OFFICIAL PROGRAM NO. 03

Know Your Limit. Play Within It.

\$3.00 – ON TRACK \$3.50 – OFF TRACK

Race 1 6-1-2

Brookdale Ollie Paced his back half in 56.4 in his first start off the bench and was a fast-closing third at the finish. He doesn't get much post relief but he does get a little class relief so he deserves top billing.

Justcallmedoc Found himself in a tough spot last week, caught first-up into a back half of 57.3. He raced well so the move inside to the rail should put him in a great spot to contend for the deuce.

The Big Chase He came up flat in his first start back after a pretty nice qualifying effort but he's another year older so I'll chalk it up to rust. He should be a little tighter this week and he has a great post to work from so he could complete the triactor.

Race 2 2-1-4

Camco Lucas Was held off the scoresheet in his freshman year but could pick up his first win in his first start of his sophomore campaign. He has a great post in a beatable compact field so I'm putting him on top.

Lyndale Mr Mac Had the rail in his last two trips behind the gate and faded late in the mile on both occasions. He should get another ground-saving trip again this week behind my top play so I'm using him for second in the exactor.

The Tulsa King Kicked home in 28.3 in his qualifier and Mike usually has them ready to roll in their first start so he should be in the mix at the finish.

Race 3 3-1-4

Shanes Dream Put up big fractions and gave up the lead late in the mile last week but he raced awesome, pacing his mile in 1:55. He should call the shots from post three so I'm betting he leads gate-to-wire tonight.

Woodmere Rocketman Was sent off as the chalk favorite and lived up to the hype as he romped in 1:58.2. Barrieau should be able to map out a pocket ride from the rail so include him in your exactor plays.

Louie The Great Was great in his first start for his new connections as he paced his back half in 56.3, last quarter in 27.2. He's another great option for exactor players.

Race 4 2-5-3

Moonwriter Had a tough outing in his first start back as he was roughed up and parked the entire mile. He gets another crack at the bottom level and gets some post relief so his path to the front should be easier this week.

JK Express Gets to kick off his year at our bottom level and has a sharp qualifier under his belt so he should contend for the win tonight. He's versatile so Campbell has some options for trip which is a great feeling for a driver. I'm hitting the box button for this exactor.

Georges Credit Has competed successfully at a higher level so this class should suit him. He has good gate speed which could help get him spotted up close to the lead. He's worth a look for triactor players.

Race 5 6-7-4

Howmac Exclusive Threw down the gauntlet with that victory in 1:54.3 in his first start off the bench. He had a perfect pocket ride last week but could be in for a much tougher trip tonight. I don't think he's a slam dunk but that last trip is too good to ignore.

Like A King Banked over \$40,000 last year and had seven top three finishes from ten starts. He finished second to Malevolent in the Maritime Breeders in his final start of 2024 and looked good in his qualifier last week. He should pick up some live cover in here so include him in your exotic plays.

Roll Your Coin Sat mid-pack last week and closed to finish fourth with a last quarter in 28.3. He should get a similar trip tonight so he could hit the ticket.

Longshot Play Like A King

Race 6 6-2-3

Hawkish Deo Raced well in his debut for Sweet finishing second with a back half of 58.4. I don't like post six for him but that trip should give him confidence so I'm taking a shot at putting him on top.

Huntsville Maid Comes into this race off a fourth-place finish from post five so the post relief should help get her spotted closer to the action this week. She closed in 28 in her last two trips so I'm including her in my triactor.

Moonfall Earned \$15,204 and had five top three finishes from eleven starts last year. He's still looking for his first career win and tonight could be his night.

Race 7 5-3-2

Evil Lou Picked up a new speed badge of 1:58.1, last quarter in 28.1 in his qualifier last week. He should be fresh and ready to win plus Mike always has his stock ready to roll early so he should dominate from start to finish tonight.

Dusty Lane Levi He showed flashes of speed last winter and looks like he's ready to compete after firing a last quarter of 28.1 in his qualifier. He has a great post so include him in your exactor tickets.

James Reigns Hit the board at long odds last week and has drawn inside again this week so I'm expecting a similar trip and result.

