POST TIME 6:00 PM

OFFICIAL PROGRAM NO. 16

\$3.00 - ON TRACK \$3.50 - OFF TRACK

Race 1 2-8-5

Travelin Soldier Has post two, joins the MacEachern barn and has Dowling in the seat. With that type of setup, expect him to leave alertly and either cut the mile or find a perfect pocket trip. He's the pick.

Chromed Up Likes to light up the tote board from the outside and although the price won't be as big tonight, the winning is just as likely.

Arthur Idlam Don't expect fireworks, but expect him to be part of the final frame.

Race 2 2-3-5

Mikita The only one in the field that has already tasted victory and from post 2 we don't see anyone standing in his way tonight.

Mandy's Last Dance She's now drawn well in four straight and tonight gets Langille at the controls. Chris MacKay's barn has been bringing them to the track sharp this month. If she duplicates her recent efforts and trips out again, she could be very dangerous late in the mile.

Elm Grove Tuxx Fought hard on the lead in his latest and deserves respect again. He doesn't have the wins to show for it yet, but he's facing a very beatable field and could provide late value with the right setup.

Race 3 1-5-7

Baby Step Back Everything points to this mare being ready to find the winner's circle again. She can control the fractions or sit tight behind a pacesetter and pounce late. The Armstrong barn has her sharp, and with that kind of form, she's clearly the one they'll all need to beat.

Miss Believing If our favourite gets beat, it will be this one doing the beating. Beware.

Molly Malone With the right outer flow and a live helmet to follow, she can absolutely storm home late. This is a good class level for her to break through in so don't overlook.

Race 4 3-1-7

Fire And Blood He's the most race-ready of the group and we're giving him top billing. He has the closing gear to inhale them late.

Lady Helena There's a lot to like about this filly. She sat close in both her qualifiers and has the rail again with MacPherson picking up the drive. A strong threat to go all the way.

You Already Have She's an intriguing option from the far outside and if Rogers can get her involved early without losing too much ground from post 7, she could be a very lively part of the mix.

Race 5 1-6-3

Anniemosity If you can figure out who the favourite is in this wide open field then by all means bet them. This filly has rail control after some bad posts so we'll play her on top.

Fern Hill Jubilee If there's a sleeper in here with enough talent to blow it open, it might be this one.

Sweet Silvia If she can get off the gate cleanly and grab a seat mid-pack, she could slide up any kind of share in the stretch. She's still working her way back, but she's trending in the right direction.

Race 6 3-2-1

We Danced Anyway This filly has done everything but win in her first trio of starts and is overdue for her picture. She was second in all those appearances and if Dowling has her figured out, she now lands in a field where there's not much early speed to challenge her if he chooses to control it.

Woodmere Bullet He fired a 1:59 mile over Truro in just his first career start and the big plus is his early foot he can blast and hasn't shown a hint of greenness in his first few tries. He's a real threat if he lands on or near the lead without pressure.

U Bettim Easy Raced well in her debut and retains Murphy as she searches for career win number one.

Race 7 2-3-1

JJ Patrick Draws inside and will demand all kinds of respect in this one. He's beatable but definitively the favourite.

Wild River Coyotee Gets clear of a red hot Brookdale J Mac for this one after leaving well his last two starts. He's now drawn inside again and should have every chance to sit close or press the tempo if needed.

Silverhillightnin With the rail and a hot pace likely, he should be involved early and try to slingshot late. A win wouldn't surprise here.

Race 8 6-2-3

Little Leroy This class is a breath of fresh air for him and despite the outside draw, he's got enough late speed to be a serious factor. He's the top play.

Pendleton Rodeo Scratched sick last week, but his form leading into that scratch was outstanding. This is a horse who has kept company with Preferred types and isn't afraid to take it wire to wire when he's on his game. Dangerous if sharp.

Woodmere Ideal Art Has a chance to get it all but this group is stiffer than he has been facing. He'll be involved.

Race 9 2-4-5

Brookdale J Mac This gelding was a strong winner his last two leaving no doubt about his current form. Paul Langille wasted no time in his latest establishing command and never looked back, and tonight he draws inside again to potentially work out a similar trip. We'll see what the tick up in class does to his dominance. Top call.

