SUNDAY, NOVEMBER 24TH 2024 (12:30 PM POST TIME)

Race 1 6-3-1

Roll Your Coin He was oh so close to winning last out and less than a length away at the finish. Just a friendly reminder he does have the most money on the page and looks to have the step so he could find the win column in 2024.

Jack Wick We liked the way he raced three back closing in 29 seconds and securing the bronze. Lines up in the same spot and those final panels are rock solid so we say first or second today.

No Mo Fear He was put on the point two down and never looked back going coast to coast for the win. There's little doubt he's going to get a tidy trip from the rail so keep that in mind when placing your wagers.

Race 2 1-6-4

Justcallmedoc He's been living on the edges for over a month but does draw the rail for this assignment. Slides down the class ladder and will be up handy the pace so this could be the day he turns it around.

J J Kinley Another horse that's been on the fringes but does have a good finishing kick. Moves out to post six and Dowling is listed to drive so if David has her close when they turn for home, she could be upset minded.

Watch Her Go She was able to follow along three back and just missed by the slimmest of margins. Moves into post three and dash leader Campbell hops up for a spin so this could be a savvy choice.

Race 3 3-5-7

Rymar Jimbo He's missed the board in three straight starts but racing at higher levels. Slides down the class ladder and Campbell will have him well placed so he could score win number five on the season.

Doc Darryl Have a peek at the line on September 28th where he drafted all the way and was a winner in 1:57. He's back at the same level and Sheppard knows him best so we think they're a factor at the finish.

Ashes To Ashes He never really got into the race last week but remember that was from post six. Gets some class relief and remains outside but he could come calling late and make some noise.

Race 4 6-3-5

Woodmere Kennedie She was hustled to the front Tuesday night in Summerside and was a going away winner over a sloppy track. Makes the trek to Charlottetown and Dowling won't wait long so she could score a natural hat trick.

Shelleys Spirit We'll tip our hat to colleague Kurt Hughes for having her on top of the ticket last week. Moves in a couple of spots and that was a confidence booster so expect more of the same today.

Woodmere Lizzie When you look at the lines she's mostly in the mix and does have a couple of wins to show for it. Moves out to post five but she's been here before and Merner gets along well with her, so we'll call for third.

Most Probable Woodmere Kennedie

Race 5 3-2-8

T H Boomtown He's been perfect since arriving on the Island and made it six in a row last Saturday. He's in deeper waters now but Barrieau will have him up near the action so he just might keep the winning streak alive.

JK Last Chance We loved the way he performed on October 13th tracking all the way and just missing at the very end. It looks like a similar trip could be in the works and if that's how it plays out, he's a serious contender in here.

First Glance Fired to the front in Summerside and led for a long way before just getting collared in the final strides. He may not get that trip today but with Dowling in the seat he'll be heard from before it's over.

Race 6 2-3-5

Acefortyfour Dome Excellent effort three back where she stormed home in 28.4 to get top spot on the podium. Lines up in a prime-time position and Hughes will be gunning from here so she could hit the wire first today.

Rosetown Mary She's put together and excellent 2024 season and the stats on the page don't lie. Slides out to post three and this is a great partnership so expect her to be flying late and contend for the win again.

Sugar Bowl She's been razor sharp for over a month and was a wire to wire winner two down. We'll see what Barrieau does off the wings but in a compact field like this she could be first, second, or third.

Race 7 4-5-6

Tony Too Tall Blasted off the wings three back and raced great finishing second and closing in a swift 28.3. We're thinking the tactics could be the same today only this time he goes all the way.

Time To Dance He left hard last week from post six and was a game second to Malignity. Slightly better draw and there is speed to his inside but with all that back class he'll be right there when it's all said and done.

Malignity He didn't sit long last week and once he cleared to the lead it was lights out for the competition. Now he must race from the grandstand side but coming off that trip we aren't about to leave him out.

Value Play Jewels Dragon

Race 8 1-2-3

Ms Moyse We picked her to win last out and she raced great just getting nipped in a photo finish. Remains at the same level and is going to get a sweet journey from here so she's on top of the ticket.

Elm Grove Mistress She's been one of the most consistent horses on the Island the past two seasons and those 22 wins back it up. There's no doubt she does her best work on the engine so you may want to hop on board.

Rock The Baby That line four back hops off the page braving it first up and winning from post seven at long odds. You may not get that price today but if you're searching for value this could be the one.

Race 9 3-2-4

Roll Em He was in an early tussle last week and did make the front but was collared at the wire by High Voltage Deo. We're betting Marc will want to boss it again and go right down the Red Shores highway for win number ten in 2024.

High Voltage Deo He was absolutely flying on the end of it last week reaching up late to get all the marbles. Lines up in a similar post and those closing quarters jump off the page so it could be three in a row.

Bee Two Bee He had post seven last week and never really got into the mix. Much better starting point and check out those brisk final panels so if you don't want to play the chalk this could be a smart selection.

Race 10 5-3-8

Nolans Magic Shui When you look at the numbers he's had a nice year and does have five wins to his name. Takes a dip and can really storm home so there's a strong chance he closes the card on a winning note.

P J Spudland He's raced well since arriving on the Island and the numbers on the page tell the story. Moves off the cones and Barrieau will have him well spotted so we're putting him in the Red Shores Super Hi 5.

The Sports Desk He was up against a good group last week and rallied in to get the deuce. It won't be a picnic from out here, but MacPherson is rolling along so he's our long shot play of the day.
