OFFICIAL PROGRAM NO. 19

Know Your Limit. Play Within It

\$3.00 - ON TRACK \$3.50 - OFF TRACK

Race 1 4-2-9

Big Pond Cash Stepped up his game significantly in June with a win and two seconds and paced miles in the 1:55-56 range, which was a stark contrast to his previously recorded miles. If he can keep this hot streak rolling, he could kick off July with a W.

All My Lovin Is 5 for 5 in the top three this year and comes into this race off a gutsy first-over second-place in an 'A' stake in Inverness. He should get a great trip from this inside post, so include him in your exactor plays.

Jack Wick Arsenault wasn't having much luck with this horse when he tripped him out, so he elected to put the pedal to the metal last week, and it paid off. Not the ideal trip Kenny was looking for, but the effort and result made up for it. That type of drive could fire this horse up, so he's worth some action from this trailing spot.

Race 2 1-4-3

Shadows Inthe Nite Showed some early speed off the gate last time out and was only back 2 ¾ lengths at the finish. He gets a driver change and the pole position, so I'm betting Brodie pushes out from the rail and they lead gate-to-wire.

Elm Grove The Moon Sat in the pocket and got up for his first career win last time out. Corey used him twice in the mile so it was a pretty sharp effort. He has the same post in a similar class, so we may see a similar result.

Moonlight Did the heavy-lifting on the front last week and faded to fourth. His trainer is at the controls tonight, so we might see a stable entry shake n bake. If Kenny can map out a pocket trip behind my top play, they could be part of this triactor.

Race 3 2-1-4

Friar Voltaire Shows some nice miles over Rideau Carlton, so he should fit in well here. He's camera shy, but he gets a great post to work from and picks up Sweet for the spin, so I'm playing the change of venue angle, and putting him on top.

All Better He has raced extremely well over the last few weeks, but should've picked up a win off that perfect pocket trip last week. He gets the rail for the third consecutive week, so another top two finish could be in his cards tonight.

Woodmere Sinatra Has stepped up his game over the past two weeks, hitting the board in back-to-back starts. I expect that trend to continue with this inside post.

Race 4 3-2-6

Saulsbrook Ian Gets a little class relief after chasing the best horses in Atlantic Canada over the past month. If there are hot early fractions, he could mop them up late in the mile.

Mantario He's a major threat when he draws inside. If you look at his last six starts, he has drawn inside four times and has landed in the top two in three of those starts, so I expect him to be close again tonight.

Early Play He gets more impressive with each passing start. He has steadily improved since entering the Holmes stable and hasn't looked out of place when racing the big boys over the past few weeks. Post six will pose a challenge for him, but I wouldn't be shocked if he ends up in the winner's circle after this race.

Race 5 9-2-7

Dusty Lane Levi He loves a target to chase and can pop off cover, so post nine could set up perfectly for him to stalk from mid-pack and take a shot at the leaders late in the mile, so I'm using him for my value play of the day.

Dj Mustang Take a look at his post positions in his last six starts. Scary stuff. He finally gets a starting spot inside of post four, so I expect Campbell to take advantage and point his mount to the front. He's another great option for win.

Nothing Bugs Me Has two wins, a second, and a third from four starts at Red Shores and went the trip of his life last time out. Post seven will pose a challenge, but a top-three finish isn't out of the question.

Value Play **Dusty Lane Levi**

Race 6 3-1-7

Rockin Novel Has been close in his last two starts, but unfortunately for him, there have been eye-popping fast miles at this level the last two weeks. Tonight could be his night.

Heres To Art Is making his fourth start back after a long layoff. He looks like he's rounding into form after that sharp fourth-place finish last week, so with rail, he could contend for the win.

Roll Your Coin His luck at the draw isn't getting any better as he makes his third consecutive start from post seven. He looks like the best of the rest, so include him in your triactor plays.

Race 7 4-1-2

Allaboutthecash Tied his wagon to Malignity and rode the pocket right to finish and paced an incredible mile with a nice closing quarter. The Holmes stable is heating up, so I'll give him the edge.

Mr Rielly Has reeled off three thirds in a row and moves back inside, so I expect him to be forwardly-placed and draft to another top-three finish.

Brookdale Ollie He's in the midst of a career year and hasn't missed a cheque in quite a while. He gets a favorable post to contend for more dough tonight. He may offer a longer price than others in this race, so I'm including him in the tri.

Race 8 4-3-2

Sports Royalty Wasn't a factor in his first two starts from outside posts to start his 2025 campaign, but raced much better from the rail last week. Picks up Campbell for the spin so the eleven-year-old veteran could pick up his 26th career victory.

