POST TIME 6:00 PM
OFFICIAL PROGRAM NO. 29

\$3.00 - ON TRACK \$3.50 - OFF TRACK

Race 1 1-4-2

Pauls Crown He was a step behind Tobins Chester, Merigo Magic, and Jackie's Boy during his stake career here in the Maritimes, but still banked great money and had a speedy mark of 1:54.4. He's back home after racing in the United States and is reunited with Campbell. He has the rail in our bottom condition, so he could win in his first start back in PEI.

Moonwriter He looks like he's lacking confidence right now, so the class drop should help get him back on track. He's the class of this field and has a great post to work from, so he should contend for the win.

Roll Your Coin Spoiled a great post last time out after drawing poorly in four of his last five starts. He gets a chance to redeem himself from a great post, so I'm betting he bounces back with a solid effort tonight.

Most Probable Pauls Crown

Race 2 5-1-4

Flamin Fredy Has two wins and two thirds in his last four starts, which included an Atlantic Sire Stake B division win in Summerside two starts back. He has good gate speed, so he could go gate-to-wire on top.

Lyndale Mr Mac Was a winner in his last start and showed a solid third in 1:57.3 four starts back. He should get a great trip up close to the lead, so don't overlook him if you're playing the exactor.

Redlandxtinguisher Trainer Kenny Arsenault made an equipment change for his last start, adding a Tony Morgan spreader, and it looked like it helped. He kicked home in 27.4 to finish third, so he could be second or third in this race.

Race 3 5-2-1

Sagali She has won two straight, and both trips have been front-end missions. She picked up a new speed badge in her latest, so her form is excellent coming into this race. She could three-peat.

Princess Halo Was a front-end winner in the bottom condition last time out and was really close at this level two back. She should be forwardly placed, so include her in your exotic plays.

Tells Bells Has great early speed, but closing it out has been an issue for her for quite a while. She has seven wins this year, so hopefully the change of address gets her season back on track.

Longshot Play Stonebeachlilly

Race 4 1-6-2

Saulsbrook Rolo She's a special filly and has been perfect in her freshman campaign through three starts. She looks like she's beaming with confidence, so with post one, we should see more of the same tonight.

Wednesday She's making her first start back after a long layoff, but that qualifier tells me she's ready to compete. She has incredible early speed, so I'm betting Heffernan sets up shop on the front. If she's well-rated on the front, she could be second best.

Nofool Tobago Has hit the board in her last four starts and was a winner in her latest, so with this inside post, she should be sitting up close to the action and could keep her top-three streak intact.

Race 5 1-2-3

JK Express Put up big fractions on the front last time out and faded late in the mile. He's races better when he's covered up, but after looking over this field, I'm not sure if Marc will feel confident following, so he may be forced to cut the mile again this week. If he can get soft early fractions on the front, he could go all the way.

Brookdale Thomas Shows quick miles in his last six starts and hit the board in both attempts at this level, so with this inside post, he should be close again.

JJ Patrick Was a solid third two starts back and just missed four back and both trips came from inside posts, so with a favorable post again tonight, he could complete the triactor.

Race 6 2-4-1

Abiding Art Gave up the lead late in the mile last week, but it wasn't from a lack of effort as he kicked home in 28.1 in the loss. If he can run it back with that same effort tonight, he could notch his first win of the meet.

Rollinread He's been red hot in Truro over the past few weeks with two wins and a second in his last three starts. He has good gate speed, so if Neldie gets him off the gate well, he could be first or second.

Redeyetoshanghai Take a look at his last two trips from the rail; both trips resulted in top three finishes, so he could trip out to another top three finish from the rail tonight.

Race 7 1-5-2

Judicial Shipped over to Summerside and finished a solid third from a covered-up trip on July 29th. With rail control, Ryder can choose his trip, so they should contend for top spot.

Almanac Dropped into this \$5,000 claimer two starts back and was a well-rated winner. He's been successful against much tougher company this year, so he looks like the one to beat.

Bankroll Got a perfect pocket trip last time out and came away with a second. He fits in well at this level and has another inside post, so he could be a great option for exactor players.

Value Play Judicial

Race 8 3-1-4

Promise Me Later She's been facing some heavyweights over her last six starts, so she should enjoy this class drop and inside draw. She has good gate speed, so I expect her to go coast to coast on top.

Goil Yard She's another mare that has competed against the best in the division over the past several weeks. She dropped to this level last week but couldn't overcome post eight, so with the pole position and Campbell in the driver's seat, she should contend for top spot

Stealing Bases She was a close second in this class back on July 16th, so with speed on the inside of the gate, I'm betting she drafts mid-pack and takes a shot at the leader late in the mile.

Race 9 1-5-6

Malevolent He paced his back half in 55 seconds, last quarter in 27 seconds to finish second against top-aged pacers last week. In his last stake event, he tried to run away and hide from the competition and came away with a second. With rail control, I expect him to call the shots, so if Langille rates him well, he could lead gate-to-wire.

Phil My Beer He beat my top play three starts back and followed it up with another strong performance on the front to go back-to-back. He raced super again last time out, so I can't wait to see these two titans of the division compete again tonight.

Woodmere Rocketman He has hit the ticket in nine of his eleven starts this year, but has struggled in the 'A' division, so with this outside post, he looks like the best of the rest.

Race 10 1-2-6

Rockin Novel He performed well from the rail on July 26th when he finished a close second to Laughagain Hanover and followed it up with another strong effort the following week, so with rail control again tonight, he could trip out to contend for the win.

Marleys Boy He's been improving steadily since his qualifier on July 7th. He just missed two starts back and staged a strong rally from post eight last time out. He should offer good value on the class jump, but he's worth a look from post two.

Highway Of Heros Has raced well against aged company in Inverness, and horses shipping over to PEI from Cape Breton have been doing well here, so I'm including him in my triactor play.

Race 11 1-3-5

Big Pond Cash He's been rocking and rolling to front-end wins in three of his last six starts. Other than that clunker four starts back, he's been consistently posting big miles, so with post one, I'm betting Marc controls the pace from start to finish.

Miramichi Charlie Has great gate speed, so if Merner's aggressive off the hop, they could set up shop in the two-hole. He has five top-three finishes in his last five starts, so if he gets the pocket ride, he could grab the deuce.

Onions Te Go He was second to Bentley in his last Atlantic Sire Stake B division in Truro and hasn't missed the top two since that start, so he should contend for second or third.

Race 12 5-4-1

Elm Grove Mistress Has been racing at a high level for many years and always brings her best effort, so we should see a big effort from her tonight. I expect her to cross over to the front pretty quickly, so of Dowling gets a breather, they could go the distance.

Carnival Heart She needs a trip, but if there's speed to chase in this race, she could pick up the pieces late in the mile like she did five starts back.

Tobins Future She was an easy winner on the front two starts back and followed it up with solid third from a first-up trip. She was a front-end winner for Campbell five starts back, so if you're playing the exactor and triactor, she has to be on your radar.

Race 13 3-2-4

Rosetown Eclipse Finished a close second to Phil My Beer in an Atlantic Sire Stake A division two starts back and went the trip of his life last time out in an overnight event. He has a great post to stalk from a covered-up trip, so he could go back-to-back.

Dilicious Has great early speed and does his best work up close to the lead, so if Darryl can get him spotted up close, he has the potential to finish in the top three.

Bentley Has four wins in his last six starts, so he's full of confidence. He may not be on the front going into the first turn but I could see Marc making a move for the front in the second quarter. If he's successful he could contend for a podium finish.
