Race 1 6-1-3

Listen Linda Lou She was flying on the end of it last week and just missed by the slimmest of margins. She's also knocking on the door for a victory and with Merner in the seat this could be the night she finds the win column.

Oo Jewels She's been right there in both of her starts and closed in under 30 seconds last time out. The good news is she gets the rail and will be tucked in for a long way so with that in mind we say first or second in here.

Jafetica She was on the lead for part of it last week before settling for a third place finish. Much better starting point and Heffernan Jr. will be gunning from here so don't be shocked if they go right down the highway.

Race 2 2-6-5

Steady Heart She's on a bigtime roll right now and scored a natural hat trick last Thursday night. Moving on up and Campbell will be pushing the pace early so if she does get to the front, it could be four in a row.

Elm Grove Talia She raced great in Truro finishing second in the Atlantic Sire Stakes and closing in 29 seconds flat. Exits the stakes trail for this attempt and with Dowling on board she'll be close if not a winner tonight.

Mia Take a peek at the line three down where she flew home in 28 seconds and grabbed the show dough. She's back in a familiar spot and the price will be friendly so if you're searching for value this could be the play.

Race 3 5-4-1

Keys Writer We picked her to win last time out and she delivered going down the road and scoring in 1:58. Bumps up the ladder and moves outside but that was a confidence booster so we think she doubles up at Red Shores.

Stealing Bases She never really got into the race last week but that was from post seven. Slides down the class ladder and she was sharp prior to that so with Campbell at the controls there could be an upset brewing.

Havarti We liked the way she raced two down tracking in the pocket and securing the bronze. It looks like a similar journey could be in the works tonight and if that's how it plays out it could be a repeat performance.

Race 4 2-1-5

Dollywood She's been living on the edges for the past three weeks but racing at higher levels. Takes a dip and Bradley will have her well placed from the word go so she could get that first win of the 2025 season.

Skip Across She was closing in at the wire last week but just ran out of racetrack late. It was still a good effort and now she draws the cones so if you don't want to play our top choice this could be the one for you.

Southern Heart She's missed the board in three straight attempts but those were at higher levels. Gets some class relief and those closing quarters are rock solid so she's a good option to complete the triactor.

Race 5 4-2-3

Lorne Valley Liv She took advantage of a perfect pocket ride and just missed in a blanket finish. Draws post four and we're thinking the tactics will be the same tonight so she could go one better this time.

Real Smokeshow Excellent effort two back firing home in 28.4 and just missing by a whisker at the wire. Slides into post two and Hughes will have her up near the action so they could hit the wire first.

Southwind Ricochet She's been on the edges for close to a month but looks to have the step to go with these. She gets another great spot to race from and with Barrieau at the lines we're putting them in the top three.

Value Play Lorne Valley Liv

Race 6 2-4-6

Whole Nother He's been up against some very tough customers but did rally in to finish fourth last time. Takes a dip and we're betting Merner will have him on the front foot so it could be picture time in 2025.

Labero He sat in most of the way last week and did pick up the show prize. That was his first start of the meet so he should be a little tighter this time and Barrieau knows him well, so we'll call for the deuce.

Jessiejesorjessica She had to brave it first up last time and did rally in to nab the silver. Moves from the rail to the fence and if Dowling has her close when they swing for home she could be a factor at the finish.

Race 7 6-4-1

Rosetown Mary She was put on the engine and led for a long way only to be collared in the final strides. Now she must work from the grandstand side but with the way she can storm home we won't be shocked if she sweeps them late.

Galway Girl She fired from the outside and led briefly but couldn't deliver as the chalk choice. Remains at the same level and should get a good trip from here so we're betting on a bounce back performance.

Badgirl Bridgette Zipped off the wings and never looked back going coast to coast in Truro. Makes the trek back to PEI and she's up against older competition tonight but should get a smooth trip and could hit the ticket.

