19+ | Know Your Limit. Play Within It.

### Race 1 2-3-6

**Brookdale George** Was a convincing winner on July 19th in 1:57 but couldn't seal the deal in his last three starts. He faces a softer group tonight so I'm betting Langille puts him on the front and they go coast to coast.

**Freight Air** Has great gate speed and should be forwardly-placed in here. MacNeill gets along really well with him so he could be a great exactor play.

**Roll On Lewis** Hasn't drawn inside of post five in quite a while and delivered a terrific performance from post eight last week. He moves in a couple spots on the gate this week so I'm including him in my triactor.

### Race 2 6-5-7

**My Pet Monster** Battled tough competition and post positions in his last two starts so although he has drawn outside again, he should find this field more to his liking. He shows the quickest miles on the page so I'm putting him on top.

**Dilicious** He was back on home turf last week and raced big from post seven firing home in 28.1. A similar effort tonight could put him in the winner's circle.

**Jack Wick** Hasn't been able to crack the top three in his last three starts but shows some speedy miles. If he races as good as he did two starts back he'll be tough to beat.

### Race 3 4-5-1

**Pauls Crown** Had front row seats watching the the three best sophomore colts duke it out for the last month and has been right there with them at the finish. He dodges those colts tonight so he should be the star of the show.

**The Sports Desk** Went the trip of his life two starts back and finished a close second to Heave Away in his latest. He has great gate speed and should be forwardly-placed in here so include him in your exotic plays.

**Ididitmyshui** Did the heavy-lifting on the front last time out and hung on for a narrow victory. He has good early speed so he should be able to draft along in the top three and could hit the ticket at a nice price.

**Most Probable** Pauls Crown

### Race 4 5-1-3

**Winter Blast** He's the class of this field and comes into this race off a solid third place finish where he paced his mile in 1:56. If he can duplicate that effort tonight he could land in the winner's circle.

**Check Your Source** Sat in the pocket and finished a close fourth for Dowling last week at this level. Merner's back in the seat and gets along well with him so he could take the pocket ride behind my top pick and grab the place spot.

**Justcallmedoc** Has been grinding first-up in his last two and faded late in the mile last week so he's in need of a covered-up trip and should get one from this inside post. He usually has a great closing kick so if he gets tripped out he could land on the podium.

### Race 5 2-1-7

**Mac Anover** He has some versatility in his game but will most likely be on the front tonight from post two. He has five top two finishes in his last six and that trend should continue tonight.

**Nassau Hanover** Finally moves inside after two tough trips from post eight. He's been racing great so I'm betting Dowling pushes out to secure a two-hole trip and if he's successful, he could take the passing lane to the winner's circle.

**Hippyjohn** He has great closing speed and is coming into the race off a ground-saving third place finish so his confidence should be high. He gets some much-needed class relief and could pick up the W if the pace is hot early in the mile.

### Race 6 1-2-3

**Century Invictus** Has been battling from post seven in two of his last three starts up in class. He gets some much-needed class and post relief tonight and was a front-end winner at this level four starts back from the rail. Top call.

**Georges Credit** He has good gate speed and should be able to draft in the pocket from post two so I'm betting he holds position and completes the exactor.

**Dylan Sam** He raced big at this level two starts back when he sat in the pocket and finished fourth in 1:56.4. He should be sitting up close to the lead again this week so include him in your triactor plays.

### Race 7 7-3-1

**Silver Jake** Dropped and popped with an impressive front-end victory in 1:55.4 last time out and raced great from off-the-pace two starts back. He moves back up in class but Campbell has been getting along great with him so they could go back-to-back.

**Moonwriter** He always finishes strong and is as consistent as they come. He gets some class relief and has a great starting spot to work from so he's worth a look for exactor players.

**Sharky** He's been trying to overcome poor positions and soft early fractions in his last two starts with little success. He moves back inside and should be sitting closer to the action so he could be a great value play in this spot.

