POST TIME 6:00 PM

OFFICIAL PROGRAM NO. 06

19+ | Know Your Limit. Play Within It

\$3.00 - ON TRACK \$3.50 - OFF TRACK

Race 1 6-1-3

Tobins Storm is a colt with talent that trainer Bruce MacLean has patiently guided through his early starts. He impressed in nearly every one of his career starts and will be very difficult to defeat tonight.

Saulsbrook Bolt You won't find many horses at this class level with four straight top-three finishes to their credit, but Saulsbrook Bolt fits that bill. He'll either sit the pocket or look to go all the way on the front end.

Wizard Shows he can handle this class in the past and shows up to play every time. He'll be one of the closers looking to mop up the pieces. A safe choice for the bottom of the exotics.

Race 2 4-2-1

Moon Bound There's a lot to like about Moon Bound, who appears to have finally figured things out for trainer Chris Davies. He's drawn better here and faces a field that doesn't offer as much front-end pressure as last week. If Dowling takes charge early again, the son of Bet The Moon may find the line first.

Hawkish Deo has been knocking on the door for a few weeks now, and this might be his best chance yet to push it open. If he lands in the two-hole behind Moon Bound, he'll be the one chasing hardest in the stretch.

Principal Pallie In a field where anything could happen we're not about to count him out. Has lots of speed at the start so should be up handy early and could be hanging around late.

Race 3 2-3-7

J Patrick After going a big trip in defeat last week, JJ Patrick looks poised to pounce. He lands in a good spot again here and draws inside once more. He's the one to beat.

Brookdale J Mac If there's a horse in here that could upset JJ Patrick with a smoother trip, it's this guy. He hits the bottom of the class ladder and retains Langille who knows him best so he's sure to be a large factor in here.

Starship Destiny We're not tossing Starship Destiny out with the bathwater just yet. Yes, the post is far from ideal and the lines aren't exactly flashy but we know he's sitting on a big trip. Although the post 7 draw is not the place to get it all, so maybe a smaller share.

Race 4 3-5-1

Starshipsalicia She may not leap off the page with flashy gate speed, but she shows up to play and is sure to turn one of these top-three finishes into a trip to the winner's circle. Is it tonight?

Run For The Money Racing well as this level and is a top contender to get it all again tonight. She doesn't need to be on the lead to be effective and could be the one flying home if the pace heats up early.

Unbridled Fury Just making her second start so she lands in the show spot for us as a class-dropping threat. One to watch.

Race 5 1-3-8

Mia She lands back in against mares she's proven capable of handling, and the post gods have smiled upon her tonight. With rail control and her raw speed we say top call.

Timberlea Lady One of the most consistent in the bunch, and she put in a strong rally last time out in a similar group to win. Sweet gets along well with her so she is a strong second-choice who wouldn't shock with a win.

Stonebeachlily Draw is ugly, but she raced well last time in the Graduate Series. We'll tab her as a live outer play.

Race 6 3-1-2

Dilicious Has been nothing short of razor-sharp in recent weeks with two convincing wins in his last two outings. His recent clockings put him right in the conversation for top honours once again. Hard to look past.

Melody Maker The rail draw will go a long way in setting this one up for a big piece. He's got upset potential if the trip goes right.

Starshipzodiac Draws inside again and continues to pace useful miles, but just hasn't quite landed the knockout punch yet. If a speed duel ensues or one of the top two misfires, this gelding is poised to clean up the pieces late.

Race 7 7-2-8

Thelestartie Form is good and Merner picks up the drive again. She's a versatile sort with both off-the-pace and grinding ability, and that can be enough to separate from this group in the late going. The one to beat with any sort of trip luck.

Howmac Charger A stakes campaigner last season and is sure to get better one of these days so she could absolutely pick up the pieces. MacPherson stays loyal, and that's always worth noting.

Windemereontheline A front-end winner for Heffernan last start. She likely isn't going to the lead tonight but this field is soft enough she's not without a shot to blow up the ticket. She offers big value if you're shopping outside the favourites.

