Know Your Limit. Play Within It.

**Race 1 1-9-3**

**Bold N Bad** He had the rail three starts back and finished sixth after challenging the two favorites from a first-up trip. He faces a much softer group today so I'm betting he controls the pace from start to finish.

**Justcallmedoc** Should get a ground-saving trip up close to the lead from the trailing post so if he finds room in the stretch, he could get it all.

**Princess Halo** Got some class relief last week but couldn't capitalize from post seven. She's getting another crack at this class and has drawn a much better post so she could be a contender for win.

**Race 2 3-1-4**

**Papa Clare** Paced his back half in 59.3 in that qualifier which tells me he has more to offer so he could win in his debut.

**Barnyard Buzz** Tried to keep pace with stakes champion, Tobins Chester, in his qualifier and finished a distant second. He has the rail again this week and the competition is a little easier so he could hit the ticket from here.

**Skie Lo Lo** She has more racing experience than most in this race and hasn't missed a cheque in her last four starts. She didn't miss by much last week so today could be her day to notch that elusive first win.

**Race 3 2-4-6**

**Freight Air** He parked Battle Of York last week through punishing early fractions of 28.2, 57.1 and was able to hold on to second. He should make front with ease today so if he can get a soft quarter he could go gate-to-wire on top.

**Brookdale Thomas** Has good early speed and could leave out to open up a two-hole trip. If he's successful, he could complete the exactor.

**Roll Your Coin** His poor luck at the draw continues but he staged a late rally to finish third last time out so if there's speed to chase he could land on the podium again this week.

**Race 4 5-4-3**

**Fight Song** Pure domination is the only way to describe his win last week. He had the outside post and was forced to come first-up through soft early fractions. He trotted his back half in 59.1 on route to victory. I'm betting he makes it four in a row.

**New Legacy** Got caught trying to steal a second quarter breather last week and couldn't counterpunch when Fight Song and Hughes made their move to the front. It should be another great battle again today but I'm putting him in the place spot.

**Curadh** He's been a solid closer prior to last week's fourth place finish so I'm betting he bounces back with a sharp effort today. Triactor play.

**Race 5 2-1-4**

**Woodmere Betcha** Made an unfortunate break at the start last week and took herself out of the race. She was a little rough at the start two weeks ago but Merner was able to steady her and she went on to win her third consecutive win. She's loaded with talent so I'm betting she bounces back with a big effort.

**Mia** That's a pretty impressive qualifier on January 4th with a quick closer of 28.4. If she can duplicate that effort today she could complete the exactor.

**Watch Her Go** Has good gate speed and should be forwardly-placed in here. She has hit the board in four of her last six starts so I'm using her for third in my triactor play.

**Most Probable Woodmere Betcha**

**Race 6 1-2-3**

**Mac Anover** Drops out of that tough optional \$6,000 claimer where he had two wins and a second in his last five starts. He has the pole position so he should dominate from start to finish.

**Judicial** He's another class-dropper that should find this group more to his liking. He should get a great trip from post two so include him in your exactor plays.

**Jetster** Has good gate speed and was a front-end winner at this level three starts back. He should be forwardly-placed and could draft along to a top three finish.

**Race 7 4-1-3**

**Brookdale Jim** He was a close second at a similar level three starts back and picks up Campbell for the spin plus they have a great starting spot so it could be picture time.

**St Charlesfireball** He gets some class relief and he's been successful at this level so include him in your exotic plays.

**Shakemeup Hanover** He has hit the board in his last three starts but faces a tougher group this week. He looked confident in that second place finish last week and he has drawn well again this week so he could be a great option for triactor players.

**Race 8 3-2-1**

**Jm Sportsfan** She shows a win and a second against similar competition in her last six starts and picked up a cheque racing against the boys last week so she could be tough to beat in here.

**Topville Angelina** Had to take on the boys last week and finished third after cutting the mile. She's back in against mares this week and has another favorable post so she could contend for win.

**The Lady Sheriff** Made an uncharacteristic break last week but didn't miss by much two starts back so she'll be a tough out from the rail today.

**Race 9 4-1-2**

**Rock N Roll** Cays Has struggled to find her game since being scratched sick on November 9th. She has a great post so I'm hoping this class relief will help get her back on track.

