MacPhee is rolling along so they're a solid choice to complete the tri.

Race 4 6-2-1

My Secret Ability He was closing in at the wire last time and just missed by the slimmest of margins. Moves further outside and MacPhee is back in the bike so he could go one better this time.

Oceanview Miley She was able to follow along last out and picked up the show dough. Lines up in the same spot and has the speed to go with these so we're putting her in our tickets and so should you.

Iditorod Excellent effort last time and he did get that first career win. Lands on the cones and should get a ground saving trip from here so with that in mind we'll call for the bronze.

Race 5 3-2-5

Elm Grove Redwine Zipped off the wings and never looked back going coast to coast like butter on toast. Gets a similar post to work from and Dowling will be flooring it so it could be a repeat performance.

Queen Of Soul She's had some tough luck of late and finishing on the edges. Much better starting point and the price will be generous so there could be an upset brewing from post position two.

Havarti She had to do it the hard way last week and still rallied in for the show spot. Moves in a couple of spots and all of those third place finishes really stand out so we'll call for another one tonight.

Race 6 5-4-7

Plenty Of Purple She's missed the ticket in two straight starts but was up against some tough customers. Exits the stakes trail and with MacPherson at the lines mark her down as our Red Shores value play of the day.

U No Peach She took advantage of a perfect pocket ride and just missed by a whisker last Thursday. Lines up in a familiar spot and Arsenault will have her on the front foot so she could be smiling for the camera.

Sensational Gal Pretty good effort from post eight and remember that was against the A fillies in Summerside. Makes the trek to Charlottetown and it won't be a picnic from out here, but she could sneak onto the ticket.

Value Play **Plenty Of Purple**

Race 7 5-3-6

Northern Belle Have a peek at the line two down where she bossed it from the hop and went right down the Red Shores Summerside highway. We're thinking the game plan may be the same tonight so she's on top of the ticket.

Heatherspet She's missed the board in two straight but was racing up the class ladder. Takes a dip and Badley will have her closer to the pace so we're betting on a bounce back performance from post three.

La Vie En Rose That line four down was rock solid and she was less than a length away at the wire. Just a friendly reminder she does have the fastest win on the page so she could reach up and grab the glory.

THURSDAY, AUGUST 1ST, 2024 (6:00 PM POST TIME)

Race 8 4-5-1

Pretty Blue Angel She had to brave it first up last week and finished on the fringes. Gets some class relief and if she closes in 28 and change, she could cross the line first and reward the punters as well.

Howmac Jazzy Girl Have a look at the line five back where she was a going away winner and fired home in a brisk 28.3. She's at the same level tonight and Murphy knows her best so we say first or second tonight.

Southern Heart That line three down was a good one where she closed in 28.3 to get the saober. Draws the pole position and the price will be right so if you're searching for value this could be the play.

Race 9 4-3-2

New Legacy That was a sharp effort on Thursday fronting it all the and cruising to victory in 1:58. We're betting Hughes will be aggressive off the wings and if that's how it plays out there's a strong chance he doubles up at Red Shores.

Chasin Dreams He's a newcomer to PEI but has been racing well at Northfield. Judging by the lines he can handle a half mile track and with Campbell on board they'll make some noise before it's over.

Windmoredontuworry He shows up to race week in and week out and if you need more proof have a look at the lines. Gets a prime-time post to race from and Corey gets along well with him, so we need to include.

Race 10 3-2-1

Acefortyfour Dome She was sent to the engine and bossed it all the way scoring in 1:55.2. We're wagering the tactics will be the same this week so you may want to hop on board with the Blue Knight.

Plain Jane She's been right there in every start and just missed three back on her program. There's little doubt she's going to get a sweet journey and Campbell knows her very well so be prepared for a good result.

Elm Grove Mistress She's put together another solid season and does have six wins to her name. She also draws the rail and will be tucked in for a long way so we'll take a shot and call for the show spot.

Race 11 4-7-1

Woodmere Delta We'll sum up that first lifetime win in one word...wow! Makes the journey to Charlottetown and with Barrieau back in the seat she'll be on or near the lead at the start and finish.

Windemere Saddy Excellent effort last time out reaching up late to nab the gold. Now she must race from the grandstand side but that was a confidence booster so she could get a piece of it again this week.

Woodmere Katie She was flying on the end of the mile last week and MacPherson timed it perfectly at the wire. Now she draws the rail and coming off that effort we're putting her back in our wagers.

Most Probable **Woodmere Delta**

Race 12 3-1-4

Maggiesdelight She raced great on Thursday and nabbed the runner up spot to Acefortyfour Dome. Takes a minor dip and will be up close from the get-go so don't be shocked if she hits the wire first.

Thinkingofyoubabe She had to move first up last time and paid the price finishing on the edges. Moves to the rail and is going to be covered up for a long way so if you don't want to play the chalk this could be the one.

Lorne Valley Barb We loved that effort four down tracking all the way for the silver. She's also been up against some tough company so with the drop in class she could come calling late and land in the top three.

Race 13 3-2-4

Sugar Bowl She's been up against the best mares on the east coast and more than holding her own. Moves into post three and with the Blue Knight at the wheel this could be the night she returns to her winning ways.

Saulsbrook Abbey She's put together a perfect season and was an impressive winner on June 6th. She's in deeper waters now but has the step to go with this group so expect her to be close if not a winner.

Pasta Momma She never really got into the race last time but remember that was from post eight. She gets a better post to work from and with Campbell at the controls it could be gold, silver, or bronze.

Race 14 3-5-1

Ms Moyse She's been right there in her previous two attempts and check out those closing panels. Just a reminder she did win eight times last year and we like playing trends so she could close the card with a win.

Woodmere Heather M She's been great all season long and has reeled of eight straight victories at Red Shores. Bumps up the ladder and Dowling will have her well placed so nine in a row is a good bet.

Psili Ammos She's never really that far away and that line two back tells the story. She also always seems to be a nice price so with that in mind we're putting her in the Red Shores Super Hi 5.
