POST TIME 6:00 PM

OFFICIAL PROGRAM NO. 30

Know Your Limit. Play Within It

\$3.00 - ON TRACK \$3.50 - OFF TRACK

Race 1 2-5-4

Saulsbrook Carly She was covered up the entire way and just missed in a close finish at the wire. Makes the trek to Charlottetown and Murphy will have her well spotted so she could go one better this time.

Mclovin He was closing in at the wire on August 4th and the final panel was in 29 seconds flat. Draws post five for this assignment and judging by the lines looks to have the step to compete so we say first or second tonight.

Kapueno He does have a start pending but we liked the way he raced on August 2nd zipping home in 28.3. Moves in a couple of spots and MacKenzie is home to drive so they're a good option to complete the tri.

Race 2 1-5-4

Isle Mach Da Money She took advantage of a perfect pocket ride in the qualifier drafting all the way for the deuce. It looks like she'll be up handy the action from the start and if that's the case she could get the gold.

Windemere Dinozzi She made a first up move on Thursday night and did hang on for the show prize. She's also back in the same post and that was a confidence booster so expect her to have a say before it's over.

Matnificent Rose She sat in the pocket most of the way before making a late move and drawing off to win by a wide margin. Makes the move to Charlottetown and retains Murphy so they're back in the top three.

Race 3 1-2-6

Nova Scotia Strong Blasted off the wings two down and went coast to coast like butter on toast. We're betting the tactics will be the same tonight and Mike will be flooring it from here so they're on top of the ticket.

Fout We liked the way he raced two down tracking all the way and securing the bronze. It looks like a similar trip could be in the works and if that's how it plays out, he may even reach up and get the top spot.

Howmac Exclusive He was absolutely storming on the end of it last time and just missed by the slimmest of margins. Makes the journey to Charlottetown and MacPherson is rolling along so this could be a savvy choice.

Race 4 1-4-6

Starship Sundancer She hasn't been close in her last few but did make a break back on July 17th. She was a winner from the rail and is back in the same spot tonight so you may want to hop on board with Campbell.

Bakers Dozen Take a closer peek at that last line because she made up a ton of ground and closed in 28.4. We're thinking she'll be a little closer to the pace tonight and with Langille at the wheel she'll be close if not a winner.

Lila Berry She does have a start pending but was a rock solid third two back and closed in a swift 28.4. It won't be easy from post six but the stats on the page say she likes to finish third so that's where we'll put her tonight.

Race 5 2-3-6

Diamond Girl She's been living on the edges for over a month but was racing up the class ladder. Takes a dip for this assignment and Murphy will have her on the front foot so this could be the day she flips the script.

Run For The Money Excellent effort two down on her card finishing fourth but only a length away when it was all said and done. Gets a prime time spot to work from and Sweet knows her best so we're putting them in our tickets.

JJ Scarlett She led for a long way at Inverness before settling for the runner up spot. Now she arrives on PEI and dash leader Campbell gets the call to drive so keep that in mind when placing your wagers.

Race 6 4-3-5

Fallon That was some effort at Red Shores Summerside winning from post seven and closing in under thirty seconds. We're wagering it will be green light go and if she does boss it early it could be lights out.

Going For Blood She's put together a couple of nice starts and was a winner in Charlottetown and Woodstock. Draws post three and Arsenault will have her well spotted from the hop so expect more of the same tonight.

Woodmere Summer That was a sharp performance from post six closing in a solid 28.4 and reaching up to get the silver. She's back on the outside looking in but in a compact field like this it could be win, place or show.

Race 7 2-3-1

Big Bad Bruiser He had to do it the hard way three back braving it first up and scoring in 1:56.4. He also has a start pending and Marc gets along well with him, so we'll take a shot and put him on top of the podium.

Ashes To Ashes First, second, and third in his previous three starts and was charted in 1:55.2 last time out. Bumps up the ladder but he's been here before and with Barrieau at the controls he'll be a factor at the finish.

West Coast Kid Zipped off the wings three back and went right down the Red Shores Highway scoring in 1:57.2. There's no doubt he's going to get a sweet journey from here and could sneak onto the ticket.

Race 8 1-2-6

Howmac Dixie She's been on the fringes the past three weeks but racing from tougher posts. The good news is she draws the cones, and Hughes will have her up near the action so get ready for that first lifetime win.

Couldhavebeenalady That was an impressive qualifier on August 1st tracking all the way and closing it out in 28.2. She also gets a great spot to work from and will be tucked in, so we like her for part of it in her first for a purse.

Tobins Cover Girl She was closing in at the finish in her career debut and just missed hitting the top three. Slides out a couple of spots on the wings and if Merner keeps her close she could have a say before it's all said and done.

Race 9 2-5-3

Woodmere Sinatra He had to brave it first over in Summerside and finished on the edges. Makes the trip to Charlottetown and the price will be friendly so with that in mind mark him down as our value play of the day.

Geishas Treasure When you look at the lines those closing panels hop off the page and the last three have been in 28 and change. Moves out to post five and if Desroche keeps him in the mix, he could sweep them all late.

James Reigns We loved the way he raced three down reaching up late to get the gold and rewarding the punters with a nice pay. Draws post three and the numbers say he likes to finish third, so it makes sense to put him here.

Value Play Woodmere Sinatra

Race 10 1-2-6

Tarariser This She never really got into the race last time but remember that was from post seven. Lands on the pylons and Campbell will be guarding the rail so she could be smiling for the camera.

Alwaysinfullforce She's been battling tough posts in her past two and missed the ticket both times. Now she draws post two and should get a tidy trip from here so she could land back in the top three.

Elm Grove Uncannie Excellent effort at Red Shores Summerside drafting the entire way and rewarded with the silver. She's on the outside tonight but coming off that performance we can't leave her out.

Race 11 4-1-3

Burn Out Hanover There's no doubt he loves to race on the front end and was a five time winner in 2024. We're wagering Sweet will be gunning from the get go and be on or near the lead at the start and finish.

Louie The Great Another one that's been on the outside but really not that far away at the finish. There's little doubt he's going to get a smooth journey, and we won't be shocked if he reaches up to get the glory.

Doc Awesome He's been excellent for over a month and if you need more proof take a look at the lines. Slides down the class ladder and his form is terrific so we need to include and so should you.

Race 12 1-2-4

Windemere Skye She's a perfect three for three to start her career and flew home in a snappy 27.2 last time out. She's also back on the rail and Campbell won't wait long so we're calling for a grand slam.

Saulsbrook Desi She's hit the board in four of six starts and does have a win at Red Shores Summerside. Much better starting point and she may be able to draft from here so we're putting her in the exactors.

Glas Gem Have a look at the line three down on the page where she finished third and was charted in 1:57.4. Moves to the middle and those closing quarters are rock solid so she could get a share from here.

Most Probable Windemere Skye

Race 13 5-2-3

Delightful Wine He's been living on the edges at Inverness but does have a couple of wins in 2025. Just a friendly reminder he did take his record on PEI last year and with Campbell on board they could close the card with a win.

Georges Credit He does have a start pending but was charted in 1:56.4 last time out. The draw did work out in his favor this time and the price may be generous so he could be a factor from post two tonight.

Abc He also has a start pending but was a five time winner in 2024. He's also back in a familiar spot and MacKenzie is on PEI to drive so with that in mind we're putting them in the Red Shores Super Hi 5.
