SATURDAY, JANUARY 25TH, 2025 (12:30 PM POST TIME)

Race 1 3-2-4

Poplar Artie Was quite successful against similar company when he competed in the Joe and Steven MacRae Memorial back in December. He has a great post and should call the shots in here.

Azure Beach Stepped up with a sharp second place finish last week after a couple flat miles. If he repeats that effort, he could land in the place spot.

Justcallmedoc Raced great for Hughes last week and has drawn a favorable post again today so if Ford maps out a stalking trip from mid-pack, he could complete the triactor.

Longshot Play Jetster

Race 2 1-4-6

Skie Lo Lo Drafted in the three hole last week and came away with a nice deuce and a solid closing quarter. She moves in one spot to the rail this week so I'm betting she takes the pocket ride to victory lane.

Papa Clare Was an off-the-pace winner in his debut and followed that up with a close fourth place finish last week. He has a great post to stalk from mid-pack so he's worth a look for exactor players.

Watch Her Go She has great early speed which usually puts her up close to the lead so Hughes could elect to cut the mile. If she can get a breather in the middle half, it could be game over for the competition.

Race 3 1-6-3

Carnival Heart She was blocked in the stretch last week but still raced well to finish fifth. She finally gets some post relief so I'm using her as my value play of the day.

Outrageous Song She continues to drop down the class ladder and now faces the bottom condition. She wasn't able to get a breather on the front last week and unfortunately faded late in the mile. She should get things her way on the front this week so she could contend for win.

Twin B Solitaire Has picked up cheques in five of her last six starts and has raced well from off-the-pace in her last three starts so she could hit the ticket from this inside post.

Value Play Carnival Heart

Race 4 3-4-2

Merigo Magic He looked terrific in his first start off the bench and Merner drove him perfectly. He was covered up until the final quarter and then turned on the jets to score the victory with a razor sharp closing quarter of 27.4. He has the inside advantage over his arch rival, Tobins Chester, so I'm giving him the edge in here.

Tobins Chester He raced well in his first start back but two breaks in the back half of the mile took him out of contention last week. I expect him to bounce back with a big effort today.

Tony Too Tall He has two wins, two seconds and a third in his last five starts and has great gate speed so he should be forwardly placed from post two. He could hit the board again this week.

Race 5 2-6-7

Silver Spirit Has been on the outside looking in for three straight weeks so the post relief combined with the class drop should give him the edge to win.

The Lady Sheriff She gets some class relief but has to race against the boys so she'll need a trip but she has great closing speed so I'm including her in the exactor.

Winter Blast Dropped a level last week and loomed boldly in the back half. He moves out a few spots on the gate so his trip might look a little different this week but he should contend for a top three finish.

Race 6 1-5-4

Shake N Blake She was a close third in the Preferred three starts back but had to race the boys in her last two starts and couldn't crack the top three. She's back in against mares with the rail and faces a softer group so she should lead gate-to-wire.

Acefortyfour Dome She has a win and a second at this level right on her card and both trips were front-end missions. Post five will be tough to overcome but she's versatile so I'm including her in the exactor.

Ms Meaghan Sparkel Has hit the board in five consecutive starts and almost got the job done last week. She continues to climb the class ladder and hasn't looked out of place so I'm betting her top three streak continues through today.

Race 7 4-1-7

Allaboutthecash He's been consistently good at this level in his last three starts. He dodges Shadows Terror and Dusty Lane Zoro this week so it could be his time to shine.

Here Comes Emmett He was a winner from the rail three starts back at the NW651 and followed it up with a close fourth at this level two starts back. He should be forwardly placed so include him in your exactor plays.

Shakemeup Hanover Rallied from seventh to finish second last time out and kicked home in 29.2. If he matches last week's performance he could overcome this poor post to land on the podium again this week.

Race 8 5-2-3

Run For The Money After last week's dominant win, I'm a believer. The way she brushed to the front and kept on trucking tells me her confidence is high so I'm betting she goes back-to-back.

Royoz Allie She scooted home to finish third last week with a 29.3 final quarter. She likes to stalk and take her shot late in the mile and she has great post to work from today so include her in your exotic plays.

Harlequin Romance She has hit the board in her last three starts and was a close second to my top play last week so she should contend for the win again today.

Race 9 1-2-4

Czarspieceofheaven She was a winner three starts back off a ground-saving trip and almost scooted up the inside to win again last week. Corey should be able to map out another ground-saving trip from the rail this week so I'm putting her on top of my ticket.

Roll Your Coin He pushed out from the rail and went coast to coast on top last time out and should be sitting close to the lead again today so include him in your exactor plays.

Brokeandoutofgas That was a nice rally to finish fourth last week and she was only back a length at the wire. She was second for Campbell two starts back and Marc is back at the controls so she could complete the triactor.

Race 10 5-4-2

Imalookertoo He wired the field from post eight after being stretched out to the quarter pole last week so he deserves a look from post five today. I'm betting they put the pedal to the metal and lead gate-to-wire again today.

Luckiestmanalive Has been facing tough company in his last few starts but fits in well with this group. I'm expecting Ryan to drive him aggressively early in the mile so if he gets away in the top two he could hold position for the deuce.

Shadows Terror That was an eye-catching brush and crush victory last time out but he's moving up in class and both of his wins on the page came at NW1151. He seems to struggle up in class but that effort last week was too good to ignore so I'm including him in the triactor.

Race 11 1-2-6

Blue Monk Has reeled off two straight wins at this level and gets the rail today so I would be shocked if he doesn't pick up the W. I'm betting Bradley rolls him on the front and they score the natural hat trick.

Mac Anover He finished second to Blue Monk two starts back and looked like he was a winner off the first-up trip last week but faded to third in the stretch. He should get a pocket trip today so include him in your exactor.

Zaidans Luck Drop in for \$5,000 this week after a nice trip in 1:59 against tougher company last week so he could grab the show dough in here.

Race 12 5-4-3

Dusty Lane Zoro He's been racing incredible since his return on December 31st. He has reeled off three straight wins and rallied from eighth to finish second last time out. I'm betting Donnie gets away closer to the lead so if he can avoid traffic he could start a new winning streak today.

Evil Vintage He has four top three finishes from his last five starts and was a close fourth last week. He'll need a trip but he continues to race well as he climbs the class ladder so he could be second best.

Sonny Black After a rough first start for his new connections, he stepped up with a huge win up in class. He had a horrible trip on the outside last time out but still paced in 1:58.3. If he gets a better trip this week, he could hit the ticket.

Most Probable Dusty Lane Zoro