Race 8 6-5-2

James Reigns Is likely to get a more aggressive steer than he's been receiving as he is sure to be the favourite in here. He is far from a sure thing as this field is begging for a big payout at the windows.

Mr William In a field that lacks standout consistency, this gelding stands out for his current sharpness. If the tempo is fresh early he may press the issue and seize control late.

Machbook Pro From Post 2 she should be forwardly placed without having to exert too much energy early. She's capable of grabbing a share or better if everything aligns. One for the exotics with the right trip.

Race 9 5-6-1

Lady Llamrei Made a break leaving last week then went an incredible mile afterwards. We see another trip in 1:57 or better tonight and will treat her as the one to beat.

Dollys Sky Her last few efforts might look flat on paper but if you zoom in closer she's been doing a lot of the work in those races. She's overdue for a breakthrough and this could be the night she gets back in the winner's circle at a nice price. A definite play at the right odds.

Princess Halo That 1:57 line from last week jumps off the page and she can't be ignored with rail control tonight.

Longshot Play Dollys Sky

Race 10 2-3-4

Freemans Legacy He's in razor-sharp form right now and draws inside again off a very solid win at this same level last week. The consistency, class, and post all point to a repeat effort.

Sharky Went a huge trip to win last week defeating a former Gold Cup and Saucer finalist. Very live value play.

Sauble Attack Murphy is back aboard and he draws well to be close early and able to close late. Not a bad option in multis, and a definite factor for higher if he gets any kind of cover trip.

Value Play Sharky

Race 11 5-3-1

Im Sir Scarlet He's been rock solid all season long and continues to show he belongs in the top rung of his sophomore division. His last start at Summerside was a gritty effort as he was parked a long way in defeat to Almost Amos. What makes him so appealing tonight is the change in post position in a shorter field. MacLean has him firing on all cylinders and this looks like the right setup for him to get the job done.

Almost Amos There's nothing to knock about this guy's 2025 campaign with two wins and two seconds. Lots to like as he looks to repeat his June 14 win.

Louie The Great Draws the rail for MacPherson, who will surely be looking to land a stalking two-or-three-hole trip. If the two favourites go to war up front, this guy could be sitting chillily and looking to strike late. The kind of triactor horse you don't want to leave off your ticket.

Race 12 2-1-5

Coasttocoasttshark This classy campaigner is one of the most reliable horses in this group and has been for years. Rides a two-race win streak into this one and could make it three.

Almost There Boss He's not often off the board at this level and draws inside as he will likely try to protect position into the first turn. If he can sit a two- or three-hole trip, his record suggests he'll be hanging around late. A definite factor with the trip.

Plain Jane She's been racing well and she has enough class to capitalize if the top pair hook up early and soften each other.

Race 13 4-3-1

Mick Shan N Joins the Chris MacKay barn after campaigning in the United States and racing some of the best half-mile horses on the planet. Was competitive in the Borgata series so he should be the best in this group tonight if he brings his "A" Game. This gelding looks like the type to make an immediate impact on the local scene.

Mr Kelly Was a dominant force in this class and last week's win was particularly encouraging as he was sent to the lead and never looked back. He's always dangerous when he gets on or near the engine and will likely be forwardly placed again tonight. Big player.

Howmac Charmer This time he finally lands the rail, which changes the equation considerably. If he can protect position off the wings he's good enough to sneak up the cones and hit the triactor or more.

Most Probable Miki Shan N

Race 14 5-7-1

Max Patrick Fresh off a trip in 1:55 and this gelding could be up for another big effort. If the price is right you should go his way.

Hunger Pangs - This 10-year-old was rolling last time in a fast mile as he looked like the former top class pacer this guy was in years past. The wide post isn't ideal but Corey MacPherson climbs back aboard tonight so there is lots of upside.

Howmac Powerball - Lands the rail and should be up close throughout. Most of his last few starts have seen him consistently land on the ticket, and his ability to leave the gate gives him a big advantage over many of these. Likely hits the board once again.
