## TUESDAY, DECEMBER 31ST, 2024 (6:00 PM POST TIME)

### Race 1 9-3-2

**Sonny Black** He's a tough horse to drive and his power steering isn't great which usually puts him in a precarious spot. The class drop should help but post nine could be trouble. If Mike can navigate through the first turn from the trailing spot unscathed, he could be a major threat in here.

**Blue Monk** He seems one-dimensional at this point. It's either front-end winner or bust. He should be able to reach the front from post three so I'm hitting the box button on my exactor play.

**Midnight Macneill** He fired home in 29.1 last week and finished a close third. His last seven post draws would give any horse nightmares. Thankfully, the post position gods have answered his prayers and gave him an inside post to work from tonight so he could complete the triactor.

### Race 2 7-6-5

**Carnival Heart** Her connections changed her bridle last week and it looked like it helped. That was a great result from an outside post. She has drawn outside again this week but looks like the fastest of this group so I'm putting her on top.

**Skip Across** She's picked up cheques in the \$5,000 claimer but couldn't capitalize on the class drop last week with post eight. She moves in two spots and has raced great for Hughes in the past so include her in your exactor plays.

**Southern Heart** Faced a really tough group last week from post six and still managed to pick up a cheque. She drops back down where she's been successful over the last few weeks so she could contend for win again tonight.

**Longshot Play** Greystone Shad O

### Race 3 3-7-2

**Allaboutthebet** Her third place finish last time out was a major improvement over her previous starts. If she brings that effort again tonight she could be standing in the winner's circle.

**Miramichi Alanna** Raced big for Barrieau last week in that front-end second place finish. She'll need things to go her way to win tonight from post seven so I'm putting her in the place spot. It could be a Holmes stable exactor.

**Mia** She qualified well and Merner usually has his stock ready to roll in their first start off the bench plus she has hit the board in four of her five lifetime starts so she seems like a safe choice to compete the triactor.

### Race 4 1-5-4

**Cheekie Play** Was able to cut the mile last week on the class drop but couldn't see it through in the final quarter. He drops in class again this week and should cut the mile so if Corey can get a soft quarter he could go all the way.

**Solid Silver** He pressured Cheekie Play in the middle portion of the mile last week but faded in the stretch. He's another class-dropper with a great shot at winning but he will need a much better trip this week to seal the deal.

**Doc Darryl** He's been flat over the last month and could use a positive result to give him some confidence. He gets some post and class relief tonight and looks like the best of the rest so I'm using him for third on my triactor play.

### Race 5 1-2-5

**Here Comes Emmett** Shows a win from the rail back in October but missed a significant amount of time between the October 29th start and the December 15th start. That was nice trip last week from post seven so he could be fit and ready to roll tonight.

**Shakemeup Hanover** Rallied to finish third from post six last week at a similar level and has competed against much tougher company prior to that so post two could give him the advantage he needs to put one in the win column.

**Q Ts Charlie** Has been pacing faster miles than my top picks in this race but hasn't been rewarded. The class drop could put him front and center.

### Race 6 1-6-2

**Promise Me Later** She was a front-end winner in 1:58.1 last time out in this class and could repeat with rail advantage as long as the price to defend the rail isn't too steep.

**Windemere Saddy** That was a dominating victory last week with a pretty swift back half. I'm betting Marc puts the hammer down off the gate and cuts the mile or takes a pocket trip. Not much separates these two mares so flip a coin.

**Royoz Allie** Has an excellent opportunity from this inside post to map out a trip up close to the lead like she did last week. If she's successful she could complete the triactor.

### Race 7 6-7-5

**New Legacy** He has the inside advantage this week after chasing Fight Song on the outside for the last two starts. He was a winner the last time he drew inside so I'm playing that angle and putting him on top.

**Fight Song** Looks like it's his turn to chase from the outside after enjoying back-to-back front-end victories. He raced huge last week in that win because he was three-wide for a long while in the opening quarter and still rolled to victory. Exacto play.

**Curadh** He's been right there trading blows with these top trotters over the last few weeks and was rewarded for his efforts. He should be close again tonight.