**Sensational Gal** She's been racing great in her last five starts and didn't look out of place against the older horses last week. She's back in against mares and has a great post so I'm including her in my exactor.

**Outrageous Song** She was put on the front four starts back and finished a close second to Woodmere Heather M so I'm betting Barrieau points her to front after two tough trips from outside posts in her last two starts. She's a great option for your triactor plays.

**Race 10 5-6-1**

**Elroy Shiner** He made quick work of post seven last week and held on for the narrow front-end victory. He moves in two spots on the wings so he could get to the front a little easier which should help him on the end of the mile. I'm betting he extends his winning streak to five.

**Two Points** That was a gutsy first-over second place finish last week and he will have to dig deep for another tenacious effort this week with the outside post. He's tough to beat at this level so we could see another tight finish this week.

**Redland Sampson** He's been racing excellent over the past month with two wins and a third in his last four starts. He almost reeled them in last week and now moves back inside so he could contend for the win.

**Race 11 2-5-7**

**Western Delight N** Raced big from off-the-pace in his last start where he paced his back half in 58.2. If he can match that closing speed from this inside post, it could be picture time.

**Proudofyoday** He's been facing some fierce competition since that victory four starts back. He should find this group more to his liking and Ford might point him to the front so include him in your exotic plays.

**Ideal Jet** He's the class of this field and gets some class relief plus he picks up the services of the Maritime Magic Man so he could overcome this tough post to notch his 56th career win.

**Longshot Play Ideal Jet**

**Race 12 1-4-2**

**Royoz Allie** Competed in that tough \$6,000-\$8,000 claiming class last week but still raced well. She's a little camera shy but she drops back down where she's been a contender so she could pick up the W in her second start of 2025.

**Harlequin Romance** Dropped and popped from a perfect pocket ride last time out. She has good closing speed and could work out a stalking trip from post four so I'm putting her in the place spot.

**Run For The Money** She has a win and a third in her last three starts and was only back two lengths at the finish last week so she could round out the triactor.

**Race 13 5-6-3**

**Mr Rielly** He's coming into this race off a sharp win from a pocket trip so if he can trip out again this week, he could go back-to-back.

**Fout** Raced great from a pocket trip two starts back but wasn't as sharp when he had to do the heavy-lifting on the front last week. He could hit the ticket if Bradley can map out a covered-up trip.

**Shadows Terror** He dominated from start to finish on the class drop last week. He moves up in class and will most likely have to grind on the outside so if there's a quick half in front of him, he could pick them off in the stretch.

**Race 14 5-4-3**

**Dusty Lane Zoro** Has reeled off two straight wins and looked comfortable in both trips. This week will be a tough test for him as he faces some classy aged horses but he's the fresh horse and that's a big advantage this time of year so he could score the natural hat trick.

**Three Trick Gainer** Gets some much-needed class relief this week and Campbell picks up the live mount. He has good gate speed so Marc will most likely put him front. He could win if my top play runs into traffic trouble.

**Winter Blast** Hit the board on the class drop last week and gets another shot at this level plus he moves in a couple spots on the gate so he could complete the triactor again this week.

**Race 15 5-4-1**

**Bee Two Bee** Has four top class victories in his last six starts and he's versatile so Jason has lots of options. He was an easy front-end winner last time out so I'm betting they lead gate-to-wire again today.

**Blood Money** Was a front-end winner at this level four starts back and left well the following week from post five. He has a great post where Barrieau could be aggressive off the gate so I'm using him in my exactor play.

**Bacononabiscuit** Confidence is powerful and this horse is full of it right now so he could step up and compete with this group today. That win two starts back was an incredible mile so I'm including him in my triactor.

**Race 16 6-4-5**

**Shake N Blake** She was a fast-closing third in the Preferred with a sharp closing quarter in her latest. She has to compete against the boys this week but we watched Sugar Bowl beat the boys last week so it can be done. She's my value play of the day.

**Stash It Away** Has a win and two seconds in his last three starts and all three trips were pocket rides. He moves out to post four and there's early speed to his left so he will have to stalk from mid-pack. He likes that type of trip so include him in your exotic plays.

**Laughagain Hanover** He's been rock solid in his last six starts and fired home in 27.4 to win his latest. If he's close at the top of the stretch he could pick up his second straight victory.
