OFFICIAL PROGRAM NO. 21

\$3.00 – ON TRACK \$3.50 – OFF TRACK

Race 1 4-5-7

West Coast Kid Was used twice and finished second by a nose two starts back and raced well in his latest. Corey seems to get along well with him, and they have a good post to work from, so I'm putting him on top.

Hippyjohn There was speed to chase in his last start, and he pounced on the leaders late in the mile. He's been racing great over the past month and looks like a safe play for a top two finish.

Katies Bet He finally got to leave inside last week after four trips on the outside and came away with a strong second in 1:54.1. With post seven, he's at the mercy of the front-end speed, so if there's a big half like last week, he could rally to finish in the top three.

Race 2 6-1-5

Prince Malicious This horse was a winner in 1:56.4 as a two-year-old but has been stingy on giving us more of that speed this year. I keep waiting for that talent to appear again, and maybe tonight against this softer group, it will.

Bet On Evil Post seven at Truro Raceway is about as tough as it gets, and this freshman son of Bet The Moon raced about as good as you could from that starting spot. He's going up against a group of three-year-olds but has rail control, so I'm including him in the exactor.

Elm Grove The Moon Used his fast early speed to lead last week and almost got the job done. He elected to take the pocket ride two starts back and was a winner, so if Corey sets up a similar trip, he could be a winner.

Race 3 7-6-5

Dusty Lane Levi He had the trailing post last week and moved out to follow cover, but was pinned in with horses on both sides of him, and he never got to stretch his legs until the final 1/16 of the mile. If he gets a similar trip today and has a clear path in the quarter, he could pick up his third win of the meet.

Evil Lou Mike gave this horse a perfect second-over trip last week and was rewarded with a W. He has the same post again today, so if he gets a similar trip, he could win again.

Dj Mustang Has hit the board in five straight, and each trip was a little different, so we know he's versatile. He competed against this group last and almost picked up the win, so I'm betting he extends his top-three streak to six.

Value Play **Dusty Lane Levi**

Race 4 1-4-2

The Tulsa King Faces an easier class than he used to and gets some post relief after three trips on the outside wing of the gate. He shows some quick miles in his last four starts, so if Mike puts him on the front, he could go all the way.

Melanie's Magic Has paced three straight trips in the 1:56 range and hasn't picked up a cheque. It's hard to believe, but horses have been flying around this oval this year. He drops another level and should find this group more to his liking, so include him in your exactor plays.

Buddysnvirgins Has great gate speed and comes into this race off a solid third-place finish, so with post two, he should be forwardly placed and could hang around for the show dough.

Race 5 1-3-2

Friar Voltaire Raced well in his first start here for his new connections and has drawn well again today, so I expect Sweet to be aggressive and call the shots on the front.

Gascoigne A C Marc has the hot hands, and this horse can get off the gate well, so they should be sitting up close to the lead. If you're playing the exactor, he's a great option.

Rosiesmightymane He spotted the field eleven lengths at the quarter last week and didn't miss by much at the finish, so with this inside post, he should get away a little closer to the action. If he's close at the top of the stretch, he could reel them in at the finish.

Race 6 2-1-3

Macho Phil Has struggled since returning to action in 2025 and finds himself in our bottom condition. He's in dire need of a confidence-building win and has a great post, so I'm betting he gets out of his slump with a front-end win.

J K Express Should get a pocket ride behind my top play, and he loves a covered-up trip, so if Macho Phil falters late in the mile, he could pick up his 35th career victory.

Roll Your Coin Finally draws inside after three trips from post seven and leaves right alongside two talented horses, so he'll most likely sit mid-pack and draft to a top-three finish.

Race 7 3-1-4

Spack Jarrow Gets a heaping scoop of class relief and a great post to work from, so if you're looking for value, you may want to look elsewhere. He shows making front from post eight on that bottom line, so I'm betting Corey puts the pedal to the metal and they go coast to coast.

Doc Darryl He's coming into this race off a sharp second in 1:56.2, so with rail control, I expect Colin to hitch his wagon to Spack Jarrow and take the two-hole ride right to the finish.

Heres To Art Almost went gate-to-wire from the rail last week but had to settle for second. It was a game effort and should fire him up. His last few starts have been strong, so he could grab a piece of the top-three pie.

Race 8 2-7-8

Pendleton Rodeo Wore down his competition in a gutsy first-over win and paced his back half in 56 seconds flat. He's looking for the three-peat, and with post two, I'm betting he gets it.

Allaboutthecash Jumped up in class and wired the field in a lifetime best of 1:53.2 in his latest. He's six for seven in the top three since his return in May, and that trend should continue today. If he drew inside, I would put him on top, but post seven will be tough to overcome, so I'm putting him in the place spot.

Jack Boswall Went the trip of his life two starts back and rallied from the back to finish last week. He's another with great potential but has to work from the outside against a talented group, so I'm using him for third in the triactor.

Race 9 1-2-3

Shadows Terror Double dipped at the bottom level and was a winner both times. He was racing against the best in the Maritimes to start the season and lost some confidence, but those back-to-back wins should put some pep in his step, so I expect a big effort.

Jk Last Chance Had a nightmare trip last week, and looks like he's another horse that has lost some confidence. I'm hoping the class relief and inside post equate to a positive result today. Exactor play.

Keeper Floored Looked like he was going to circle the field last week, but flattered out in the stretch. He takes another dip in class and has dominated at this level in the past, so use him in your exactor and triactor plays.

Longshot Play **Proudofyatoday**

Race 10 8-4-3

Dusty Lane Zoro He's a great closer, but wasn't rewarded for his efforts until he dropped in class last week when he grabbed the show dough. He drops another level today, so I'm looking for him to circle the field in the late stages of this race.

Ashes To Ashes Strung together a pair of wins and then had to swim in some deep waters, but he's back down where he should contend for top spot. Take a look at those closing quarters, impressive stuff. If Barrieau trips him out, he could complete the exactor.

Check Your Source Has hit the board in his last two starts, so if Merner leaves out and gets a spot up close to the lead, he could make it three in a row.

Most Probable **Dusty Lane Zoro**

Race 11 5-4-2

House Edge Hanover Was a winner from off-the-pace in Woodstock three starts back and front-end winner here last time out in a new personal best time of 1:53.1. His versatility should come in handy from post five in this five-horse field, so I'm giving him the edge in this contest.

Avatar J Has the inside advantage over my top play, and there isn't a ton of early speed to his left, so I'm betting Jason leaves out to secure a pocket trip. Darren has this horse in the best shape of his life, and he won from a pocket two starts back, so he'll be tough to beat today.

Early Play Reeled off four straight wins while marching up the class ladder and has finished third at this level in his last two starts. He has a great post, so he could land on the podium again.

Race 12 2-1-7

Sports Teller Take a look at his post positions in his last five starts. Post two should feel like a head start for him today, plus he's coming into this race off a win, so I'm betting he goes back-to-back.

Bettim Alive He was a wire-to-wire winner three starts back on the class drop and raced great for Hughes two back, so they could be first or second in here today, so box them up in the exactor.

One Wicked Man He staged a late rally to finish second last time out, so with post seven, he'll have to rely on that great closing ability to hit the ticket again today.
