Know Your Limit. Play Within It.

Race 1 3-6-4

Century Keyanna She's been right there in all of her starts and knocking on the door for a win. While you're at it check out that snappy closing quarter on July 4th so she could hit the wire first tonight.

Miss Dutton Zipped off the wings and made every call a winning one scoring in 1:57.3. Moves further outside and she may not get that trip tonight but with MacPherson at the controls we say first or second.

Diamond Girl When you look at the lines she's always in the mix and proved it again last week. Lines up in a similar spot and the stats on the page say she likes to finish third, so it makes sense to put her here.

Race 2 3-2-1

Catchafewrays Second and third in her last two appearances and closed in under thirty seconds both times. Gets another great post to race from and we like playing trends so she's on top of the ticket.

JJ Amelia She's been living on the edges for the past few weeks and having to deal with outside posts. Much better starting point and Campbell hops up, so we'll take a shot and put her in the top three.

Mds Girl We liked the way she raced three down just missing by the slimmest of margins. Lands on the cones and will be covered up for a long way so she's a good option to round out the triactor.

Race 3 5-1-2

Oceanview Miley She's been sharp the past two starts and was a gate to wire winner on June 27th. Draws the same post on the wings and Merner is rolling along so with that in mind we'll call for top spot.

Howmac Swanky That was a strong effort in the qualifier drawing off to win by three lengths and closing in 30.2. The good news is he draws the rail and should get a smooth journey so we're putting him in the exactors.

Iditorod He's hit the board in three of five starts and seems to be going a little faster each time out. Slides into post two and Barrieau will have him well placed so it could be gold, silver, or bronze.

Race 4 5-2-1

Shelleys Spirit She was flying on the end of it last time and did secure the show prize. Slightly better draw and if Ford can keep her close, she could come calling late and crack the win column in 2024.

Rosetown Eclipse He was oh so close to winning in the qualifier and did storm home in a snappy 28.4. Moves closer to the rail and MacPherson will have him up close so they look to be contenders in here.

Abiding Art Excellent effort in the qualifier and he kicked home in a brisk 28.2. There's a good chance he'll be tucked in for most of it and the price will be friendly so keep that in mind when you're heading to the windows.

Race 5 1-4-6

Skip Across Have a peek at the line back on May 30th where she drafted all the way and nabbed the deuce. We're thinking a similar journey could be in the works so she's our Red Shores value play of the day.

Sports Icon She's missed the ticket in two straight but was racing up the class ladder. Takes a dip and we're betting Sheppard will be gunning from the get-go and could go right down the Red Shores highway.

Czarspieceofheaven She's been dynamite in her previous two and was a wire to wire winner last out. Moves out to post six but her form is excellent and with Merner at the wheel we like them for part of it.

Value Play **Skip Across**

Race 6 5-2-4

Lady Hess She raced great in her first for a purse finishing second and closing in a quick 28.3. Draws post five and Merner will have her well spotted, so we won't be shocked if she reaches up for that first career win.

Elm Grove Talia Fired to the front in the qualifier and never looked back going coast to coast for the victory. We're wagering Dowling will be pressing the pace and have her on or near the lead at the start and finish.

Fern Hill Jazz She led for a long way in the qualifier only to nipped at the very end. We'll see what Campbell does off the wings but coming off that performance expect her to have a say before it's all said and done.

Most Probable **Lady Hess**

Race 7 1-6-2

Islebetu Islebeatu She's been awesome in 2024 and was just nipped in a photo finish in the Stanfield. Makes the journey back to PEI and faces older horses tonight but with the way her season is going she could win again.

Stonebeachlily She was up against some tough customers in Truro and finished on the edges. Makes the move back to PEI and has the speed to go with these so be prepared for a better result tonight.

Kays Writer She's been on the fringes in her last two attempts but was racing at higher levels. Slides down the class ladder and should get a favorable trip from post two so she could sneak onto the ticket.

Race 8 1-6-5

New Legacy He's been sharp since arriving on the Island and really not that far away. There's little doubt Adam will be guarding the cones and if that's the case he could return to his winning ways.

Jessiejesorjessica We'll tip our hat and say congrats on a well-earned victory last week. She's back on the outside looking in again and Dowling returns so she could score win number four on the season.

Irish Ray He's been great since the start of the meet but can't quite find the winner's circle. Just a reminder he did wins eight times in 2023 and Campbell knows him well so this could be a smart play.

Race 9 2-1-7

Maggiesdelight She was in a early tussle last out but still hung on for the silver. Gets a prime-time post to race from and Campbell is listed to drive so keep that in mind when placing your wagers.

Lorne Valley Barb She's hit the ticket in two straight and closed in a sharp 28.4. It looks like she may be able to draft from here and if that's how it plays out expect her to be a factor at the finish.

Rock N Roll Cays She set some hot early fractions on July 4th and paid the price fading to a fifth place finish. Takes a dip and it won't be easy from out here, but she could land on the scene late and get a piece of it.

Long Shot Play **Psili Ammos**

Race 10 6-5-1

Lady Devine She's been razor sharp for the past three weeks and has a couple of wins to show for it. She's also back in the same spot and with Merner on board it could be a repeat performance.

Thinkingofyoubabe She's hit the ticket in three straight appearances but yet to find the win column. Don't forget she did win 10 times last year so this could be the night she flips the script.

Outrageous Song She's been on the edges for over a month but closer than you think. Takes a minor dip and the price will be generous so if you don't want to play the chalk this could be the one.

Race 11 8-6-7

Outrageous Style She's been right there for over a month and just missed against a good group last out. Now she must race from the fence and Barrieau is coming off a big weekend so she could pull a minor upset.

Woodmere Rollily What a move she made up the backstretch last week zipping to the front and cruising to victory. Moves out a spot and Adam knows her best so she could score a natural hat trick.

Rock The Baby She was able to track along two back and picked up the show prize. She's also dropping down for this assignment and Campbell gets the call so put them in the Red Shores Super Hi 5.