Race 8 1-6-7

Arete Hanover He looked to be a winner last week but made a late bobble and settled for the runner up spot. It was still an awesome effort and now he gets the rail so he could get all the marbles this time.

Bless Me Father He put in a game performance last week and dug in late to seal the deal in leg number one. Moves to the outside and it won't be a picnic from out here but with Campbell at the wheel we can't rule out a repeat.

Oceanview Nikki She made an early break last out but did recover to finish fourth. Now she must race from the fence but those closing panels are brisk so if McGuigan can keep her flat she could have a say before it's over.

Race 9 6-2-1

Ms Meaghan Sparkel She's been up against some top competition and if you need more proof take a look at the lines. Slides down the ladder and moves outside but she could come calling late and get the glory.

Outrageous Song Flew off the wings and made every call a winning one going back to back in Charlottetown. Now she must climb the class ladder but her form is excellent so she could score a natural hat trick.

Rock N Roll Cays We had her for part of the ticket last time and she hung on for third closing in 29.2. She's also back at the same level and is going to get a tidy journey from here so it would be wise to put her in your tickets.

Race 10 5-2-3

Buckhead Ridge He had to work for it last week grinding first up and scoring his fifth straight win over Red Shores Charlottetown. He's been assigned the outside post this week, but it doesn't seem to bother him, so we think the winning streak hits six.

New Legacy He's been super consistent to start the meet and has finished second in five straight appearances. Slides in a spot and will be up handy the action so expect more of the same tonight.

Legacys Jailbreak That was quite a performance in the qualifier going right down the road and winning by open lengths. Just a reminder she did win over the half mile at Yonkers in 1:57.1 last year so it could be win, place, or show.

Most Probable Buckhead Ridge

Race 11 1-2-7

Woodmere Kennedie She looked like her old self last week firing home in 29.1 to nab the deuce behind a strong winner. Don't forget she did have the most wins and money on the page last year, so we'll call for top spot.

Islebetu Islebeatu When you look at the lines she's always in the mix and never really that far away. It looks like she's going to get a sweet journey from here and if that's the case she could reach up and get the gold.

Redland Peaches Crowe was protecting the cones right from the hop and cruised to victory by three and change in 1:55.2. Now she must race from post seven but coming off that effort we're putting her in the tri.

Race 12 2-1-4

Topville Angelina Second and third in her last two starts and closed in under 30 seconds both times. We're wagering Barrieau will have her a little closer to the flow and we like playing trends so she could find the win column.

Elm Grove Penney We had her on top of the ticket and she went right down the Red Shores highway in impressive fashion. Lands on the cones and it will be green light go so there's a strong chance she wins again.

Carnival Heart Another one who's always in the mix and does have three wins to her name in 2025. Moves to the middle and those closing quarters hop off the page so she could sneak onto the ticket from here.

Race 13 5-4-3

Sugar Bowl She didn't have an easy trip last time and settled for a third place finish. She lines up in the same spot and Barrieau has had a ton of success with her in the past so she could return to her winning ways.

Tobins Brownie Merner timed it perfect last week getting up late to secure the victory and reward the punters with a nice pay day. She's back in the same post and you may not get that price this time but be prepared for another good result.

Elm Grove Mistress She's been sharp to start the meet and already has a couple of wins in her account. It looks like she should be able to track from here and the price will be right so she's a good choice to round out the tri.

Race 14 2-1-3

Windemere Saddy She's been oh so close in her last few starts but can't quite find the winner's circle in 2025. She gets an excellent spot to work from and Marc will have her well placed so she could close the card smiling for the camera.

Freaky Fanny She's been razor sharp in her previous two and was a going away winner both times. There's little doubt Crowe will be guarding the pylons and have her on or near the lead at the start and finish.

Redland Misspretty We loved the way she raced two back storming home in 28.3 to get that first win of the year. Makes the trip to Charlottetown and did win six times in 2024 so we're putting her in the Red Shores Super Hi 5.

Long Shot Play Sensational Gal
