| Know Your Limit. Play Within It.

Race 1 7-3-2

Evil Vintage He shows two trips in 1:55 in his last six starts and has raced well against much tougher company so the drop in class should put him front and center today.

Little Taggs Was a close third at this level last week and now moves in two spots on the gate so he should be close again.

Braxtons Boy He shows good gate speed at Rideau and has a great post so I'm betting Campbell points him to the front. He could hit the ticket if he gets things his way.

Longshot Play Braxtons Boy

Race 2 4-1-5

Dusty Lane Levi This guy looked impressive in his maiden-breaking victory last week. He faces the same group so I'm betting he romps again.

The Tulsa King Raced better last week but couldn't keep pace with Dusty Lane Levi in the final quarter. He has a great post so he could be second best again this week.

Allaboutthebet Made a break last week but recovered to finish third. If she stays flat she could contend for the deuce.

Most Probable Dusty Lane Levi

Race 3 4-5-3

Write The Rules She has three wins and a close second in her last five starts and has shown some versatility. If Dowling can get to the front uncontested, she could wire this field.

Baby Step Back Staged a nice late rally to finish second to Woodmere Kennedie last week and has hit the board in five of her last six starts so I'm including her in my exactor play.

Outrageous Song Hasn't finished her miles well in her last three starts so she's a risky play. She was a winner at this level six starts back so I'm hoping the class drop will help get her back on track.

Race 4 1-5-4

Lady Willa Showed fast early speed last time out so I expect Colin to push out to cut the mile. She could go gate-to-wire if they steal some soft early fractions.

Sensational Gal She tried to cut the mile last week and faded in the stretch. She raced great from off-the-pace in the past so I think we'll see a patient steer from Barrieau this week. Exactor play.

Watch Her Go Performed well for Campbell in her latest and Marc is back in the seat again this week so she should be close again.

Race 5 8-6-7

Carnival Heart Shows some nice miles over the half mile oval in London in 2023 but this is her first start of the year and she has the dreaded eight hole so proceed with caution.

Sagali Tried to bottom out the field on the class drop last time out but got collared late in the mile. She faces a softer group today so include her in your exotic plays.

Southern Heart Came up with a big deuce two starts back at this level from post six and has unfortunately drawn another poor post today so she'll need some racing luck. Top three play.

Race 6 2-3-4

Elm Grove Mistress Has reeled off three in row and all three trips have been front-end missions. With post two, I'm betting Hughes points her to the front and they make it four in a row.

Woodmere Kennedie Also has a three-race winning streak coming into today; her latest win was a monster effort on the off track. She's full of confidence so include her in your exotic plays.

Ms Moyse Was rebuffed by Elm Grove Mistress last time out and unfortunately has to face her again today from the outside so I don't think she can win but she's a great option for triactor players.

Race 7 6-7-3

New Legacy Had the inside advantage over Fight Song last week and Dowling executed the perfect trip on the front. They've drawn inside Fight Song so we could see them cruise to victory again this week.

Fight Song Had three dominant victories before that lackluster effort last week. He looked disinterested for most of the mile so hopefully that doesn't spill over into today. If Hughes rushes him off the gate today he can contend for the win.

Curadhi Had a perfect trip from the rail last week and finished runner-up to New Legacy. He has a good starting spot again today so include him in the triactor.

SATURDAY, NOVEMBER 30TH, 2024 (12:30 PM POST TIME)

Race 8 2-7-1

Starshipsalicia She's been excellent at this level over the last six starts and almost got the job done last time out for Campbell. Marc's back in the seat and they have post two so she should be a top contender today.

Unbridled Fury Raced like she was part machine last week. She was parked the entire mile, lost the lead around the last turn, and battled back to win. Post seven will make her path to victory tough today so I'm putting her in the place spot.

Harlequin Romance She has a win and two thirds from the rail right on her card so I'm using her for third on my ticket.

Race 9 1-2-5

Woodmere Rollily Tried her luck against the top mares last time out and finished off the podium. She drops down where she's been quite successful this year and has the pole position which makes her the one to beat.

The Lady Sheriff She was three-wide for quite a while last week but kept digging right to the wire to grab the show dough. Marc's back at the controls today so I expect her to contend for the deuce.

Jm Sportsfan Looked like she was done at the 5/8's after coming first-up but then fought back on to finish second when The Lady Sheriff challenged her. She looks like a tough horse to drive but Steve gets along great with her. She could be close again today.

Race 10 3-5-2

Redland Misspretty Was stung early and had to settle for fourth last week and she had a tough journey against the boys two starts back on a track with a five second variant. She drops another class and has a great post so I'm betting Paul uses her great gate speed to cut the mile and go coast to coast.

Woodmere Heather M This mare continues to dominate this class and the type of trip doesn't seem to matter. If there's a speed dual up front, she could mop them up and notch her 18th win of the year.

Windemere Saddy That was a big opening half for this filly on the off track last time out and she paid for it late in the mile. I expect Campbell to cover her up today so I'm putting her in the show spot.

Value Play Redland Misspretty

Race 11 6-2-4

Shake N Blake Scooted up the passing lane to finish second by a neck two starts back and won from off-the-pace in her latest. She looks like she has their number so I'm putting her on top.

Rosetown Mary She's a contender when she draws inside against these top mares. She should be forwardly placed again today so if she can skim the cones, she could be standing in the winner's circle.

Sugar Bowl Was hot on Shake N Blake's heels at the finish in her latest and post four is the perfect spot to trip out again this week so she's another great option for win.

Race 12 6-1-4

Elroy Shiner Was put on the front last week and almost went gate-to-wire but got collared by a nice horse in Tradition. He should get to the front again today so I'm putting him on top of my ticket.

Laughagain Hanover Hasn't raced in roughly six weeks so there's going to be some rust. He has the rail and lots of back class so I'm including him in the exactor.

Hippyjohn Sat along the inside and made a late move to finish second last week so if Kenny can work out a similar trip, he could hit the ticket.