**Value Play** Sharky

## SATURDAY, AUGUST 31ST, 2024 (6:00 PM POST TIME)

### Race 8 2-4-8

**Silver Spirit** He shows some pretty nice miles on his page but doesn't have a lot to show for it. He has good gate speed and drops another class plus Campbell is in the seat so they could go gate-to-wire on top.

**Spack Jarrow** That was a gutsy third place finish from post seven last time out on the class drop. He drops another level and moves in to post four after three trips from outside posts so he'll be tough to beat.

**Selkirk Echo** He's nine for twenty in the top three this year and gets another shot at this NW701 class. He would be on top of my ticket if he drew inside but post eight could be too tough to overcome so I'm putting him in the show spot.

### Race 9 3-6-8

**Howmac Maximus** He just missed last week but that was a valiant effort. He likes a target to chase and has a great starting spot to stalk from mid-pack. If there's hot early speed he could mop them up in the stretch.

**Impeccable Shadow** You don't see this horse on the front too often but he looked great in that front-end win last week. That win should give him some confidence so he'll be a tough out.

**Brookdale Johnny** Has been almost perfect since making the move to PEI in July and has been getting to front uncontested but that could change tonight from post eight. Triactor play.

### Race 10 4-1-3

**Shadows Terror** That was a monster mile last time out when he came first-up on a 54.4 opening half and still hung on for the win in 1:53.1. He doesn't have a lot of early speed so he could be in for a similar trip. Top call.

**Bacononabiscuit** Brushed and crushed last week in 1:54. He has three top three finishes in his last three starts and flashed wicked closing speed so he'll be close again.

**Imalookertoo** He has great early speed and will most likely set up shop on the front. He was an easy winner last week and could go all the way tonight if he's left alone.

### Race 11 4-3-1

**Elroy Shiner** Got roughed up on the front two starts back and faded but bounced back with a solid fourth from off-the-pace last week. I expect Sweet to roll him to the front tonight so if they steal some soft middle fractions they could go all the way.

**Ideal Jet** He was an easy front-end winner five starts back at the NW \$1701. He drops back down and has a great starting spot so he could pick up his 54th lifetime win.

**Nolans Magic Shui** Was a sharp winner from off-the-pace last week but faces a tougher group tonight. He has great closing speed and should be able to map out a stalking trip from the rail. Top three play.

**Longshot Play** Ideal Jet

### Race 12 1-2-7

**Jk Last Chance** He had the rail five starts back and got nosed out at the wire in 1:53.2 by the post two starter in this race. He might go off at 3/1 so he could be an attractive option for win.

**Spectrum Seelster** He could ride along in the two-hole again like he did on July 13th and take his shot in the stretch. He's been a fierce competitor all summer so I wouldn't be surprised if he picks up his ninth win of the year.

**Laughagain Hanover** Had an extremely tough assignment from the rail last week in the top class and finished fourth. He drops back down but has a tough post so I'm betting he grabs the show dough.

### Race 13 4-6-3

**Saulsbrook Ian** Is looking to atone for back-to-back breaks. He bounced back with two wins after making a break on July 14th so I'm betting trainer Jamie Smith makes the needed adjustments and he gets back to his winning ways.

**Rollwithhottytoddy** Found a helmet to follow last week after multiple first-up trips and rewarded his connections with a big win in 1:53.4. If Myles trips him out again this week, he could go back-to-back.

**Island Beach Boy** Raced great on the front last week for Merner. With his stablemate on the rail, he could be pointed to the front again. Top three play.

### Race 14 4-2-1

**Avatar J** That was a solid fourth place finish last week after a month between starts. He should be tighter this week so I'm putting him on top of my ticket.

**Luckiestmanalive** He raced tremendous two starts back and followed that up with a herculean effort last week so I think Damian will put the pedal to the metal again from this inside post. He deserves a win and could get it tonight.

**Navalny** Tried to cut the mile last week and faded late in the stretch. I'm betting Merner takes the two-hole trip this week so include in your exotic plays.
