Race 1 4-7-5

Freight Air Went the trip of his life last time out and has the same post again, so we may see another wire to wire victory from him tonight.

J K Express Was a dominant winner at this level six starts back and just missed at a much higher level two starts back. He'll need some live flow to follow from post seven, but if he's close at the top of the stretch, he could reel in the field.

Edge Of The World Has hit the ticket in his last three starts, and each trip required different tactics, which tells me he's versatile, so I'm betting he hits the top three again.

Race 2 6-3-4

Redlandxtinguisher Finished in the top three in four of his six starts this year, and he's the only one in this group with a win under his belt. He raced great for MacPhee three starts back, so I'm giving him the edge over this inexperienced group.

Moonlight Continues to improve every week, and his last start was his best of the year. Barrieau may decide to call the shots tonight from this inside post, so tonight could be the night they land in the winner's circle.

Elm Grove New Moon Shows some quick closing quarters but hasn't been able to put it all together quite yet. If he's as good as he was last week, he could complete the triactor.

Race 3 1-4-2

All Bettor Take a look at those impressive closing quarters in his last two starts. The Murphy's have this horse firing on all cylinders, so if Kenny can push out to follow Gilles, he could pick up his first win of the year.

Woodmere Rocketman Has hit the board in all ten lifetime starts, but he's been camera-shy in his last five starts, and the horse on the rail has the potential to keep him out of the winner's circle again this week, so I'm putting him in the place spot.

Abiding Art Has three top-three finishes in his last five starts and should be able to draft in the three-hole from post two, so include him in your triactor plays.

Race 4 3-2-1

Nothing Bugs Me Was a wire-to-wire winner two starts back in a new personal best and followed it up with a close second where he fired home in 27.1. His first start at Red Shores wasn't too shabby either, so I'm putting him on top.

Shanes Dream He's got a ton of talent, but can't seem to shake those breaking issues. That was a gutsy first-over effort off the qualifier, so hopefully those issues are behind him. He could be first or second in here, so you may want to box them up in the exactor.

Rosetown Eclipse Is off to a great start in his sophomore campaign and fresh off an Atlantic Sire Stake 'A' division win in Inverness, but he's going up against some pretty nice aged horses tonight, so I'm putting him in the show spot.

Race 5 4-1-5

Malignty Was only back a half length at the finish in his first start off the bench and then had to compete from the back of the bus in his last two starts. He gets some class relief and a great starting spot, so I expect him to be driving the bus tonight. Top call.

Allaboutthecash Was parked most of the mile last week and still managed to finish fourth. He had two perfect pocket trips before that, which resulted in back-to-back seconds. I expect him to map out a two-hole trip again tonight, so I'm putting him in the deuce spot.

Mr Rielly Had the rail in his first two starts of the season and finished third in both starts. He moves out a few spots on the wings, but he's versatile, so I'm using him for third in the tri.

Most Probable *Malignty*

Race 6 3-5-6

Saulsbrook Rockruf Looked like he was in the winning spot at the 3/4 pole last week but hung in the quarter. He raced well two starts back and was a winner three back, so he deserves a look from post three.

Jack Wick Shows some great miles this year but has yet to crack the top four. He has great closing speed, so if there are hot early fractions, he could finally break through with a top-three finish.

Gascoigne A C Was third best behind two nice horses last week for Campbell and grabbed the show dough for Sorrie in Summerside three starts back. He can beat this group, but post six will make his path to victory a tough one. He's a great option for exactor and triactor players.

Race 7 2-1-3

Shadows Terror He had a fantastic start to the meet but has faltered in his last four starts. He gets some much-needed class relief and a great post, so I'm betting he dominates from start to finish tonight.

Proudfyotaday Has two trips in 1:56, a trip in 1:55.2 in his last three starts, and the pole position in our bottom condition. On a typical night, he should be the chalk choice, but this is the toughest field ever at this level that I can recall. Exactor play.

Rockin Novel Almost got the job done on the class drop last time out, but had to settle for third. It was an incredible effort and should've been enough to win, but this class has been really tough over the past two weeks. He should contend for a top-three finish again tonight.

Race 8 3-2-5

Navalny Raced huge considering it was his first start off the bench. He did all the heavy lifting on the front and got edged out by a classy veteran in Avatar J in 1:52.3. If he can post identical fractions tonight, it should be enough to get his picture taken.

