(12:30 PM POST TIME)

#### Race 1 6-3-2

**Laughagain Hanover** Dipped in class and hit the board in his last two starts. He gets another scoop of class relief this week so I'm betting his back class kicks in and pushes him across the line first.

**J K Express** He's another class-dropper with a great shot at winning this race. His key to victory is finding a live helmet to follow and his next door neighbor, Little Taggs, could provide that cover.

**Little Taggs** He's been racing excellent over his last four starts and his last two starts have been front-end missions that resulted in a first and second place. He has a great post so Merner might point him to the front again. Top three play.

#### Race 2 3-1-2

**Blue Monk** Reeled off five in a row prior to being roughed up from the eight hole in his latest. Moves into a new barn off the claim and moves in a few spots on the gate so he could start a new winning streak for his new connections. Top call.

**Joe King** Has rail control and should be forwardly-placed in here so another top two finish is possible for this ultra consistent son of Mystery Chase.

**Check Your Source** Has good gate speed and could grab a pocket trip behind my top pick. He faded late in the mile last time out so he'll have to be better to land on the podium today.

#### Race 3 3-4-6

**Dusty Lane Levi** After dominant back-to-back wins, this two-year-old son of Lather Up was a distant second to Sensational Gal in his latest. He faces a much easier group today so he should romp to his third lifetime win.

**Roll Your Coin** He gets some post relief after three trips on the outside of the gate. He came away with a win and two thirds in those three trips so he could be really close again. Exactor play.

**Jack Tar Moxie** Has rallied from off-the-pace in his last three starts and will most likely have to rely on that closing ability from post six. He looks like the best of the rest so include him in your triactor plays.

**Most Probable** **Dusty Lane Levi**

#### Race 4 6-3-4

**Doc Darryl** Hasn't raced at this level in quite a while so the class relief should help. I'm not crazy about his post position but he's versatile so whether he's up close to the lead or at the back of the bus, he could win from either trip.

**Silverhillightnin** Closed up strong in his latest as he scooted up the inside for silver. He's rounding into form and Campbell gets along well with him so include him in your exactor play.

**Redland Sampson** He raced super three starts back when he rallied from off-the-pace to finish second to Blue Monk. Kenny tried different tactics last week but the early tussle caught up with him late in the mile. I'm betting Kenny covers him up today so I'm putting him in the show spot.

#### Race 5 8-4-2

**Bacononabiscuit** He's about as game as they come and his last four starts show how he loves to compete. He doesn't mind roughing it on the outside which bodes well for him with post eight. I'm betting he outwills this field.

**Luckiestmanalive** He's turning into a one-trick pony. He loves the front-end and it doesn't seem to matter if he gets a breather or not. He moves back inside after a no-factor eighth place finish from post eight so I expect Dowling to use the 'all gas, no breaks' game plan with him today.

**Two Points** Hasn't looked out of place at this level in his last two starts after being claimed for \$7,000 three starts back. He has good gate speed and a great post so he could take the pocket ride to a top three finish.

#### Race 6 6-2-5

**Sonny Black** Dominated at this level three starts back and didn't look out of place in his last two against some pretty nice aged horses. He looks like a tough horse to drive but Mike does a great job with him. He's the one to beat in here.

**Brookdale Thomas** Scored back-to-back wins on the front and then lost in a tight win photo last time out. He's full of confidence and he has a great post so I wouldn't be surprised if his nose hits the wire first today.

**Freight Air** Has a win and two thirds in his last five starts but made an unfortunate break last time out. He has good gate speed so I'm hoping he shakes off that break and bounces back with a big effort.

**Longshot Play** **Freight Air**

#### Race 7 2-1-4

**Jewels Dragon** He's been chasing the best horses in the Maritimes for quite a while and has picked up cheques. He drops down in class and has a great post plus he's long overdue for win so I'm putting him on top.

**Navalny** He's a high speed horse and should map out a beauty trip from the rail. He has 11 top three finishes from 23 starts this year and comes into this race fresh off a second place finish. He's a little camera shy but could grab the deuce if things go his way.

**Silver Spirit** He dropped and popped for Barrieau last week in a sharp mile of 1:58.4 on a track rated two seconds off. He jumps up in class but that win should give him some confidence so include him in your triactor plays.

#### Race 8 5-4-1

**Time To Dance** Had an impressive win from off-the-pace two starts back and has been competing against much tougher company all year long. If Barrieau puts him on the front and they get a breather, it could be picture time.

**Macho Phil** Saw his two-race winning streak come to an end last week when he finished a distant fifth to a very talented group. Not sure if he can win this race but he's worth look for those playing the exotics.

**Nolans Magic Shui** Has been on his game over the last three starts and was rewarded for his efforts with a W last time out. He doesn't have great gate speed so the rail could help get him spotted closer to the action. If he's close at the top of stretch, he might get it all.

#### Race 9 1-4-2

**Well Said Celeb** He's been picking up cheques while facing tougher competition over his last six starts so the dip in class and pole position could give him the edge he needs to put one in the win column.

**Hippyjohn** That was a tough trip for him last time out from the eight hole but if you look at his two previous starts you'll see pretty nice efforts. He moves back inside and gets some class relief so he could contend for the win.

**Mac Anover** He raced big last week in that first-over trip that resulted in a victory. He has a favorable post again this week and should trip out following my top choice so include him in your triactor tickets.

#### Race 10 7-3-1

**Elroy Shiner** Has two wins and two seconds in his last five starts and he's fresh off a win. He loves the front so if he can get to the lead uncontested, he could pick up his 35th career win.

**Well Did** Was a close second at this level two starts back and has a great post to work from so you can never count him out. He's looking for his 59th career win and could get it if my top pick gets roughed up.

**Ideal Jet** Horses that know what it takes to win is the angle I'm playing in this race. This guy has 55 lifetime wins and comes into this race off a sharp second place finish where he kicked home in 29 seconds. He should be close again today.

#### Race 11 6-1-3

**Bee Two Bee** Reeled off two straight wins prior to that fourth place finish last week. He's been racing great from off-the-pace this year and will most likely need to rely on that experience with post six today. If he gets some live cover to follow, he could sting them in the stretch.

**No Plan Intended** That was an impressive effort in his first start off the bench when he closed to finish second to Wind Blown. He has the pole position and should be better than he was last week so I'm using him for second in the exactor.

**Roll Em** He continues to bring his 'A' game every week and hasn't missed the podium in quite a while. That trend should continue from this inside post so include him in your exotic plays.

**Value Play** **Bee Two Bee**

#### Race 12 4-1-3

**Braxtons Boy** This was a nice acquisition by Armstrong and Gallant as he has picked up a win and a second in his first two starts in PEI. That was an impressive win last time out and he faces a similar group today so I'm betting they go back-to-back.

**St Charlesfireball** Has hit the board in his last two starts but finished a distant second to my top pick so we could see a repeat in the exactor.

**Howmac Agustus** Was an off-the-pace winner at this level two starts back for Merner. Adam is back at the controls this week so they could contend for a top three finish.

Whether you're playing at the table games, slot machines or wagering on the races, it helps to know as much as possible about each game, like the odds of winning and losing.

### HERE ARE THE FACTS BEHIND SOME OF THE MOST COMMON GAMBLING MYTHS:

GAMBLING  
IS NOT A  
GOOD WAY TO  
MAKE MONEY

THE CHANCES OF  
WINNING DO NOT GET  
BETTER AFTER YOU  
HAVE LOST

THE MORE  
YOU GAMBLE  
THE MORE YOU  
WILL LOSE
