POST TIME 6:00 PM

OFFICIAL PROGRAM NO. 09

Know Your Limit. Play Within It.

\$3.00 - ON TRACK \$3.50 - OFF TRACK

Race 1 8-3-2

Tulsa King He's one of the more experienced and most consistent performers of this group with three straight deuces coming into this race. He has the outside post so you may get him at a nice price.

Saulsbrook Gunner Was four for seven in the top three last year and finished a close third in his 2025 debut. He has good early speed so I'm betting Merner sets up shop on or near the lead. Exactor play.

Elm Grove The Moon Comes from a talented family and qualified well on May 22nd so he could complete the triactor from this inside post.

Race 2 2-1-3

Burn Out Hanover That was a solid third in first start back for this ten-year-old veteran. He moves in two spots on the wings and loves the front-end so Sweet might send him down the road.

JK Express He's off to a fantastic start in 2025 with back-to-back wins and a second in his last three starts. He's versatile so Hughes could push out to grab a two-hole ride and based on his current form, I wouldn't be surprised if he makes it three in row.

Brookdale Ollie He's off to a great start and that second place finish two starts back was extra special as he was used twice and still finished second from post eight. He's a good option for exactor and triactor plays.

Race 3 7-1-3

One Wicked Man After an impressive freshman year, this three-year-old son of Mcwicked set a new personal best of 1:53.2 at Truro Raceway in his first start back and finished a close second to Malevolent last week. He's back in an overnight event, so he should romp tonight.

Jks Henry He raced great for the Smith boys in his PEI debut last week and has a great starting spot again tonight so he could complete the exactor.

Louie The Great Hasn't disappointed in his first three starts which included a comfortable win in his latest. He's flashed great closing speed, so he should contend for a podium finish.

Most Probable One Wicked Man

Race 4 7-4-1

The Big Chase He was a front-end winner at this level two starts back and hit the ticket on the class hike last week. He has great early speed, so if Corey can cross over to the front without using him too much, he could go all the way.

Saulsbrook Rockruf He faced a really tough group last time out in a PEI Colt Stake gold division and finished out of the money. He should find this field more to his liking, so include him in your exotic plays.

St Charlesfireball Dropped to this level last time out and grabbed the show dough. He gets some post relief and retains Campbell, so he should be close again.

Race 5 3-9-8

Dusty Lane Levi He went six for six in the top three last year and looks sharp through three starts this year. He shows a 27.4 final quarter two starts back and just missed last week. He likes a target to chase, so I'm hoping Corey maps out a stalking trip.

Raised On Blacktop Was a winner in his first start back after missing an entire year of action. He followed it up with another strong effort last time out, so he has an excellent shot at picking up his second win of the meet.

Dj Mustang Has to try and overcome a poor post for the third consecutive week. He raced great in his first two starts back but was flat last week, so I'm hoping for a bounce back effort tonight.

Race 6 7-4-1

Selkirk Echo Dropped to this level last week and finished a close fourth off a pocket trip. He races better from off-the-pace, so this outside post may actually benefit him more than drawing inside. If there's speed to chase he could swoop them in the stretch.

Poplar Artie He has good early speed and should enjoy the class drop after four starts at the NW \$701 level. If Campbell gets to the lead and rates him well, he could go all the way.

Well Did Gets another crack at this bottom level after finishing a distant fourth last week. He moves inside, so he could trip out to a top three finish.

Value Play Selkirk Echo

Race 7 3-5-1

Almanac He brushed and crushed in his latest in an eye-catching mile of 1:54. He's been getting better every week but this will be his toughest test since arriving in PEI. This is a deep field but that last effort was too good to ignore, so I'm giving him the edge for win.

Rose Run X Con Must be feeling like Rodney Dangerfield after two impressive second place finishes at long odds and has 6/1 morning line odds for tonight's race. He deserves more respect after closing in 27.3 to beat the majority of this field last week. Nick has him firing on all cylinders, so don't count him out.

Braxtons Boy Finished fourth in his last two starts from post one and has the rail again tonight. He takes a slight dip in class, so if he can match last week's performance, he could hit the ticket.

Race 8 7-2-1

Im Hungry He raced well from post seven in his first start back and grabbed third on the class drop last week. He has a great closing kick and gets another scoop of class relief, so I'm betting he rallies from off-the-pace to win.

Laughagain Hanover He's another class-dropper with a great shot at winning this race. He has good gate speed, so if he gets left alone on the front, he could go wire-to-wire.

Joe King That was a nice mile in his first start back but he's in tough tonight. He should be forwardly-placed from the rail, so include him in your triactor plays.

Race 9 7-2-4

Three Trick Gainer It looks like his breaking issues are behind him after that incredible qualifying mile of 1:55. He drops in class, so I'm betting he overcomes post seven to win.

Ashes To Ashes Moves up in class off that confidence building win last week and has a great post, so I'm including him in the exactor.

Silverhilllightnin He gets some much-needed post relief after three trips on the outside. He rallied from last to finish fifth last week and fired home in 28.1, so the move inside should help him attack from a mid-pack this week.

Longshot Play Silverhilllightnin

Race 10 2-4-6

JK Last Chance He was a comfortable winner in his first start back and raced super to finish third against some pretty tough company last week. He has the inside advantage over his top competition this week, so we could see him wire the field again tonight.

Bee Two Bee He hasn't raced in a month and shipped from Ontario to PEI during that time off so I'm reluctant to put him on top. I think he'll need a race to get acclimated but we watched him contend for top spot in our Invitational circuit over the past two years, so it wouldn't shock me if he picks up the win.

Mantario This horse leaves it all on the track every time he goes behind the gate and he's been racing great since he came back. He'll need trip from post six but you can never count him out.

Race 11 3-4-1

Early Play Was a wire-to-wire winner last week in a sharp mile of 1:56.3 but faces a tougher aged group tonight. He's been showing good finishing ability in his last two trips, so he could go back-to-back.

Redland Sampson Stepped up his game last time out with a close second place finish and he finished his mile strong, so he's trending in the right direction. Exactor play.

Cheekie Play He's been on the front in his last two starts and faded to fourth on both occasions. Corey might elect to cover him up tonight, so I'm betting he cracks the top three.

Race 12 3-2-5

Imalookertoo Comes into this race off an impressive front-end victory. He moves up a class but has a great post, so I'm betting Sweet stays aggressive with him and they roll gate-to-wire on top.

Avatar J Raced terrific in his first start off the bench where he rallied from off-the-pace to finish second from post seven. This classy veteran has the inside advantage tonight, so he could contend for the win.

Like A King Ran off the screen in his division of the PEI Colt Stakes last week in Summerside. He faces a much tougher aged group tonight, so I'm putting him in the show spot.

Race 13 1-3-2

Twin B Tuffenuff He comes into this race off back-to-back front-end victories and has post one to work from so we will most likely see more of the same tonight. I'm betting he goes gate-to-wire and scores the natural hat trick.

Merigo Magic He has a strong acclimating mile under his belt, so I expect more from him tonight. He had an incredible stake career and competed against the best horses in Canada for the past two months, so he'll be a factor.

Bounty Hunter He had to do the heavy-lifting in that victory last week, so the inside post should set him up for a pocket tow to the finish. He could complete the triactor.
