### Race 1 8-7-2

**Starship Glyde** He made up a ton of ground last week and did rally in to get the deuce. Just a friendly reminder it was his first start since early October so he should be a little tighter this week and could hit the wire first.

**Dylan Sam** He's been razor sharp the last two outings and got a well deserved win last Saturday. He's back on the outside and this is a good partnership so expect them to have a big say before it's all said and done.

**Power Of Four** Take another peek at the line from last week because he was closer than you think. Much better starting point and Campbell will have him well spotted so he's a good option to complete the triactor.

### Race 2 5-3-1

**Woodmere Betcha** Fired to the front in her career debut and went coast to coast for the win. Moves out a couple of spots and Merner won't wait long so there's a strong chance she doubles up at Red Shores.

**The Tulsa King** He raced well last out tracking all the way and securing the silver. We're thinking McGuigan will be aggressive off the switch and have him up near the action, so we say first or second today.

**Big Pond Cash** He was tucked in most of the way last week and closed out in 29.2 to nab the bronze. He's also back on the rail and it looks like a similar trip could be in the works, so we'll call for the show spot.

**Most Probable** Woodmere Betcha

### Race 3 3-7-5

**Ms Meaghan Sparkel** Have a look at the chart line back on October 24th where she cut it all out and was just nipped at the wire. We're wagering the tactics may be the same today so she's our value play of the day.

**Woodmere Heather M** She had to do it the hard way last week but did get win number 18 on the season. Now she must race from the grandstand side but with Dowling at the wheel we can't rule out a repeat performance.

**Elm Grove Penney** When you look at the lines she's always in the mix and proved it again last week. Slides out to post five and all those third place finishes really stand out so we'll call for another one today.

**Value Play** Ms Meaghan Sparkel

### Race 4 2-3-5

**Sagali** She was sent to the point last week and led all the way for win number three on the season. Gets another prime time post to race from and Bradley will be flooring it from here so it could be three in a row.

**Watch Her Go** She got a dreamy pocket trip last out and nabbed the runner up spot. We're betting a similar journey could be in the cards and if that's how it plays out she may even reach up and get the gold.

**Greystone Shad O** She raced well last Saturday and did kick home in a solid 29.1. Moves out a couple of places on the gate but in a compact field like this she could come calling late and get a piece of it.

### Race 5 8-6-1

**Carnival Heart** She raced great from post eight two starts back and just missed by the slimmest of margins. She's back on the grandstand side and with Desroche at the lines she could go one better this time.

**Ubettimagoodone** She was issued a Red Shores parking ticket on Saturday and paid the price fading to a fifth place finish. Slightly better draw and if she does clear to the lead, it could be catch me if you can.

**Allaboutthebet** She's hit the board in four straight starts and was a winner back on November 14th. Lands on the cones and the numbers on the page indicate she likes to finish third, so it makes sense to put her here.

### Race 6 1-3-5

**Southern Heart** She's bossed it from the word go last week and was an impressive gate to wire winner from the rail. She draws the same post, and MacPherson will have her on the front foot so she could win again.

**Red Dirt Diamond** Excellent effort last time out closing in 30.1 to nab the silver. Lines up in the same spot and Clow gets along well with her so if you're searching for a price this could be the one.

**Heatherspet** We picked her for part of the ticket last week and she delivered by grabbing the show dough. Moves a little further out on the wings and Merner is back in the bike so we're putting them in our tickets.

### Race 7 3-4-1

**Curadh** He's faced the big dogs most of the year and more than held his own. Exits the Open for this attempt and those closing quarters are solid so if Desroche has him close at the top of the lane, he could get all the marbles.

**Chasin Dreams** Blasted off the wings four back and went right down the Red Shores highway for the victory. We're wagering Campbell will be gunning and if he does get to the front, it could seal the deal in here.

**Glider Man** That line four down hops off the page where he just missed from post seven. He's back at the same level and knows how to win so there could be an upset brewing from the rail.

**Long Shot Play** Glider Man

## SATURDAY, DECEMBER 14TH, 2024 (12:30 PM POST TIME)

### Race 8 3-2-1

**Poplar Artie** Zipped off the wings and fronted it all the way cruising to victory in an impressive 1:59.1. Lines up from post three and Campbell will be pushing the pace so we're calling for a natural hat trick.

**Justcallmedoc** He was able to follow along last Saturday and really not that far away at the finish. Moves in a couple of spots on the gate and should be handy the pace so we're putting him in the exactors.

**Luigi Bizzacko** We liked the way he raced last week closing in 30.3 to get the show prize. Now he draws the rail and will be covered up for a long way so with that in mind he's back in the top three this week.

### Race 9 1-2-4

**Woodmere Rollily** We've said it before she's one of the most consistent horses on the Island and proved it again last out. She's also going to get a sweet journey from here so it could be picture time.

**Ms Moysie** She looked to be in a good spot last week but never really fired and settled for a fourth place finish. Gets a great draw to work from and will be tucked in so we're betting on a bounce back effort.

**Elm Grove Mistress** She's put together another amazing year and those 13 wins jump off the page. Moves to the middle and she does her best work on the front so you may want to hop on board with the Blue Knight.

### Race 10 6-5-4

**Fern Hill Indigo** Dowling didn't wait long last week clearing at the half and cruising to victory in 1:58.1. She lines up on the outside but it didn't seem to bother her last week so she's back on top of the ticket.

**Rock The Baby** She did all the road work last week and raced great just getting collared in the final strides. It was still and excellent effort and with Langille at the controls expect more of the same today.

**Psili Ammos** She flies under the radar a little bit but when you look at the lines she's usually in the mix. Moves to the mid pack and can really fly home so she could sneak onto the ticket from here.

### Race 11 4-1-2

**Baby Step Back** She's been right there for the past three weeks but can't quite find the winner's circle. Moves into post four and if she closes in 28 and change this could be the day she finds the win column.

**U No Peach** She was able to follow along last week and just missed hitting the top three. The good news is she draws the rail and is going to get a ground saving journey so keep that in mind when placing your wagers.

**Sahara Sunshine** She's a newcomer to PEI but did pace a trip in 1:54.1 at Rosecroft two back. Makes the move to Charlottetown and looks to have the step to compete so it could be win, place, or show.

### Race 12 1-5-4

**Tobins Brownie** We loved the way she raced last week drafting all the way for the deuce. It looks like a similar trip could be in the works and with the way she can sprint home she could reach up and grab the gold.

**Sugar Bowl** We picked her to win on November 30th and she delivered brushing and crushing to victory. While you're at it have a look at the lines and you see she rarely misses the top three, so she'll be close if not a winner.

**Rosetown Mary** Excellent effort last week fronting it all the way and scoring win number eight on the season. She may not get that trip this week but with the way she can close expect her to be a factor at the finish.

### Race 13 1-3-5

**Windemere Saddy** She was oh so close to winning last out and only a length away at the wire. Lands on the pylons and it looks like she may be able to draft all the way and could close the card on a winning note.

**Promise Me Later** She's gone wire to wire in her last two appearances and looked good doing it both times. We're thinking the game plan will be the same today so we can't rule out a threepeat.

**Unbridled Fury** She had a long tough trip from post seven and finished on the edges. She was sharp prior to that and Barrieau is listed to drive so put them in the Red Shores Super Hi 5.
