OFFICIAL PROGRAM NO. 24

\$3.00 - ON TRACK    \$3.50 - OFF TRACK

### Race 1 4-6-2

**Going For Blood** Pretty good effort in the gold at Summerside finishing third and closing it out in a solid 29.1. Makes the move to Charlottetown and coming off that performance she could hit the wire first.

**Woodmere Summer** She was on the edges at Red Shores Summerside but don't forget that was against the gold fillies. Slides out to post six but we're confident Langille can map out a trip from here and hit the top three.

**Electrafllying** She was sent to the point and led for a long way before settling for the show spot. We're betting MacLean will have her on the front foot again so we're putting her in the triactors.

### Race 2 3-4-1

**Helpfull Princess** She's been up against the best trotters on the east coast and more than holding her own. Takes a dip for this attempt and Merner will have her well placed so we're putting her in the win column.

**Rocket Blast** We liked the way he raced three back tracking all the way and just missing at the very end. He's back in a similar spot and MacPherson knows him best so he'll be right there when it's all said and done.

**Majian Salsa** Excellent effort last time out winning by three and change and firing home in 29.2. The good news is she gets the rail and that was a confidence booster so keep that mind when you're heading to the windows.

### Race 3 5-2-1

**Maid To Play** She's off to an excellent start in her racing career and if you need more proof take a look at the lines. Moves out to post five and those closing quarters hop off the page so she could get that first lifetime win in here.

**Cant Catch Pepper** She was on the outside for part of it in Summerside and missed hitting the ticket. Makes the trek back to Charlottetown and gets a better post to work from so we're betting on a good result tonight.

**Windemere Dinozzi** She was on the fringes in her first career start but that was also from post six. Land on the cones is going to get a tidy trip from here so if you're searching for value this could be a savvy choice.

### Race 4 1-3-4

**Hallysgurl** She raced great in her first for a purse going right down the road and scoring by four lengths. She also gets another great post to race from and will be up handy the action so we can't rule out a repeat performance.

**Mile Hill Cash** Have a peek at the line three down where he cleared past three quarters and was a winner in 2:01.3. He's back in the same spot and with Corey at the lines he'll be close if not a winner again.

**My Pocket Rocket** Check out the chart line on July 3rd where he sat in the pocket all the way before reaching up late to get the gold. There's no doubt he has the speed to go with these so it could be win, place, or show.

### Race 5 3-5-1

**Allaboutthebet** She had to brave it first up last week and raced great just getting nipped in a blanket finish. She's also back at the same level and one these times everything is going to go her way... we say tonight.

**Pownalbay Colleen** She was oh so close to winning last time and less than a length away at the wire. Slides out to post five and MacPhee has been rolling along lately so we need to include and so should you.

**Southwind Ricochet** We liked the way she raced three back drafting all the way and just missing by the slimmest of margins. It looks like a similar journey could be in the works and if that's how it plays out, she might even get it all.

### Race 6 3-5-4

**Dusty Lane Kahlua** She was on the edges at Inverness but still trotted her mile in a solid 2:02. Now she's back at her home track and Desroche will have her up near the action so she could get that first career win.

**Dibsonthecaptain** She was up against some tough customers at Red Shores Summerside but still trotted her mile in 2:02.4. Draws post five for this assignment but in a compact field like this she'll have a say before it's over.

**Longblacklimousine** He made an early break in his parimutuel debut but came back with a gate to wire score in the qualifier on July 21st. While you're at it look at those closing quarters so if Langille can keep him flat he could hit the board.

### Race 7 4-2-1

**Sagali** She raced well two down on her card tracking all the way and securing the bronze. Moves to the middle and MacPherson is listed to drive so with that in mind she could come calling late and get the glory.

**Smilin In Heaven** She never really got into it last week but was racing at higher levels. She gets a prime time spot to race from tonight and Chappell will be pushing the pace so mark her down as our Red Shores long shot play of the day.

**Royoz Allie** She's missed the board in two straight starts but was racing up the class ladder. Gets some class relief and all those third place finishes really stand out so she's a good option to complete the triactor.

**Long Shot Play Smilin In Heaven**

### Race 8 4-1-2

**Saulsbrook Rolo** We'll sum up that start at Red Shores Summerside in one word...wow! Now she makes her first start in Charlottetown and Marc won't wait long so we're calling for a natural hat trick to start her career.

**Saulsbrook Desi** She took advantage of a perfect pocket ride nabbing the deuce and charted in 1:58. There's little doubt she's going to get a sweet trip from here and looks to be a serious contender for top spot.

**Exhilarating** Zipped off the wings and made every call a winning one scoring in 1:59.4. We're thinking MacLean will have her well placed off the gate and if that's the case she could sneak onto the ticket from post two.

