Know Your Limit. Play Within It

POST TIME 4:00 PM

OFFICIAL PROGRAM NO. 25

\$3.00 - ON TRACK \$3.50 - OFF TRACK

Race 1 3-7-1

Gascolgne A C Has drawn favorable posts in his last three starts and capitalized with a win and two seconds, so with post three again today, he could be first or second.

All Better Has excellent gate speed, which usually puts him in a great spot to succeed. He made quick work of post six last time out, so I expect Kenny to leave out to secure another pocket ride, which could result in a top-two finish.

Windemere Skye This freshman filly is perfect through two starts and could win again today, but she's facing an experienced group of older horses, so I'm putting her in the show spot.

Race 2 2-6-1

Shanghai Whiskey Paced back-to-back trips in 1:59.4 and was used twice and came away with a second in his latest, so I'm giving him the edge in here.

Dance On Deck Was charted with a back half in 1:00 and kicked home in 29.1 in his qualifier, and Maclean usually has his stock ready to roll at first asking, so he could complete the exactor.

Kapueno Flew home in 58 seconds flat in that qualifier on July 28th, so Langille could engineer a victory in his debut if he gets his mount spotted a little closer to the action this week.

Race 3 4-5-1

Bettim Alive This horse can hum off the gate, so expect Barrieau to set up shop on the front. He almost went gate-to-wire last week, but that 55.1 half was too fast for him to see it through, so if Barrieau can find the brake pedal in the middle half, he could go all the way.

Evil Lou Almost swooped the field from post seven last week, so if there's a hot first half in this race, Mike and Lou could rally for another top two finish.

Rosetown Eclipse Has a win and a second from the rail right on his card and has the best seat in the house again today, so he should trip out to hit the ticket.

Race 4 5-2-4

Lyndale Mr Mac He was excellent from post five two starts back when he finished third and paced his mile in 1:57.4, so if Hughes can shoot out to an early lead, he could dictate the pace in this compact field and go gate-to-wire on top.

Moonlight Tried to cut the mile four starts back and gave up the lead late in the mile, so if Arsenault uses that early speed to grab a two-hole ride, he could grab the deuce, so include in your exactor plays.

Redlandxtinguisher He's been facing some tough company in his last few starts, but should find this field more to his liking. He looks like the best of the rest, so he could complete the triactor.

Race 5 1-3-4

Bentley Went the trip of his life two starts back and has three wins and a third in his last five starts, so he's coming into this race in top form. I expect Campbell to be aggressive and call the shots from start to finish.

Evil Vintage Was a winner on the class drop two starts back and raced well at this level last time out, so he could draft along the inside from this inside post and take his shot late in the mile.

Redland Sampson Chased hot fractions and got up for the win three starts back and followed that up with impressive miles in his last two starts, so if you're looking for value to complete the triactor, he's a great option.

Most Probable Bentley

Race 6 5-2-7

Woodmere Kobe Take a look at that impressive closing speed from this horse in his first two starts, if he's close at the ¾ pole, it could be game over for the competition.

Streakantonio Looked sharp in his qualifying win and raced well from post seven in his debut in Summerside. He should play a bigger role with this inside post today. Exactor play.

Bet On Evil Was a free-legged front-end winner two starts back, but after making a break last time out, Mike has put the hobbles back on. She had the hobbles on for her first start and raced great, so I expect a big effort from her today.

Race 7 2-1-3

One Rock Wasn't a factor in his last start, but raced super in his four previous starts. He has an inside post today, so if he gets to the front, he'll be tough to beat.

Bankroll He was defeated as the favorite last time out, but that was a tough first-over trip. He should get a much better trip from the rail, so add him to your exactor tickets.

Raised On Blacktop There shouldn't be a lot of movement in this compact field with the major players on the inside wing of the gate. He fired home well for Langille last week, so he could round out the triactor.

Race 8 6-2-3

Cheezwiz He's been racing in that tough 'winners of three not more than five races life' class since his victory on June 21st, and finally gets some much-needed class relief today. It's a gamble playing a horse that's been chasing the pace for so long, but if Kenny's patient, this field should come back to him, so I'm using him as my value play of the day.

Power Of Four Was flat on the end of his mile last week, but raced well before that start. He gets another crack at this bottom level from a better post, so I'm betting he bounces back with a solid effort.

Roll Your Coin He has drawn poorly in five of his last six starts, but despite the poor drawing luck, he has picked up cheques in four straight, so he's worth a look if you're playing the triactor.

Value Play Cheezwiz

Race 9 5-4-2

Imalookertoo His run-and-gun style wins at this level are in his rearview mirror, but he has shown he can still scoot right along when he's covered up. He has two top-three finishes from pocket trips in his last three starts, so if Merner covers him up, he should be close at the finish.

Laughagain Hanover It's been a minute since he has drawn a favorable post, and if you look at his lines, you'll notice he was a front-end winner the last time he left from this spot, so we might see similar tactics from Hughes today. He could be first or second, so you may want to box this exactor.

Ashes To Ashes Romped in the class dip two starts back and raced well last time out. I don't think he can contend for top spot, but his current form and back class put him above the rest in here.

