OFFICIAL PROGRAM NO. 61

SUNDAY, NOVEMBER 3RD, 2024 (12:30 PM POST TIME)

Race 1 2-1-6

Selkirk Echo He had to do it the hard way last week and settled for a sixth place finish. Much better starting point and Barrieau will have him on the front foot right from the get-go so he could kick off the card with a win.

Check Your Source When you look at the lines he's always in the mix and has hit the board in four straight. Gets the pole position for this assignment and will be tucked in so with that in mind we need to include.

Spack Jarrow We liked the way he raced two back tracking all the way for the runner up spot. He may not get that trip this time but with dash leader Campbell on board it could be win, place, or show.

Race 2 2-3-1

Betterdealmein Zipped off the wings last Saturday and went coast to coast like butter on toast. We're thinking the game plan will be the same today so if he does get to the front he could score a natural hat trick.

Roll Your Coin Take a closer peek at the line from last week where he closed in 29.3 and was charted in 1:56.2. Exits the stakes trail and just a reminder he does have the most money on the page so we'll call for the deuce.

Cheewiwiz He looked to be in a good spot last out but faded to a sixth place finish. He was sharp prior to that and is going to get a sweet journey from the cones so we're betting on a bounce back performance.

Race 3 1-2-3

Jetster We loved the way he raced three back bossing it all the way and just getting collared at the very end. We're wagering Desroche will be aggressive off the wings and could go right down the Red Shores highway.

Zaidans Luck He's been battling tough posts the past two starts and finished on the edges both times. Slides into post two and is going to get a tidy trip from here so we're putting him in the exactors.

Sunseeker Another one who hasn't had much luck at the draw but does get post three for this attempt. Takes a dip and looks to have the step to go with these so he could find the win column in 2024.

Race 4 1-4-5

Woodmere Rocketman We liked him for part of the ticket on Saturday and he delivered rallying in to nab the silver. Lands on the cones and will be closer to the action so he could go one better this week.

No Mo Fear He was closing in at the wire in Summerside and only a length away when it was all said and done. Makes the trek back to Charlottetown and that was a confidence booster so he's back in the top three.

Big Pond Cash He was on the front in the qualifier and went gate to wire in 2:02.2. Moves out to post five and we'll see what Campbell does off the wings but we're betting he has a say in the outcome.

Race 5 3-4-5

T H Boomtown He's been perfect since arriving on the Island and was a going away winner closing in 28.1 and charted in 1:55.2. Moves off the rail and Barrieau won't wait long so we're calling for a Red Shores high five.

Howmac Exclusive Excellent effort two back drafting all the way and he was rewarded with the silver. Slightly better draw and the stats on the page indicate he likes to finish second so that's where we'll put him today.

Sonny Black He raced great last week braving it first over for the deuce and closed in a snappy 28.3. Remains at the same level and with McGuigan back in the bike they look to be contenders in here.

Most Probable T H Boomtown

Race 6 7-2-4

Malignity We picked him to win last week and raced well just getting nipped in the final strides. Takes a dip and moves closer to the fence but we're confident Langille maps out a trip to the winner's circle.

Burn Out Hanover Blasted off the wings from post seven and led for a long way before fading to a third place finish. Makes the journey to Charlottetown and gets a better spot to race from so be prepared for a good result.

Mr Rielly First, second and third in his last three attempts and doing it against some very nice horses. Moves to the middle and the price will be friendly so if you're searching for value this could be the play.

Long Shot Play Mr Rielly

Race 7 6-4-2

First Glance He's missed the ticket in three straight starts but was up against some very tough customers. Slides down the class ladder and does have eight wins in 2024 so this could be the day he flips the script.

Imalookertoo He's been living on the edges for over a month but racing at higher levels. Takes a dip and Sweet will be gunning from here so expect him to be on or near the lead at the start and finish.

Shadows Terror Gold and silver in his last two and that win was in 1:55.2. The good news is he gets another prime-time spot to work from and MacPherson is listed to drive so he'll be a factor at the finish.

Race 8 5-2-6

Tony Too Tall He's faced the bears most of the season and more than held his own. He's also had a couple of weeks off and should be fresh so if Heffernan has him close at the top of the lane it could be picture time.

High Voltage Deo He's been sharp for over a month a did reel off three in row prior to last week. Gets some class relief and MacPherson knows him well so he'll be close if not a winner in here.

Jewels Dragon Big time effort from post six finishing third and charted in 1:52.2. He's back in the same spot and those closing quarters really stand out so he could be worth a sprinkle today.

Race 9 4-5-1

Two Points He was put on the point and never looked back scoring a hat trick last Saturday. We're thinking Dowling will be pointing him from the same post today so get ready for a Red Shores grand slam.

Moonwriter Have a peek at the line two down where he stormed home in 28.2 and just missed by a whisker. It looks like a similar trip may be in the works and if that's how it plays out, he'll be part of it again.

Mac Anover He was able to track along two back and just missed hitting the top three. Draws the rail and Hughes will be guarding the cones from here so you may want to hop on board with the Blue Knight.

Race 10 1-4-5

Allaboutthecash He's had a bumpy ride the past month but does have the most wins and the fastest time on the page. There's no doubt he's going to get a favorable journey from here and could return to his winning ways.

Solid Silver When you look at the stats in 2024 he's always in the mix and those nine second place finishes hop off the page. Moves to the mid pack and those closing quarters are solid, so we say first or second.

Ashes To Ashes He's had a pretty good 2024 season and the numbers on the page tell the story. Moves a little further out on the gate and loves to finish third so it makes sense to put him here.

Race 11 3-4-1

Twin B Tuffenuff We had him on top of the ticket last out and he delivered big time scoring in 1:52.3. He's put together an awesome season and this is a great partnership so they're on top of the podium.

Bee Two Bee He looked to be in a good spot last week drafting all the way but couldn't deliver as the chalk choice. Moves to the middle and he's won from here before so don't be shocked if he gets the glory.

Blood Money He was flying on the end of it last week closing in 28.1 and winning in 1:52 flat. It was an impressive effort and he's moving up to face the big dogs but will be tucked in and could sneak onto the ticket.

Value Play Wind Blown

Race 12 4-3-1

Evil Vintage He's been right there for over a month but can't quite find the winner's circle. Takes a minor dip and moves to the middle so this could be the day he seals the deal.

Hippy John He's hit the board in three straight appearances and was a winner two down on his card. We're thinking Arsenault will be aggressive from the word go and if that's the case he'll get a piece of it.

Rockemsockem Scott Eleven for eighteen in top three finishes and proved it again last week. He's back at the same level and will get a smooth journey from the rail so put him in the Red Shores Super Hi 5.