Check Your Source Just missed at this level last week and has drawn inside again tonight, so he should contend for the win, but I'm putting him in the place spot.

Jks Henry Finally got some class relief last week, but post seven put him at the back of the pack, and he couldn't make up ground off that soft half. He has a much better post tonight, so I expect him to be a factor.

Race 9 3-4-1

Proudofytoday Was a close second in 1:55 to Shadows Terror last time out and raced great in his three previous starts. He could offer good value in this spot, so I'm taking a shot at putting him on top.

The Sports Desk Dipped in class last time out and tried to lead gate-to-wire but faded to third as the post time favorite. He drops another level, so he should attract attention from the punters again tonight and could go all the way this time.

Abc Has faced tough company from outside posts in his last five starts, so the class drop and post relief should make him a top-three contender tonight.

Race 10 1-2-5

Malignity He was revving up for a big mile, and the conditions were right last week as he romped on the class drop. He moves up in class but has the rail control, so I'm betting he wires the field again tonight.

T H Boomtown It looks like he threw in the towel last week, but if you look closely at the fractions in that race, you'll notice the first half in 58.2 and the back half in an incredible 54.2! Tough to keep pace with that speed. I'm betting Barrieau puts him on Paul's helmet and takes a shot for the win in the stretch.

Sonny Black This horse has his steering issues, but he's extremely fast, and his speed was on full display last week. He doesn't mind roughing it on the outside either, so if he has clear sailing, he could hit the ticket.

Race 11 1-2-3

Katies Bet There's a few horses on the card tonight that have drawn poorly over their last few starts, but this horse could take the cake for poor drawing luck since arriving in PEI. He's raced quite well considering he spotted the field at least ten lengths every week. The rail should put him in the middle of the action tonight, so I'm betting he puts one in the win column.

Melanies Magic Takes a dip in class after pacing in 1:56 in his first two starts back. He has a great starting spot, and the veteran should be a little tighter this week, so I'm including him in the exactor.

Georges Credit He was second by a neck three starts back and was only back 3 ¾ lengths at this level last week, so I'm going longshot shopping, and this horse looks like an excellent candidate to hit the ticket and inflate the tri.

Race 12 5-2-4

Dusty Lane Zoro He's suffering from a classic case of poor racing luck, and he hasn't had much luck at the draw either. He was flying home in his last two starts, so it's not from a lack of trying. The class relief could be enough to put his 2025 campaign back on the rails. If you're looking for value, look no further.

Im Hungry He wired the field three starts back but struggled from less-than-ideal posts in his last two starts. I expect Langille to be aggressive from post two, so we could see another front-end mission. Exactor play.

Redland Sampson Hasn't finished out of the top four in his last six starts and finished second the last time he dipped to this level, so include him in your triactor plays.

Longshot Play **Dusty Lane Zoro**

Race 13 2-3-5

Impeccable Shadow He just missed at this level in his first start off the bench and staged great rallies to finish third in his last two starts. He gets some post relief tonight, so I'm betting he breaks through with a win.

Almanac Drops back down where he's been successful and has a great post to work from, so he should play a major role in this race, and if you're looking for evidence, take a look at that trip three starts back.

House Edge Hanover That was a sharp effort from post seven in his first start back at Red Shores. He was an off-the-pace winner at Woodstock and will most likely have to race from the back again tonight, so look out for his powerful late brush.

Race 14 5-1-2

Save America He was unbeatable from post eight last time out, so the fact that he gets to move in three spots on the wings only makes matters worse for his competition. He wired the field in his first two starts, so I expect more of the same tonight.

Merigo Magic I picked him to win from post eight last week, and that may have been a tall ask after seeing how sharp Little Leroy was in that victory. This horse spotted the field ten lengths at the half and was only back three lengths at the finish, so he still raced awesome. He has a much better post this week, so I'm betting he completes the exactor.

Blood Money Was a wire-to-wire winner from post two four starts back and then had to battle from the outside in his last three starts. He moves back inside, so I'm putting him in the show spot.

Most Probable **Save America**

Race 15 4-1-3

Pendleton Rodeo Was ready to roll in his first start off the bench. That was an eye-catching win in 1:54.4. He moves up in class, but expect him to be a little tighter this week, so I'm betting he goes back-to-back.

Phil My Beer Has great gate speed, so I expect him to be up close to the action. He has a win and four seconds in his last six starts and has a great starting spot to contend for another top-two finish.

Bettim Alive Dropped and popped with a front-end victory two starts back and raced great from off-the-pace last week. He moves back inside, so don't overlook him in this spot.