Race 8 1-5-6

All My Lovin Made almost \$20,000 in his freshman campaign and looked sharp in his qualifier last week. He kicks off his sophomore year with the pole position against our bottom condition aged pacers so I'm betting Shepherd trips him out to pick up his second lifetime win.

Grand Ave Legend He's tough to beat at this level but he has an outside post and this is his first start of the year so I don't think he can reel in my top play. That was an impressive last quarter in his qualifier so he should contend for place.

Century Invictus He was in need of a confidence-building mile and got it last week with that off-the-pace third place finish. If there's a quick opening half again this week he could pick them off in the stretch.

Race 9 2-1-4

Selkirk Echo He made the most of a poor post in his first start back, closing in 28.2. He gets some post relief and should be able to map out a pocket trip behind the horse to his left so I'm putting him on top.

Almost There Boss Had an uneventful covered-up trip in his first start back. He takes a slight dip in class and gets rail control. He was a close second the last time he had the rail so he should be close again.

St Charlesfireball He has a great closing kick and does his best work first-up or second-over but he needs speed to chase. The front-end took him out of the race last week with that soft opening half and quick back half so hopefully there's some first half action so this guy can do his thing. Top three play.

Race 10 4-2-1

Braxtons Boy He raced good in his first start back but couldn't make up ground on that quick back half. There's lots of early speed in this race so if Kenny stalks from mid-pack, he could mop them up in the stretch.

Well Said Celeb He's coming into this race off close second place finish at a similar level. He has great early speed which usually puts him in the two-hole but he's a little camera shy so he's a great option for exactor players.

Sports Teller Was an easy winner in his PEI debut for Merner but jumps up in class so this race will be a great test for him. He has rail control and Hughes at the controls so he should be forwardly-placed again tonight. Don't count him out.

Value Play Braxtons Boy

Race 11 2-1-4

Macho Phil Was unhurried off the gate last week and couldn't advance off soft early fractions. He moves inside and should get an aggressive steer on the class drop so I'm betting they roll coast to coast on top.

Shake N Blake Has to face the boys in her first start back but has rail control so Dowling could take the pocket ride right to the finish so include in the exactor.

Hes Touring Shipped in from London and raced super for his new connections. He gets some class relief this week so he could contend for the win.

Race 12 4-3-2

Imalookertoo Has been consistently good for his connections over the years and looked in mid-season form in his qualifier so we might see him on the front where he does his best work. Top call.

Mr Kelly Hasn't raced since last July but that final quarter in his qualifier tells me he's picking up right where he left off. I expect a conservative drive by Merner but this horse has a great closing kick and loves to compete so he could complete the exactor.

Solid Silver Was punching above his weight class in his first start back but came away with a third place finish. He should get a great trip from this inside post and Stacey has him fired up early in the season so I'm including him in the triactor.

Race 13 5-1-4

Twin B Tuffenuff It's great to see the 2024 Governor's Plate winner back in action under the Red Shores lights. He looked fantastic during morning workouts over the past few weeks and closed strong to finish second in his qualifier so I expect him to dominate this group tonight.

Jewels Dragon He was a bang-up third in the feature last week and paced his mile in 1:55 in his first start back. The rail only bolsters his chances for another top three finish again this week.

Tradition Was only beat a length by Jewels Dragon last week and this race is setting up to be a race for place so I expect these two horses will battle for the silver medal.

Most Probable Twin B Tuffenuff

Race 14 4-8-7

Rymar Jimbo Is coming off a big front-end victory in 1:57.3. He's tough to beat on the front but doesn't have great gate speed so if Kenny can get him there from post four, he could go all the way.

Silverhilllightnin Stacey's barn was hot last week and this guy was huge in his first start back. Marc used him twice in the mile and he was still pacing fast through the finish so I'm ignoring his post position and betting he overcomes it to finish second again this week.

Mr Matt Major N Got collared late in the mile last week but still raced well for his debut trip in his new stable. It will be interesting to see how he performs from this outside post. If he trips out, he could grab the show dough.
