Race 1 4-6-3

Allaboutthecash He made an early break last time and never really got into the race. Moves to the middle and just a friendly reminder he does have the fastest win on the page so he could get it all in the opener.

Evil Vintage Take another peek at the line from last week because he was closer than you think. Slides down the class ladder and has the step to go with these so this could be the day he turns it around.

Silverhillightnin He was sent to the point and led for a long way only to be collared in the final strides. Remains at the same level and we're thinking he'll be up close to the action so it could be win, place, or show.

Race 2 2-3-4

Marc It Up He was able to draft along last time and just missed by the slimmest of margins. We're betting Langille will be flooring it from here and be on or near the lead at the start and finish.

Gascoigne A C He looked pretty good in the qualifier last Saturday reaching up late to get the win. Judging by his previous chart lines he looks to have the speed to compete so we're putting him in our tickets.

Jack Tar Moxie We liked the way he raced three down closing in 30 seconds to nab the deuce. He's back in the same spot and if Barrieau has him close when they swing for home he could make some noise late.

Race 3 3-2-1

Brookdale Thomas He got a perfect pocket ride last week and just missed by a whisker. It looks like a similar trip could be in the works and if that's how it plays out, he could go one better this time.

Battle Of York There's no doubt he does his best work on the front end and proved it again last week. Draws another dreamy post and it will be all systems go from here so there's a strong chance he wins again.

Dusty Lane Levi He's had a nice start to his racing career and already has three wins on his resume. Gets the pole position and will be covered up for a long way so we're going to include and so should you.

Race 4 1-6-3

Woodmere Betcha She was flying on the end of it last week closing in 29.4 to make it two in a row at Red Shores. We're wagering Merner will have her closer to the pace this week so we're calling for a natural hat trick.

Watch Her Go She does have a start pending but was sharp prior to that reeling off four second place finishes in a row. Moves to the outside and this has become a good combination, so she'll be right there at the finish.

Allaboutthebet She made an early break last week but did recover to finish fifth. Moves into post three and the numbers on the page indicate she likes to finish third so that's where we'll put her today.

Race 5 4-7-8

Azure Beach This race looks to be wide open and we do like the line three back where he just missed by less than a length. Moves to the middle and the price will be friendly so he could find the win column in 2024.

Century Invictus He's missed the board in three straight starts but was racing at higher levels. Takes a dip and he does have the most wins on the page so keep that in mind when placing your wagers.

Skip Across When you look at the stats, she's had a decent year and does have four wins to her name. It won't be a picnic from out here, but Desroche has had success with her in the past, so we'll call for third.

Race 6 4-3-1

Windemere Saddy We picked her to win on December 14th and she delivered going gate to wire and scoring in 1:57.1. We're thinking Campbell will have her on the front foot again so it could be a repeat performance.

Write The Rules Take a look at the line on November 30th where she went right down the road and was a winner in 1:57.1. There's no doubt she likes to leave so expect Dowling to push out early and be a factor at the finish.

Royoz Allie We liked the way she finished up last time closing in 29 seconds and grabbing the show dough. Lands on the cones and Murphy knows her very well so she's a good option to complete the triactor.

Race 7 2-1-5

Braxtons Boy He's been excellent since arriving on the Island and does have a couple of wins to show for it. There is speed to his inside, so we'll see what route Marc decides to take but we say three in a row.

Elroy Shiner Powered to the font last week and went right down the Red Shores highway winning in 1:56. There's little doubt Langille will be guarding the cones and pressing the pace so it could be catch me if you can.

Leavin Bruises Pretty good effort on Sunday storming home in 29.1 to get the show prize. Remains at the same level and Hughes is listed to drive so you may want to hop on board with the Blue Knight.

Most Probable Braxtons Boy

THURSDAY, DECEMBER 26TH, 2024 (12:30 PM POST TIME)

Race 8 6-2-3

Acefortytwo Dome She's been up against the best mares in the region most of the season and more than holding her own. She drops down for this start and Hughes knows her best so they could hit the wire first.

Woodmere Rollily She looked to be in a good spot last time but the trip didn't work out in her favor. Lines up in another prime time post and all those second place finishes really stand out so we'll call for another one today.

Elm Grove Mistress Hughes used different tactics last week scooting home in 28.4 to make it six straight wins at Red Shores. Slides into post three and with Dowling at the controls it could be picture time again.

Race 9 3-1-7

One Rock He's been razor sharp the past two weeks and had his picture taken both times. Moves in a spot on the gate and this is a good partnership so with that in mind we can't rule out a threepat.

Jetster He was closing in at the wire last week and did secure the silver when it was all said and done. The good news is he draws the rail and is going to get a sweet journey so there could be an upset brewing.

Blue Monk He had a long tough trip last time and settled for a fifth place finish. Moves closer to the grandstand side but he did win five in a row earlier this year so mark him down as our value play of the day.

Value Play Blue Monk

Race 10 3-2-1

Luckiestmanalive Zipped off the wings and went coast to coast like butter on toast. Lines up in a similar spot and Dowling will be aggressive from the hop so he could get win number eight on the season.

Stash It Away He raced well in his season debut drafting all the way and closing in a swift 29.2. It looks like a similar journey could be in the cards and if that's the case he may even reach up and get the gold.

Phil Orleans He was oh so close to winning two back and did close it out in a brisk 29.2. Moving on up the class ladder and will be tucked in for most of it so he could sneak onto the ticket from the rail.

Race 11 4-2-8

Two Points He was up against some tough customers last out and missed hitting the board. Gets some class relief and he's had success at this level before so he could return to his winning ways.

Well Said Celeb He was put on the engine and fronted it all the way just getting nipped at the very end. It was still an excellent effort and Merner will have him up close so expect more of the same today.

Well Did He's missed the ticket in two straight but was racing up the class ladder. Moves closer to the fence but those final panels say a lot so if you're searching for a price this could be a smart play.

Race 12 2-1-6

Cheekie Play He's been living on the edges for over a month but racing at higher levels. Takes a dip and should get a tidy trip from post two so we'll take a swing and put him on top of the podium.

J K Express He's been on the fringes in his past two appearances but now he draws the pole position. There's no doubt he's going to get a ground saving journey so keep that in mind when you're heading to the windows.

Hippy John He was absolutely flying on the end of the mile on Sunday and less than a length away at the wire. Moves out a couple of spots and can really storm home so he could be worth a sprinkle in here.

Race 13 3-2-5

Sugar Bowl She was closing in at the wire last week and did fire home in a snappy 28.1. We're betting Barrieau will have her well spotted off the wings and if that's how it plays out, she could go one better this week.

Tobins Brownie We had her on top of the ticket last week and she delivered going gate to wire for the victory. We're wagering Campbell will have her in the mix early so don't be shocked if she doubles up at Red Shores.

Rosetown Mary She's hit the board in six straight starts and a couple of those have been wins. Moves out to post five but in a compact field like this expect her to be flying late and add to her top three totals.

Race 14 1-4-3

Imalookertoo Those 12 wins in 2024 hop off the page and now he draws the rail for this attempt. It will be green light go and if Langille does get to the front he could close the card on a winning note.

Silver Spirit Blasted off the wings two down and never looked back scoring over an off track. We're thinking he may be able to draft for a long way and if that's how it works out, he may even reach up and win.

Fout He was able to track along on Sunday and did pace a mile in 1:56 flat. He's back at the same level and with Bradley at the lines we're putting them in the Red Shores Super Hi 5.