Race 10 7-3-5

Mappos Lion We all watched him succeed at the big show at Woodbine Mohawk Park over the past few years, so it's great to see him back in the Maritimes. He has won four of his five starts this year and now moves into the hot Bo Ford stable, so I'm betting the winning continues and he picks up his 30th lifetime win.

Tradition Has hit the ticket in four of his last five starts and has a great post to possibly land on the podium again. He paced his last two trips in the 1:53 range and retains Campbell, so include him in your exactor and triactor plays.

Avatar J He has two deuces at this level in his last two starts and responded well after being scratched on June 14th, so I'm hoping he has another big effort after another three week break.

Race 11 1-2-5

Nothing Bugs Me He has won from off-the-pace, and he has wired the field on multiple occasions since arriving in PEI, so his versatility and speed give Barrieau lots of options. Barrieau will want front-end control in this small field, so I'm putting him on top.

One Wicked Man Paced his back half in 55.3 to finish second last week against aged company and faces another good group again this week. He should get a great trip following my top play, so I'm including him in my exactor play.

Phil My Beer Has won back-to-back Atlantic Sire Stake A divisions, and both trips came from front-end missions. Marc may use his great early speed to attempt a give-and-go with Barrieau; if he's successful, he could finish in the top two for an incredible ninth time from ten starts this year.

Race 12 1-8-3

Nova Scotia Strong He got roughed up and wasn't able to get a breather last week but tonight's journey should be a little easier as he drops in class and has rail control. He has yet to find the winner's circle since arriving in PEI, but tonight could be his night.

Dusty Lane Zoro Can't seem to shake his poor drawing luck with post eight for the third time in his last six starts. Fortunately, he's a great closer, so if the fractions are hot, he could rally to finish in the top three for the third consecutive week.

Abc Only missed one cheque in his last six starts and comes into this race off two strong efforts, so I'm betting he breaks through with a top-three finish.

Longshot Play Doc Darryl

Race 13 2-3-1

Ik Last Chance Dropped and popped two starts back and followed it up with a pocket pop to make it two in a row. He has his swagger back and a great spot on the wings, so I'm betting he extends his winning streak to three.

Well Said Celeb He was a winner for Hughes five starts back from a covered-up trip at a similar level, so with this inside post, he could hit the ticket on the class drop.

Shadows Terror Has three wins, a second, and a third in his last five starts and continues his hot streak at the draw, so he should draft in the top three and ride the rail right to the finish.

Race 14 3-1-2

Rockemsockem Scott Has terrific gate speed and should set the fractions for the third consecutive week. If Barrieau gets a breather like he did last week, they could double up.

Proudofyatoday Was on the outside looking in last week, but the shoe is on the other foot tonight. With rail advantage, I'm betting Keith pushes out to secure a pocket trip behind my top play, so I'm using him for second in the exactor.

Mr Rielly He's been sitting in the two or three hole in five of his last six starts, and those trips resulted in third-place finishes. He should get away in the top three again tonight, so another top-three finish seems inevitable.

Race 15 5-1-2

Miki Shan N He's been unbeatable through four starts in PEI, and he's fresh off his dominating victory in the Governor's Plate. He should get to the front with ease in this five horse field, so I'm betting he extends his winning streak to five.

Twin B Tuffenuff Was a front-end winner in his Governor's Plate elimination and finished a game fourth in the final, so he will most likely take the pocket ride right to the finish.

Bee Two Bee He raced huge in the Governor's Plate consolation as he brushed and crushed in 1:51.4. He'll have to take a seat tonight and take his shot late in the mile.

Race 16 2-3-4

Freight Air Was a winner at this level six starts back and almost went gate-to-wire last time out. He was used hard early and faded late in the mile last week, but he should get to the front uncontested tonight, so I'm putting him on top.

Moonwriter Takes another dip in class but has a better post to work from tonight, so if you're playing the exactor, he could be your best option for second.

Leavin Bruises Was only back 2 ¾ lengths at the finish last time out and gets a little class relief and the same post, so he should contend for a podium finish.

WILBUR & PAULINE MACDONALD MEMORIAL

Wilbur and Pauline were both raised on family farms in Orwell and China Point. The impact and presence of horses in their lives was ever present in their youth and continued with their family farm in Orwell Cove.

Wilbur and Pauline understood the fabric and culture of Islanders. The horse had always been a critical part of our culture and in fact, a large part of the fabric in the quilt that defines our unique Island culture. The combination of their love for these beautiful horses, the way of life they represented and their compassion for our community is why we want to remember their contribution to this sport.

Horses have been an important part of our lives whether physically present or remembered in family discussions. Saturday summer nights were for everyone to meet at the CDP to participate in this exciting sport with family members. Wilbur always had a desire to be around the horses and enjoyed watching Mighty Elmer, Hilltop Tim, and Eagle Jolt race over the years.

As every owner will tell you, horse ownership is not for the faint of heart. Some of Wilbur's greatest disappointments were young fillies not making it to the track after months of development. However, the joy of watching a young horse develop and reach the track was worth all the time and anguish.

With the objectives of ensuring a healthy future in standardbred racing, continued support of family in this sport was deemed logical. In his later life, Wilbur and his wife Marie partnered with Marc Campbell, his grand-nephew, in part to ensure that prosperous future.