### Race 8 3-4-1

**Mr Rielly** Almost pulled out the victory last week but Stash It Away had the better trip and snatched the win. He gets a little class relief off that big effort so he looks like the one to beat.

**Braxtons Boy** Has two wins and two seconds in his last four starts while continuing to elevate in claiming price. He takes another step up in price but it's hard to go against him based on his current form so include him in your exacto plays.

**Three Trick Gainer** He was a winner at a similar level four starts back for Campbell from post six so rail control and Campbell back in the seat makes him an attractive play for win.

### Race 9 3-1-4

**Elm Grove Mistress** Played the underdog role last week and took down Acefortyfour Dome in deep stretch for her seventh straight win. I'm betting Dowling uses her great gate speed to lead gate-to-wire for her eighth straight victory.

**Fern Hill Indigo** Has good gate speed and an excellent opportunity to pocket ride right to the wire behind her stablemate. It could be a Doyle stable exacto.

**The Lady Sheriff** Rallied from off-the-pace to finish third last week and was only beat by  $\frac{3}{4}$ 's of a length at the finish. If she gets some live cover she could be close again.

### Race 10 4-2-5

**Bacononabiscuit** Paced his back half in 56.1 on route to a breath-taking brush and crush style win in 1:54.4 last week. He moves up in price but faces a similar group so he should go back-to-back.

**Jewels Dragon** He was a distant second to my top pick last week and a sharp front-end winner two starts back. He should be forwardly-placed again tonight so I'm using him for second in the exacto.

**Tony Too Tall** He was perfectly rated on the front and kicked home 28 seconds to win last time out at this level but I'm not sure if his trip will be that easy tonight so I'm putting him in the show spot.

**Most Probable** Bacononabiscuit

### Race 11 2-3-1

**Sahara Sunshine** Was a sharp front-end winner at this level in her first two starts and has drawn another favorable post to lead gate-to-wire again. I'm betting she makes it three in a row.

**Sensational Gal** She was forced to take the pocket ride last week behind my top choice and had to settle for second. With a similar draw tonight we could see a repeat exacto.

**Czarspieceofheaven** Makes her first start back in almost three months. She has a great starting spot where she could draft behind the two favorites and grab the show dough.

### Race 12 3-2-7

**Dusty Lane Zoro** Take a look at those impressive lines from September. He was having a pretty nice sophomore season before it was cut short in late September. His fitness level is a question mark but he has a qualifier under his belt so I'm taking a shot at putting him on top as my value play.

**Allaboutthecash** Sat in the pocket behind Evil Vintage and almost beat him in the stretch in his latest. He snapped home in 28.3 so he might elect to cut the mile this week and I wouldn't be surprised if he goes coast to coast on top.

**Mac Anover** Has two wins and a second in his last three starts and showed great versatility in that second place finish from post eight last week. He will have to follow some live flow to hit the ticket again this week.

**Value Play** Dusty Lane Zoro

### Race 13 4-3-2

**Bee Two Bee** He flew home in 27.4 to win two starts back and matched that final quarter speed last week but had to settle for third. It's difficult to win from off-the-pace in a compact field so Hughes might change tactics this week and point his charge to the front. If he's successful, he could go all the way.

**Roll Em** Was able to cut the mile and wire the field last week after getting roughed up in his two previous starts. Marc will most likely leave out again this week and if he gets left alone like he did last week we could see a repeat performance.

**No Plan Intended** Was used twice in that second place finish two starts back. It was an incredible effort in his second start off the qualifier. It looks like that trip caught up with him last week in that subpar performance. I'm betting David covers him up tonight so I'm using him for third on my triactor ticket.

### Race 14 4-5-3

**Well Said Celeb** He's coming into this race off back-to-back second place finishes in 1:57. He's overdue for a win so if Merner can map out a trip up close to the lead he could pick up the W.

**Winter Blast** He shows some great closing speed in his last three starts and won at this level five starts back. He loves racing this time of year and Jason gets along great with him so I'm using for second in the exacto.

**Evil Vintage** Enjoyed a confidence-building win last week when he dipped in class. He moves back up in class but has drawn well again so don't count him out.
