Race 1 3-2-5

Wired Blue Chip She's been on the outside looking in but really not that far away at the finish. Gets a much better spot to work from and Campbell is red hot so they could kick off the card on a winning note.

Southwind Ricochet She took advantage of a perfect pocket ride drafting all the way and just missing at the very end. It looks like a similar trip could be in the works and if that's how it plays out, she may even reach up a win.

Magnificent Mia She had to brave it first up last week and finished on the edges. She was sharp prior to that, and MacPherson is back in the seat so if you're searching for a price this could be the one for you.

Race 2 3-2-5

My Pocket Rocket He was up against a good group in the All Star Cresting Trot Series but still fired home in 29.3. Gets the same post for this attempt and looks to have the speed to compete so we'll call for top spot in here.

Little Arrow When you look at the lines he's had some breaking issues but did close out in 30.1 last time. We're thinking Heffernan Sr. will have him on the front foot and if that's the game plan he could go right down the road.

Majian Blazes We had him as our long shot play of the day and he just missed lighting up the tote board. It was still a great effort, and he draws a better spot on the wings so we're putting him in the top three tonight.

Race 3 5-2-6

Windemere Skye She was in a little tussle in the qualifier before getting to the front and scoring in 2:02.3. We're betting Campbell will have her up near the action and if that's the case she could hit the wire first.

Maid To Play Excellent effort in the qualifier scooting home in 28.1 and just missing by the slimmest of margins. There's little doubt Desroche will be gunning from here and be on or near the lead at the start and finish.

Fallon Another one who was storming on the end of the mile and the program reads 28.3. Lines up in the same post and Merner will have her well placed so she could come calling late and have a say in the outcome.

Race 4 1-2-5

Cinnamon Swirlz We liked the way she raced three back tracking all the way and closing it out in a quick 28.2. The good news is she draws the rail, and MacPherson is rolling along so we'll take a swing and call for the gold.

Moon Bound Take a peek at the line two back where she just missed in a blanket finish and was less than a length away. Makes the journey to Charlottetown and Dowling is listed to drive so we say first or second this time.

Pop The Pin She raced well from post three drafting all the way and finishing a rock solid second. Moves further outside and that was a confidence booster so if Hughes keeps her close it could be win, place, or show.

Race 5 3-6-2

Cant Catch Pepper Zipped off the wings and never looked back going coast to coast in the qualifier. We're thinking the tactics will be the same tonight so if she does get to the front, it could be a repeat performance.

Hatchling She was able to follow along in the qualifier and kicked home in 30.1 over Truro Raceway. Makes the trek to PEI and Campbell gets the call to drive so keep that in mind when placing your wagers.

Basho She was up against older horses in the qualifier but still came home in 29.2 and charted in 2:01.2. Gets a prime time post to race from and with Merner at the lines she's a good option to complete the tri.

Race 6 6-3-2

Lorne Valley Barb She's been living on the edges for close to a month but racing at higher levels. Slides down the class ladder and moves outside but if Heffernan Jr. has her close at the top of the lane she could get all the marbles.

Saulsbrook Annie She was able to track from post four last out and did hang on for the show prize. Remains at the same level and we're betting Dowling will be aggressive from the word go so you may want to hop on board.

Elm Grove Nanci She just missed hitting the top three in her first start off the bench and settled for a fourth place finish. Draws the same spot on the gate and Murphy knows her well so she could be upset minded.

Long Shot Play Elm Grove Nanci

Race 7 5-6-4

Rocket Blast He's been sharp since arriving back on PEI and was just nipped in the final strides. Takes a dip and this has become a great partnership so there's a strong chance he returns to his winning ways.

Jessiejesorjessica She's been right there in most of her starts but can't quite find the win column in 2025. Gets some class relief for this assignment and Dowling knows her best so be prepared for a good result.

Majian Tango He was on the fringes last time out but only three lengths away when it was all said and done. Slides in a spot on the wings and has the step to go with these so we're putting him in our tickets.

Race 8 2-3-4

Windemere Saddy We had her on top of the ticket last week and she delivered going right down the Red Shores highway. Draws another great post and it will be green light go so she could double up at Red Shores.

Talldarklatte She's been razor sharp all season long and the numbers on the page back it up. There's no doubt she's going to get a great trip from here and could score a natural hat trick from post three.

Topville Angelina She's been oh so close to winning and was closing in at the wire last time. Takes a slight dip and those closing quarters say a lot so if Barrieau has her close when they swing for home she could get a major share.

Race 9 5-3-4

Stealing Bases We liked her to win last week and she raced great just getting edged out at the wire. It was still a nice effort, and Campbell remains on board so she could go one better this time.

Skip Across Have a look at the line two back where she sat in the pocket and angled out late to secure the victory. Just a friendly reminder she did have the most wins in 2024, so she'll be close if not a winner in here.

Howmac Jazzy Girl She was on the lead for part of it last week before settling for a fourth place finish. She's also dropping down for this start and Murphy knows her well so she could get that first win of the season.

Value Play Stealing Bases

Race 10 5-4-1

Buckhead Ridge He's been great since arriving on the Island and has reeled off six in a row in Charlottetown. He's also back on the outside and Campbell won't wait long so we're calling for the win steak to hit seven.

Fight Song He was flying on the end of it last week and able to reel in New Legacy right on the wire. He's back in a familiar spot and knows how to win so if you don't want to play the chalk this could be a savvy choice.

Helpful Princess She flew off the wings at Northfield and went gate to wire scoring in 1:57.4. It looks like she can handle the half mile surface and will be tucked in so she could get a part of it from the cones.

Most Probable Buckhead Ridge

Race 11 5-4-3

Woodmere Delta She's been living on the fringes at Woodbine Mohawk Park but still putting up some nice trips. Makes her return to the Maritimes and did have five wins in 2024 so she could be smiling for the camera.

Islebetu Islebeatu She's been in the mix week in and week out and if you need more proof have a look at the lines. Moves to the middle and with Campbell at the wheel she could get that first victory of 2025.

Real Smokeshow Take a closer look at the last chart line because that was from post position eight. Much better starting point and the price will be friendly so she's a good option to round out the triactor.

Race 12 1-5-6

Elm Grove Mistress She's been excellent for over a month but can't quite find the winner's circle. Now she lands on the cones and is going to get a sweet journey from here, so we think she flips the script tonight.

Ms Moyse She's one of the most consistent mares on the Island and the stats on the page tell the story. Slides out to post five and can really storm home so if Merner has her close at the top of the stretch she could sweep them all late.

Galway Girl That was a big time effort last week coming first up and scoring a narrow victory at the very end. Now she must race from the outside but coming off that performance she's back in the top three.

Race 13 1-6-5

Psili Ammos We loved the way she raced four down bossing it all the way and just getting collared at the wire. She's back at the same level and we're thinking the strategy will be the same only this time she goes all the way.

Elm Grove Penney Fired to the front in the blink of an eye three down going wire to wire for the win. She may not get that trip tonight but with Marc at the controls we're putting her in the exactors.

Rock N Roll Cays Dowling was guarding the cones two back and she almost wired the field from the rail. She's back at the same level and likes to finish third so with that in mind we're putting her in the Red Shores Super Hi 5.
