### Race 1 2-3-1

**Bold N Bad** Have a look at the line three back where he stormed home in 29 seconds and just missed by a whisker. Takes a dip and the price will be friendly, so we'll take a shot and put him on top.

**Poplar Artie** Fired to the front two down and was a wire to wire winner at this level. Lines up in the same spot and we're thinking the game plan may be the same today so it could a repeat performance.

**Proudofyatoday** He led for a long way three down before settling for a third place finish. Lands on the pylons and there's little doubt he's going to get a sweet journey from here so it could be win, place, or show.

### Race 2 3-6-4

**Brookdale Thomas** Crossed over in a heartbeat at Red Shores Summerside and cruised to victory over a track rated sloppy. Makes the trek to Charlottetown and Langille will be gunning so it could be two in a row.

**Roll Your Coin** We picked him to win on Monday night and he delivered as the post time favorite. He's back in the same post and Hughes gets along well with him so there's a strong chance he wins again.

**Jack Tar Moxie** We liked the way he finished up last week and remember that was from post seven. Much better starting point and Barrieau remains in the bike so he's a solid choice to complete the tri.

**Most Probable** Brookdale Thomas

### Race 3 3-4-1

**Phil Dorleans** Take a peek at the chart line on October 19th where he was tucked in and closed in 28 seconds. He's back at the same level and Hughes will have him well spotted so they could hit the wire first.

**Impeccable Shadow** We liked the way he raced on Sunday braving it first up and finishing a rock solid second to Macho Phil. Bumps up the ladder but his form is excellent so we're putting him in the exactors.

**Imalookertoo** He was put on the engine last out before fading in the stretch and finishing fifth. When you look at the numbers, he's had a big year and Langille is listed to drive so we're betting on a bounce back effort.

**Value Play** P J Spudland

### Race 4 3-2-1

**Freight Air** He never really got into the race last week but was working from an outside draw. Slides into post three and MacPhee will be pressing the pace so he could go right down the Red Shores highway.

**Swordfromthestone** When you look at the stats he's had a nice year and does have the most money on the page. Gets another prime time post and should be well placed so he'll be close if not a winner in here.

**Brookdale George** He's hit the board in half of his starts this season and if you need more proof have a look at the lines. Now he gets the pole position and will be covered up for a long way, so we need to include.

### Race 5 2-5-7

**Check Your Source** He had to do it the hard way last week and still hung on for the show prize. Moves in a couple of spots on the gate and with Merner at the controls he could be smiling for the camera.

**Joe King** He got that long awaited well deserved victory on Sunday afternoon. He's also in the mix week in and week out so if Hughes has him close at the top of the lane he could double up at Red Shores.

**Blue Monk** He's had it his own way at this level reeling off four in a row in the month of November. It won't be a picnic from out here but we're confident Bradley maps out a trip so we can't rule out a Red Shores high five.

### Race 6 1-2-5

**JK Last Chance** He was able to draft along on Monday and nabbed the bronze against a good group. Remains at the same level and is going to get a sweet trip from the cones so he could return to his winning ways.

**Three Trick Gainer** Blasted off the wings two down and cut it all out only to be collared in the final strides. We're thinking Campbell will have him on the front foot and be on or near the lead at the start and finish.

**Rockemsockem Scott** When you look at the lines he's always in contention and proved it again last time. Lines up in the same post and the stats on the page indicate he likes to finish third, so it makes sense to put him here.

### Race 7 4-5-3

**Avatar J** That chart line on October 13th hops off the page where he was a winner in a season's best 1:53.1. Just a friendly reminder Campbell is back in the bike today, so we'll take a swing and call for the gold.

**First Glance** He had a long tough trip from post eight on Monday night. Slightly better draw today and he likes to be up near the action so we're betting Dowling won't wait long and be a factor at the finish.

**Tradition** That was some effort on Sunday making up a ton of ground and reaching up late for the victory. Moving on up the class ladder and Barrieau gets the call to drive so he could score a natural hat trick.

## SUNDAY, DECEMBER 1ST, 2024 (12:30 PM POST TIME)

### Race 8 3-2-5

**Woodmere Ideal Art** He's put together a fantastic career and those 42 lifetime wins back it up. There's no doubt it will be green light go from here so you may want to jump on board with the Blue Knight.

**Allaboutthecash** We liked the way he raced four back fronting it all the way and scoring in 1:57.2. Gets some class relief for this attempt and with MacPherson at the controls we say first or second today.

**JK Express** Slide down the lines and have a look at that start on October 26th where he just missed by the slimmest of margins. He's back at the same level and with Campbell in the seat this could be a savvy choice.

### Race 9 5-6-4

**Blood Money** He's been up against the bears of late and was charted in 1:54.4. Takes a small drop and this is a talented group but with the way he can fly home he just might get all the marbles today.

**Malignity** He's been sharp the last two weeks and was closing in at the wire last time. He's back on the grandstand side but Langille knows him best so if he's in the mix when they turn for home, he could sweep them all late.

**Time To Dance** He showed his back class last week marching to the front late and scoring win number three on the season. Gets the same post, same class, same driver and another spot in the top three.

### Race 10 5-4-3

**Rymar Jimbo** He had to brave it first over last week and couldn't deliver as the chalk choice. Slides down the class ladder and with dash leader Campbell on board this could be the day he gets it all.

**Leavin Bruises** He's been living on the edges for over a month but racing up the ladder. Moves to the middle and he's won at this level before so keep that in mind when you're heading to the windows.

**Doc Darryl** He's also been on the fringes in recent starts but does have three wins to his name in 2024. It looks like he has the step to go with this group and should be handy the pace so we're putting him in our tickets.

### Race 11 1-4-5

**Luckiestmanalive** He was pointed to the front last week and settled for a second place finish. He also does his best work on the engine so expect Dowling to be firing from the rail and play catch me if you can.

**Macho Phil** We picked him to win last week and he did deliver scoring over a track rated two seconds off. Takes a hike but he's been here before and coming off that performance looks to be a contender again.

**Navalny** He was up against some tough customers last week and missed hitting the top three. Moves in a spot and those closing panels are impressive so he could rally late and get the bronze.

### Race 12 2-5-1

**Wind Blown** He's been battling tough posts the past couple of weeks and missed the board both times. Now he draws inside and Langille will be gunning from the word go so get ready for him to flip the script in the feature.

**High Voltage Deo** He may be the sharpest horse on the Island and the stats on the page tell the story. Moves back outside but in a compact field like this he'll be storming on the end of it and could hit double digits in the win column.

**Bee Two Bee** We'll tip our hat on that excellent effort last week reaching up in deep stretch to get the glory. He's also going to get a smooth journey from the rail and Hughes will be guarding the cones so expect another good result.

### Race 13 2-1-3

**Brookdale Ollie** He hasn't been close in his last two appearances but did have success at this level in the past. Draws post two and we're playing a hunch he finds his game so mark him down as our long shot play of the day.

**Melanie's Magic** He's hit the ticket in his last two starts and both of those were at this level. Moves to the rail and will get a ground saving journey from here so we're putting him in our wagers and so should you.

**Moonwriter** He raced great last Sunday and was oh so close to winning. It was still an excellent effort and all those third place finishes really stand out so put him in the Red Shores Super Hi 5.

**Long Shot Play** Brookdale Ollie