### Race 9 3-6-2

**Buckhead Ridge** Powered to the front last time out and was a going away winner in 1:57.1. He draws inside his main rival again and we're wagering Campbell will have him on or near the lead at the start and finish.

**Fight Song** He's been excellent the past six weeks and set a new track record at Red Shores Charlottetown. He's back on the outside looking in from post six but if Hughes has him close when they swing for home he could get all the marbles.

**Ripped And Ready** He made an early miscue last out and took himself out of the race. He was sharp prior to that and trotted a mile in 1:57.2 two back so if Clow can keep him flat they could get the show spot.

**Most Probable Buckhead Ridge**

### Race 10 3-1-2

**Tobins Brownie** We picked her to win on Thursday night and she raced well finishing third and charted in 1:55.3. Drops a notch for this start and just a reminder she did win eight times last year so we're calling for the gold.

**Avyanna** She was sent to the point and never looked back going coast to coast in her Island debut. We're thinking the tactics will be the same again and if Barrieau gets to call the shots she could double up at Red Shores.

**Tribal Dancer** MacPhee was guarding the cones last week sending her down the Red Shores highway in impressive fashion. Bumps up the ladder but should get another nice trip so we aren't about to leave her out.

### Race 11 1-6-5

**Obsessed With Lou** We loved the way she performed two back reaching up late to get it all. Just a friendly reminder she already has four wins in 2025 and with MacPhee at the controls what's not to like?

**Islebetu Islebeatu** She was tucked in the entire way last week and did hang on for the show dough. She may not get that trip this week but with dash leader Campbell on board she could sweep them all late.

**Mia** She's been hit and miss in 2025 but did have a nice win back on July 10th in Charlottetown. Moves out to post five and has the talent to compete so if Merner has her in the mix at the top of lane she could be part of it.

### Race 12 2-1-3

**Howmac Jazzy Girl** She had to brave it first over last week and did rally in to get the show prize. Remains at the same level and gets a better spot to work from so this could be the night she flips the script.

**Saulsbrook Annie** She was able to follow along in her latest and less than a length away at the finish. There's no doubt she'll be up near the pace and if Dowling is able to control it from the get-go she could go right down the road.

**Irie** We had her on top of the ticket last week and she delivered getting that first victory of 2025. Moving on up the class ladder and MacPhee is back in the bike so keep that in mind when placing your wagers.

### Race 13 1-5-2

**Elm Grove Mistress** She was sent to the engine and raced great just getting edged out in the final strides. We're thinking the Blue Knight will be aggressive off the wings and if that's the game plan it could be lights out for the competition.

**Steady Heart** What a start she's had to her season and just a whisker away from seven straight wins. Draws post five for this assignment but if she closes in 27 and change, she could return to her winning ways.

**Promise Me Later** She was storming on the end of the mile on Thursday and did rally in for the runner up spot. Now she's climbing the class ladder, and Dowling knows her best so be prepared for another good result.

### Race 14 1-5-2

**Galway Girl** She was sent off as the favorite last week but couldn't deliver as the chalk choice. Takes another dip and will be up near the pace so we're betting she bounces back all the way to winner's circle.

**Sensational Gal** She may be the sharpest horse on PEI and the numbers on the page back it up. She's moving on up again and Rogers is closing in on a big milestone so she could hit a Red Shores grand slam.

**Havarti** We had her for part of the ticket last week and she delivered nabbing the silver and charted in 1:57.2. Another one who bumps up the ladder and Langille knows her best so we're putting her in our wagers.

### Race 15 5-1-3

**Rosetown Mary** She was up against the best mares on the east coast and only two lengths away at the finish. Slightly better draw and with the way she can fire home we think she seals the deal in Charlottetown.

**Talldarklatte** She's been sharp for over a month and the stats in the program tell the story. She's in deeper waters now but is going to get a favorable journey from here and could be upset minded.

**Windemere Saddy** First and second in her previous two and less than a length away last time out. She's back at the same level and Merner is listed to drive so we'll play the odds and call for third.

**Value Play Sugar Bowl**

### Race 16 2-1-4

**Ms Moyse** She looked to be in a good spot last week but settled for a third place finish. Takes a minor drop and those closing panels are impressive so she could close the card on a winning note.

**Shake N Blake** She was on the fringes last Thursday night but not that far away from the top three. She's also another class dropper and will be covered up for a long way so we say first or second tonight.

**Redland Peaches** She made a first up move and cleared to the lead delivering as the post time favorite. Takes a slight hike and Corey will have her well spotted so we're putting them in the Red Shores Super Hi 5.
