Know Your Limit. Play Within It.

Race 1 2-3-5

St Charlesfireball He had to do it the hard way last week and settled for a sixth place finish. The good news is he drops down for this attempt and Campbell gets the call so they could kick off the Isle Pick 5 with a win.

Justcalledmedoc He's been living on the edges for the past month but not that far away last time. Moves back to the front tier this week and Hughes is listed to drive so you may want to jump on board with the Blue Knight.

Azure Beach Another one that's been on the fringes but had to race from post eight last week. Slightly better draw and the stats on the page indicate he likes to finish third so that's where we'll put him today.

Race 2 5-3-2

Watch Her Go Zipped off the wings two back and led for a long way only to be nipped in the final strides. Draws post five and we're betting Hughes will be gunning early so she could go right down the road.

Papa Clare He looked good in his first for a purse striking the lead late and scoring over an off track. He's back in the same spot and that was a confidence booster, so we won't be shocked if he doubles up.

Skie Lo Lo Take a peek at the chart line two down where she finished fourth but less than a length away at the finish. She lines up in a similar spot and the price will be right so we're putting her in the triactor.

Race 3 2-4-1

Miramichi Alanna There's no doubt she can bust the gate and was a wire to wire winner three back. Gets a prime time post to race from and Brady will be flooring it from here so it could be catch me if you can.

Funneigh She's been racing great the past two weeks and was a winner on January 4th. Moves to the middle and MacPherson hops up for a spin so with that in mind we say first or second in here.

Jack Tar Moxie That line three down hops off the page were he tracked all the way and just missed by the slimmest of margins. Now he gets the pole position and will be covered up so he's our value play of the day.

Value Play Jack Tar Moxie

Race 4 5-2-1

Elm Grove Mistress What a year she had in 2024 and if you need more proof take a look at the summary. She usually does her best work on the front end so if she does clear to the lead, it could be lights out for the competition.

JM Sportsfan She's been on the edges for over a month but did have four wins in 2024. Moves in a spot today and Shepherd will have her well placed off the wings so we think she bounces back into the top three.

The Lady Sheriff She looked to be in a good spot last week but faded to a fifth place finish. Lands on the pylons for this assignment and is going to get a sweet journey from the cones so we'll call for the bronze.

Race 5 4-3-1

Blue Monk He made a first up power move brushing and crushing to victory last Saturday. It was an impressive performance and with Bradley at the wheel today there's a strong chance he doubles up.

Mac Anover He was put on the point last week and couldn't fend off Blue Monk but did hang on for the silver. Slides out to post three and Hughes will have him up near the pace, so we like him for part of it again.

Judicial He was able to follow along last week and picked up the show prize. It looks like a similar trip could be in the works and if that's how it plays out it could be win, place or show.

Long Shot Play One Rock

Race 6 1-4-6

Roll Your Coin We loved the way he raced last week closing in 30.1 and just missing in a blanket finish. Now he draws the pole position for this start and coming off that performance he could go one better this time.

Battle Of York He was stung early last week and paid the price fading to a fifth place finish. Moves to the middle and we're betting Campell will be pushing out and have him on or near the lead at the start and finish.

Freight Air He's another horse that can chase the car from the word go. We'll see what Bambrick does off the gate today, but he has the step to go with this group so keep that in mind when placing your wagers.

Race 7 4-1-5

Run For The Money She was closing in at the wire last week and was a rock solid second to Buddysnvirgins. Moves out to post four and if Merner has her close at the top of the lane she could get all the marbles.

Harlequin Romance She took advantage of a perfect pocket ride two back reaching up late to nab the gold. There's little doubt she's going to get a tidy trip for the rail so don't be surprised if she's smiling for the camera.

Royoz Allie When you look at the lines she's always in the mix and did get the deuce four down on her card. Moves outside but all those third place finishes really stand out so we'll call for another one this afternoon.

Race 8 3-1-2

Moonwriter He didn't really get into the flow last week but was racing at a higher level. Slides down the class ladder and with Heffernan in the seat this could be the day he returns to his winning ways.

Brookdale Ollie Excellent effort two down rallying late and less than a length away when it was all said and done. Draws the rail and Arsenault has had success with him in the past so he'll be close if not a winner in here.

Winter Blast Another one who's been racing at higher levels and did get the show dough on December 31st. Takes a dip and Hughes will have him well spotted so he's a good option to complete the triactor.

Race 9 1-4-6

Solid Silver He was flying on the end of it late last week and just missed by a whisker. Moving on up the ladder and should get a dreamy trip from here so we'll take a shot and put him on top.

Allaboutthecash He's been sharp the past four weeks and knocking on the door for a win. Moves to post four and Sweet will have him on the front foot so there's a good chance he gets that first victory of 2025.

Shadows Terror We picked him to win two back and he delivered going coast to coast in 1:57.3. He's back at the same level and Merner gets along well with him so we're putting them in our tickets.

Race 10 4-3-5

Time To Dance He had post eight last week and never really got into the race. Much better starting point and Campbell knows him best so expect him to bounce back with a big effort and hit the wire first.

Stash It Away We liked the way he raced two back drafting all the way and just missing to Sugar Bowl. Moves in a spot on the gate and Corey will have him up close to the action so we're putting them in the exactors.

Braxtons Boy We were impressed with the way he performed last week and he almost reeled in Tony Too Tall at the wire. This has also become a good partnership so if you're searching for value this could be a savvy choice.

Race 11 4-6-9

Proudfolyatoday He hasn't been close of late but did pace a mile in 1:59.1 back on December 15th. Moves to the middle and Campbell has had success with him before so we're taking a swing and calling for top spot.

Outrageous Song Blasted off the wings and led most of the way before settling for a third place finish. Takes a drop and we're betting MacPherson will be pressing the pace so this could be the day she flips the script.

Q TS Charlie We had him for part of the ticket last week and he did rally in for the bronze. Moves to the back tier and has the step to compete so if Clow has him close when they swing for home he could have a say in the outcome.

Race 12 3-4-2

Blood Money He's hit the board in six straight appearances and a couple of those have been winning performances. Slides into post three and Campbell won't wait long so get ready for that first win of 2025.

Tobins Chester He had to face the big dogs last week but did close out in a snappy 28.2. He should be a little tighter this week and Hughes is back in the bike, so he'll be heard from before it's over.

Tony Too Tall Popped out of the three hole last week and cleared to the lead before scoring in 1:58. We're thinking Heffernan will be scooting off the wings and if that's the case he could sneak onto the ticket.

Race 13 4-1-6

Dusty Lane Zoro To say he's sharp may be an understatement after he scored a natural hat trick last Saturday. Lines up in a favorable post and Donnie gets along well with him so we're calling for a Red Shores grand slam.

Three Trick Gainer He raced well last week fronting it most of the way before securing the silver. It looks like he'll be up near the pace again and if that's how it plays out, he could go right down the highway.

Fout He was storming on the end of the mile last week closing in 29.1 to nab the runner up spot. Remains at the same level and with Bradley at the controls we're putting them in the Red Shores Super Hi 5.

Most Probable Dusty Lane Zoro
