# 2024 RACE PROGRAM

**TUESDAY, JULY 9, 2024**  
**POST TIME 6:00 PM**  
**OFFICIAL PROGRAM NO. 08**  
**\$3.00**

## TUESDAY, JULY 9TH, 2024 (6:00 PM POST TIME)

### Race 1 1-6-7

**All My Lovin** He looked sharp in the qualifier pocket riding all the way and closing in a brisk 28.4. Lands on the pylons and will be tucked in for a long way so he could win in his first for a purse.

**Dunsan George** He was on the edges in Truro but up against some very tough customers. Exits the stakes trail and looks to have the step to compete so he could crack the win column in 2024.

**Rosiesmighthymoe** He was closing in at the wire last out and just missed in a close finish. Makes the trek to Summerside and with MacPherson at the wheel he's a good option to round out the tri.

### Race 2 4-1-2

**Stealing Bases** She raced well on Thursday night finishing second and not that far away at the wire. She also lines up in the same spot and with Dowling at the lines she could go one better this time.

**ATM Treasurer** When you look at the lines she's always in the mix and proved it again last week. There's little doubt she's going to get a tidy trip so with that in mind we're putting her in the exactors.

**Dusty Lane Zara** She been on the fringes in her previous two attempts but close to hitting the top three. Draws the same spot on the wings and will be up close so she could get the show prize.

### Race 3 5-6-7

**Howmac Powerball** We liked the way he raced two back fronting it all the way and nabbing the runner up spot. We're thinking the tactics could be the same tonight only this time he goes all the way.

**Dusty Lane Zoro** He was flying on the end of it last week reaching up late to get the gold. He's also back on the outside looking in but that was a confidence booster so we're putting him in our tickets.

**Swordfromthestone** He raced well in Truro rallying late to secure the silver. Makes the journey back to PEI and it won't be a picnic from out here but we're confident Heffernan maps out a trip into the top three.

### Race 4 3-1-5

**Arts Beach** She braved it first up the past two weeks and still hit the board both times. Moves into post three and we're wagering Dowling will have her on the front foot so she's on top of the ticket.

**Starshipsalicia** What a trip she went last week reaching up at the very end to get the glory. She's also a little tardy at the start but expect her to be flying late and if that's how it plays out, she could double up.

**Shes A Comedian** Have a look at the line two back where she went coast to coast like butter on toast. She may not get that trip this time but with Brady in the seat she could get the show dough.

### Race 5 3-7-4

**Pownal Bay Colleen** She looked great in the qualifier and if you need more proof check out that fast closing quarter. Slides out to post three and with MacPhee back in the bike get ready for that first career win.

**Its All Good** She was oh so close to winning last out and just missed by a whisker. Now she must race from the grandstand side but coming off that effort expect her to be right there when it's all said and done.

**Camco Karlie** Take a closer look at the chart line because she did close home in 30.1 and was charted in 2:02.4. Lines up in a similar spot and the price will be friendly so this could be a smart selection.

### Race 6 4-2-3

**Saulsbrook Pika** Fired to the front three down and never looked back scoring in 1:58.3. There is speed to her inside, so we'll see what Brodie does off the wings, but we think she hits the wire first.

**Princess Halo** Second and third in her last two starts and just missed by the slimmest of margins. Gets another great post to work from and Murphy knows her well so be prepared for a good result.

**Thinkingofeddie** She's been battling outside posts the past two weeks but gets a better draw tonight. We're wagering Sweet will have her up handy the action and be a factor at the finish.

### Race 7 6-1-7

**Check Your Source** He has a start pending in Charlottetown but was racing up the ladder prior to that. We're thinking Dowling will be aggressive off the wings and have him on or near the lead at the start and finish.

**Bold N Bad** He's coming off a qualifier and makes his first start of the meet from the cones. Just a reminder he did win a couple of times last season and will be covered up from here, so we'll call for the deuce.

**Arnoldthepaperboy** He's been living on the edges for the past two weeks but did close home in 29.4. He's closer to the fence tonight and Heffernan hops up, so we'll take a shot and put him on the podium.

**Most Probable** Check Your Source

### Race 8 5-6-3

**Howmac Charmer** Blasted to the front in the blink of an eye and cruised to victory in 1:56.4. Remains at the same level and Langille is listed to drive so we won't be shocked if it's a repeat performance.

**Freemans Legacy** He's put together a dynamite season and already has four wins to his name. Moves out to post six and Sweet knows him best so he could land on the scene late and make some noise.

**Nassua Hanover** He looked to be a winner last week but was just nipped in the final strides. Bumps up the class ladder and is knocking on the door for a win so if you're searching for value this could be the one.

### Race 9 2-5-4

**Itsuuptoyou** She was storming on the end of the mile Thursday and just missed hitting the ticket. Much better starting point and Murphy gets along well with her so she could get that first win of 2024.

**Showdown** She's been excellent in her last two appearances and was a nice winner on June 11th. Moving on up but gets a better spot to race from so we need to include and so should you.

**Havarti** She raced well two down in Truro firing home in a quick 28.3 for the deuce. Makes the journey to PEI and the stats indicate she likes to finish third so that's where we'll put her tonight.

### Race 10 1-3-8

**Pictonian Storm** He was able to track along two back before reaching up to get it all. Slides down the ladder and is going to get a smooth journey from here so he could be smiling for the camera.

**Starshipzodiac** He took advantage of a perfect pocket ride just missing that first win of 2024. Draws post three and should get a favorable trip most of the way so keep that in mind when placing your wagers.

**Egamer** Take a peek at the line from last week because he was closer than you think. Draws post eight and it won't be easy from out here, but he just might pull the upset and reward the punters as well.

**Long Shot Play** Egamer

### Race 11 4-5-3

**Sauble Attack** He's been up against some tough company and more than holding his own. Moves to the mid pack and one of these times it's all going to go his way and it may even be tonight.

**Coasttocoastshark** He's been right there for over a month but can't quite find the win column. Takes a dip and has the step to go with these so if Jaycob has him close when they turn for home he could cross the line first.

**Rusty Riley** He shows up to race week in and week out and the numbers on the page back it up. Lines up in a familiar spot and Langille will have him well placed so it could be win, place, or show.

**Value Play** Sauble Attack

### Race 12 5-3-2

**Middleton Terror** He's put together a nice season and already has four wins to show for it. He's also back in post five and loves to race at this track so expect him to have a large say in the outcome.

**Mantario** He's one of our favorites to watch race and wasn't that far away last time out. Moves to the middle and he did win eight times last year so keep that in mind when you're heading to the windows.

**Melody Maker** He was sent to the engine two down and cut it all out going gate to wire for the victory. Gets a prime-time spot to work from and with Corey on board he could get a piece of it.

### Race 13 4-6-1

**Usurper** He has a start pending but made a break prior to that. Makes the journey to Summerside and Dowling will be flooring it so he could close the card on a winning note.

**No Fool Mackinley** He's had a rock solid 2024 and the numbers on the page don't lie. Slightly better draw and with Sweet above the wheels they look to be contenders in here.

**Silver Jake** He's missed the ticket in his last couple but was racing at higher levels. Gets some class relief and Wallace will be guarding the cones so we're putting them in the Red Shores Super Hi 5.