Watchmaker Drops for this one and finally lands a decent post with a manageable bunch. A horse like this thrives when he can follow cover and roll three-wide, and Downey knows him well. If the tempo is honest up front, Watchmaker could be winding up from the three-quarter pole and rolling hard through the lane. He's a top play in here, and could very well win it all with a well-timed steer.

Brookdale Jim Has been racing fantastic and looks like one we can't possibly leave out of the ticket.

Race 10 3-9-1

Twisted Joke Gets better all the time and gets a prime time spot to leave from. We see him as the one to beat.

Mac Andover He shows strong final quarters week after week, and even from post 9, he has enough early speed to secure mid-pack position. Just needs a decent trip to get the job done.

Crosscut His 1:57.4 mile last time at Charlottetown came with a respectable 29-second closer, and while he hasn't won in a while, this might be his best shot yet as his rookie pilot looks for career win number one.

Value Play **Twisted Joke**

Race 11 1-3-5

Almanac He's the class of the field and lands the rail to make his return to the \$5,000 claiming level an even more appealing scenario. Last time out he wired a tougher group in 1:58.4 and has now won two of his last three while pacing sub-1:59 miles in all three. He's got early speed, middle speed, and can finish. What more is there to say? Most probable winner on the card for good reason.

Hardy Mill Joe He was perfect in his first start off the claim by the Collings barn then just beat last week. He's sharp and versatile — don't overlook.

Pam Her lines shows a mare moving in the right direction. Desroche will need to navigate a clean journey from post 5, but with some late kick and a hot tempo, she could blow up the board at a price.

Most Probable **Almanac**

Race 12 4-6-1

Almost Amos His form is cycling back around and he's been more involved early in recent weeks. With MacPhee back aboard and a good post, he's in the perfect spot to get it all. He's sharp and improving — don't dismiss.

Wizard This flashy closer hits the board every week. Even from post 6, he should get a live helmet to follow and be stalking turning for home. This is the main threat — and the closer with the best kick.

Flamin Fredy This is a class he fits perfectly, and should be involved in the finish.

Race 13 1-2-3

Run For The Money She's been knocking on the door and tonight gets her best chance to kick it in. Expect her to leave and either control the mile or trip out from the two-hole.

Timberlea Lady If the fractions are honest and she grabs a helmet to follow, she could be sneaky late. She's got the back class to make this interesting.

Starship Beauty Paul Langille sticks, and trainer Williams has her trending upward. She's now had a couple of tightenings over the track and could be ready to go forward again. Expect her to be rolling early and sitting no worse than third.

Race 14 6-5-9

Canvas Of Stars The draw is ideal here with inside speed to follow and options off the wings for Desroche. Trainer Chris Davies has her on her game, and if the pace is right, she's your longshot play with a legitimate shot to take them down late.

Therealprincess Downey knows her well and has been aggressive off the wings lately. If she gets to the front or finds a pocket trip, she'll be in prime position to take a cut at the wire.

Rollwithitdarling If she gets any kind of tow into the stretch, she could steamroll past the favorites. Don't dismiss.

Longshot Play **Canvas Of Stars**

Race 15 3-2-5

Mantario This veteran campaigner has been dancing in tough company all season and drops into a very winnable spot tonight. Tonight, he catches a class he's very familiar with and gets Dowling in the bike from a cozy post 3.

Sauble Attack Paul Biggar's warhorse continues to grind out paycheques, and his last few starts show he still has a serious closing kick. Murphy could have this guy poised for a late lunge up the passing lane or wide down the stretch.

Tony Too Tall He's a class horse that's now been handed a slightly softer group than what he's faced most of the season. Last start he was tackling the Governor's Plate final he's likely to be rolling from the get-go tonight and could be first to the lead. If he clears and gets a breather, it could be lights out. Major danger with the right trip.

Race 16 8-4-6

Louie The Great Lands in a spot where his late kick could be devastating. MacPherson will be looking to stalk and pounce late in the finale.

Starshipzodiac Has been razor sharp in all of his recent outings. If the trip works out and Louie The Great has to do too much from post 8, this fella is another who could wear them down late.

First Glance Here's your longshot play and a potential sleeper that could blow up the ticket in a field full of ticket busters. A 1:52.2 performer last season — don't let the recent results fool you. Anything is possible.