Mantario He's about as tough as they come and showed his toughness again last week when he wore down his competition to win in 1:54.2. He has a great post, so he'll be a tough out again tonight.

Jewels Dragon Was a front-end winner two starts back and was a well-beaten third last week. He has an outside post again this week, so another third could be in his cards.

Race 9 4-7-5

Cowboy Logic Has been a terrific horse over the years here at Red Shores and looks like he's ready to roll after a solid mile in 1:56.2 in his first start back in roughly eight months. He dips to the bottom level and has a great post, so I'm betting he picks up his 27th career win.

Jks Henry Has competed in the tough 'Winners of three not more than five races life' class since arriving in PEI and has raced quite well, but the class drop should put him in the win conversation tonight.

Five Star Dragon He wasn't a factor at the NW \$701 level in his last three starts, but finished a close second at this level four starts back. He shows some quick closing speed that others in this group lack, so I'm betting he grabs the show dough.

Value Play *Cowboy Logic*

Race 10 1-2-6

Avatar J Turned back the clock last week with an eye-catching victory in 1:52.2, just ½ of a second slower than his lifetime best taken as a four-year-old. The eleven-year-old veteran has the same post as last week, so we might see him go back-to-back.

Early Play Made an unfortunate break at the start and spotted the field 13 lengths at the quarter and still rallied to finish fourth. He reeled off four straight before the break last week, so don't overlook him tonight.

T H Boomtown Rallied to finish third against a talented group last time out and has unfortunately drawn poorly again tonight, so he'll need a trip, but he looks like the best of the rest.

Race 11 1-2-4

Burn Out Hanover Loves the front-end and almost went gate-to-wire on top last week. With the rail, I'm betting Sweet rolls him on the front again tonight.

Rose Run X Con Raced well for Barrieau three starts back, and he has good early speed, so I expect Gilles to set up shop in the two-hole and hold position right to the finish.

Sonny Black He has amazing speed and flashed some of that talent in the final quarter of that qualifier on June 21st when he closed in 27 flat. If he stays flat, he'll be right there at the finish.

Race 12 2-3-8

Tradition And Merner go together like peanut butter and jelly. He had back-to-back thirds in the Preferred 2 for Merner and a close second last time out. With post two and Merner at the controls, he'll be tough to beat tonight.

Ik Last Chance Gets some much-needed class relief after facing some tough company in his last four starts. He has a great post and should be forward-placed, so include him in your exactor plays.

Impeccable Shadow I'm not crazy about his post position, but I liked the way he raced in his first two starts. He passed some horses and showed fast closing speed, so he should be confident going into tonight's race. If there's a horse that can overcome post eight to win tonight, it's him.

Race 13 1-9-2

Nolans Magic Shui Continues his descent down the class ladder, but he should find this field more to his liking. He paced in 1:55 flat last week and showed a win from the rail last winter, so I expect Langille to push out and grab a spot up close to the lead from the rail tonight. If he's successful, they'll be tough to beat.

Abc Has drawn tough posts in his last three starts and has faced some tough competition. He gets some class relief and leaves from the trailing spot and should get an excellent tow behind my top play, so he could complete the exactor.

Justcallmedoc He hasn't missed a cheque in quite a while, and Ford's stable has been racing well, so if you're playing the triactor, this horse is a great option to complete your ticket.

Race 14 4-3-2

Twin B Tuffenuff Looks like he's tuning up to defend his Governor's Plate title after finishing a close third and pacing his mile in 1:51 last week. There's lots of early speed in this race, so I expect him to stalk from mid-pack and pounce on the leaders late in the mile.

Island Beach Boy Has provided the early speed in his last three starts and will most likely provide the early speed again tonight. If Hughes can get to the front and steal a breather, he could go coast to coast on top.

Odds On Capitalism Had a strong acclimating mile but wasn't a threat at any point in the mile. He gained five lengths on the field in the final half last week and gets some post relief, so I'm betting we'll see more from him tonight.

Race 15 1-2-8

The Sports Desk Finally gets some class relief and a great post from, so I expect Barrieau to be aggressive and shoot out for an early lead. This horse likes the front-end and has the credentials to post a fast mile. Top call.

Melanies Magic Raced good in his first start back so if Corey's aggressive off the gate, he could slide into the two-hole and take the pocket tow right to the finish.

Bettim Alive Dropped and popped in a new personal best last week and that win should give him confidence, so I'm playing a hunch and including him in my triactor play.

Longshot Play *Pendleton Rodeo*
