19+ | Know Your Limit. Play Within It.

Race 1 5-7-3

Roll On Lewis Finished a bang-up second to Brookdale George last week and snagged a solid third from post eight two starts back. He has good gate speed and there isn't a ton of early speed to his left so I'm betting he leads gate-to-wire.

Freight Air He's a little camera shy but has hit the board in seven of his fifteen starts this year. He has good gate speed and should be forwardly-placed again tonight. Exactor play.

My Pet Monster He draws inside after three trips on the outside of the gate. He paced his back half in 57.3 last week so he's worth a look in this spot.

Race 2 3-2-4

Dilicious Came first-up last week and couldn't keep pace in that speedy back half of 58.1. He lands in a soft spot and has a cozy spot on the wings so he could pick up his first career win tonight.

Shill Hanover Shows quick closing quarters in three of his last four starts and has a great post to work from so he should hit the ticket from here.

Dont Come Lookin Got those breaks out of the way and has finished in the money in his last two starts. He continues to improve so I'm including him in my triactor play.

Race 3 1-7-2

Brookdale Ollie Has drawn post seven in four of his last six starts and looks discouraged. He got the class relief he needed in his last two starts but couldn't capitalize due to poor post positions. The stars are aligned tonight so he should pick up his long-overdue first win of the year.

Grand Ave Legend He's tough to beat at this level but post seven will make his path to victory a tough one so use him in your exotic plays.

Power Of Four Has picked up cheques in five of his last six starts while facing some pretty nice horses. He drops down and has a great post so he could pocket ride to a top three finish.

Value Play Power Of Four

Race 4 2-8-3

Hippyjohn He finished third from a pocket trip two starts back at the NW \$1701 level so the drop in class makes him a major threat in this race. He should get another trip up close to the lead from post two so if he has open track late in the mile he should win.

One Rock He made the most of a bad post in his last start and has hit the board in his last four starts. Post eight will be tough to overcome so I'm putting him in the place spot.

Woodmere Sheldon He closed well in that fourth-place finish last time out and shows some pretty nice miles in his last six starts. If you're looking for value to complete your triactor, he fits the bill.

Longshot Play Woodmere Sheldon

Race 5 4-5-2

Heres To Art Had post four two starts back and won from a pocket trip in a Joe O'Brien grassroots division. He should get a similar trip tonight so I'm giving him the nod for win.

The Sports Desk His last three trips have been in the 1:55 range. He's been mixing it up early and shows quick closing quarters to boot so expect an aggressive drive from Sweet and another strong effort from him tonight.

Brookdale George He raced at this level three starts back when he finished a close second behind Good Omen. He's coming into this race off a sharp win so he'll be close at the finish.

Race 6 5-3-2

House Edge Hanover Saw his winning streak come to an end last time out but it wasn't from a lack of effort. He paced his back half in 55.3 and gained seven lengths but had to settle for third place. I expect an aggressive trip with Campbell in the seat tonight so I'm putting him on top of the ticket.

Spectrum Seelster Faced a really tough group last time out and finished out of the money for the second consecutive start so his connections have dropped his claiming price but the competition remains tough. He should be on or near the lead from post two so include him in your exotic plays.

High Voltage Deo The waters have been rough since arriving in PEI with two outside posts and a break in his three trips here. He has a great starting spot and gets some class relief so there could be smooth sailing ahead. Top three play.

Race 7 2-1-3

Macho Phil He's been racing hard since that impressive win in 1:54 on a sloppy track four starts back. He has great early speed so I'm betting Campbell puts him on the smoker and they go coast to coast on top.

Pictonian I Am This horse has a great closing kick and almost went gate-to-wire on top five starts back at this level so if he's close at the top of the stretch he could get the job done.

Ashes To Ashes Has been racing well as he climbs the class ladder and held position at this level last week. If he can get away in the top three he could hit the ticket.

SATURDAY, SEPTEMBER 7TH, 2024 (6:00 PM POST TIME)

Race 8 3-1-5

Ideal Jet Gets This old fella has a ton of back-class and should play the role of aggressor at this level. He shows a front-end victory on his card and finished strong last week so he could pick up his 54th lifetime win.

Selkirk Echo Moves inside after two trips on the outside of the gate. He likes a stalking trip and should get one from the rail. Exactor play.

West Coast Kid He gets a little class relief this week and raced good in his latest where he battled first-up and finished fourth. I'm expecting a similar trip from him tonight so include him in your triactor plays.

Race 9 3-1-2

First Glance He had post three last week against this group and was able to put up all the numbers on route to his 24th lifetime win. I expect Dowling to be aggressive again so they could go back-to-back.

Laughagain Hanover He was on the outside looking in at this group last week and finished up strong. I think he's sitting on big mile and tonight could be the night so I'm hitting the box button on my exactor play.

Tradition Went the trip of his life two starts back and followed it up with a sharp second place finish last time out. He should get another ground-saving trip this week so include him in your exotic plays.

Race 10 5-6-1

Spack Jarrow He finished third from post seven two starts back at this level and did it the hard way. He finished a close second to Silver Spirit last time out but has the inside advantage over him this week so I'm putting him on top.

Silver Spirit He was a sharp winner on the class drop from post two for Campbell last week. He could have a tough trip ahead him from post six tonight so I'm putting him in the place spot.

Melanies Magic Had to chase hot fractions the last time he had the rail and faded in the stretch. He drops in class so I don't think the fractions will be quite as fast tonight. Top three play.

Race 11 1-3-2

Mac Anover He's been on the front-end in his last two starts and hasn't been able to seal the deal off pretty soft fractions. He snapped home in 28 from a pocket trip three starts back and won so Hughes might elect to take a covered-up trip this week. Top call.

Nassau Hanover Didn't have to exert himself too much from post one last week and outsprinted my top play in the stretch. His trip could be more taxing tonight so I'm betting he grabs the deuce.

Rymar Jimbo Wired the field from post two four starts back so he has the ability to leave when he draws inside. He should be forwardly-placed again tonight so include him in your triactor tickets.

Race 12 4-1-5

Bacononabiscuit He's coming into this race off back-to-back wins and has been rock solid since returning to PEI in August. He gets reunited with Campbell so I'm betting he keeps his winning streak intact.

Two Points Has great gate speed so I think Dowling will push out to sit in the pocket. He was a close second to my top play last week and should be close again.

Shadows Terror Went a monster mile two starts back when he won in 1:53.1. He jumped up in class and fought gamely to finish third last time out so I'm expecting a similar trip and result tonight.

Most Probable Bacononabiscuit

Race 13 2-4-3

Roll Em He's riding a two-race winning streak coming into this race and has the inside advantage on his top rivals. I'm betting Campbell rolls him down the Red Shores highway to victory.

Twin B Tuffenuff He raced huge in the Gold Cup and Saucer trial and final. He's going to be doing the heavy-lifting from off-the-pace again this week so I'm calling him for second.

Bee Two Bee Left from the trailing spot in his last two starts and handled it quite well considering he spotted the field two lengths at the start each time. He gets to put his nose on the gate tonight so I think we'll see a big performance from him.

Race 14 7-3-1

Avatar J He didn't miss by much last week and gets to drop another level tonight. I don't like his post position but he has the speed and talent to overcome it so I'm putting him on top.

Gentry Seelster Wired the field from post three two starts back at this level and fought gamely to finish second last week from off-the-pace. Barrieau picks up the live mount and should be able to set up shop on the front. He could win again.

Neptune Seelster Has a great starting spot and drops back down where he could contend for a top three finish. He was an upset winner four starts back from the rail so don't count him out.
