POST TIME 6:00 PM

OFFICIAL PROGRAM NO. 31

\$3.00 - ON TRACK \$3.50 - OFF TRACK

Race 1 6-4-8

Galapagos Comes into this race off a confidence-building win in 1:59.2 and showed good early speed in that victory, so she could go back-to-back.

Serenity Now Has raced well every start and has flashed good closing speed, but she'll need to get spotted a little closer to the action to pull out the victory tonight.

Elm Grove Tuxx Has hit the board in two of his last three starts and draws in against an inexperienced group tonight, so he could complete the triactor.

Race 2 5-4-3

Little Louis After a sharp second in his debut, he has reeled off two dominant victories and has a great post to take a shot at the three-peat.

Roseys El Girl Snapped home in 29.3 to finish second in her latest and should be forwardly placed again tonight, so we could see a repeat in the exactor.

Emberlees Rocket Finished a close second in his first start but couldn't overcome post seven last time out. If Marc can map out a ground-saving trip, she could contend for the deuce.

Race 3 4-1-5

Allaboutthebet She has landed in the top three in her last five attempts and has done the heavy-lifting every time. If Sweet can pick up some live cover, she could be a winner tonight.

We Danced Anyway She has great gate speed and rail control, so Dowling will have the opportunity to pick his trip. She was a front-end winner in the maiden class last time out and should be a factor in here.

Hosskat Ships in from The Meadows where she's been pacing miles in the 1:56 range, so I'm eager to see how she stacks up against this field. She should contend for top spot in this compact field.

Race 4 3-4-6

Longblacklimousine Take a look at those impressive closing quarters. He's been knocking on the door in his last two starts, so if he's close at the top of the stretch, it could be picture time.

Ma Barker Was a solid third last time out and trotted in 2:01.3 two starts back, so I'm betting Kelly leaves out and grabs a seat up close. If he can get her spotted up close, she could complete the exactor.

Majian Blazes Hasn't missed a cheque in his last six starts, and he would be at the top of my ticket if he had a better post. However, post six could put him in traffic trouble, so I'm putting him in the show spot.

Race 5 5-8-6

Ubettimagoodone She looks like she's rounding into form after that strong third last time out. She kicked home in 29.1 and paced her mile in 1:57.1. She gets some class relief, so I'm putting her on top.

Sports Royalty Will have to start from the outside for the second consecutive week. He made up a lot of ground last time out, so if Marc can get him into the flow, he could contend for the place spot.

Texasdrifter Makes his third start back after a year off and looks like he's ready to take a crack at the top spot after those two solid fifth-place finishes, so include him in your triactor plays.

Value Play Sports Royalty

Race 6 2-1-3

Oceanview Nikki She has two wins and two seconds in her last four starts and has a great post to put another one in the win column, possibly. Top call.

Mile Hill Cash Spoiled a perfect pocket trip two starts back, so if Marc can keep him on the trot, he has the talent to hit the ticket.

Dusty Lane Kahlua She has great early speed and has been on the front at the quarter in her last two starts, so she should be forwardly placed again tonight and could be close at the finish.

Most Probable Oceanview Nikki

Race 7 5-2-6

Outrageous Song Gets a big scoop of class relief and has raced well in her last six starts. There's inside speed in this race, so Barrieau will have to use her versatility to get the job done tonight.

Tells Bells She likes the front and will most likely set up shop on the lead, so if she can duplicate that qualifying effort from August 1st, she could notch her eighth win of the campaign.

Saulsbrook Annie Has drawn poorly again tonight, but if you look closely at her last chart line, you'll notice she gained 11 lengths in the final ¼'s of that mile, so she could be a great option for second and third in your triactor plays.

Race 8 4-3-5

West River Jet His only blemish on his card is that break two starts back, but he still rallied to finish third, so if he stays flat, he should go back-to-back.

Supreme Rockette She has hit the board in every start this year and took a new personal best in her last start, so with the inside advantage over her top rivals, expect another close finish between her and my top play.

Dusty Lane Gus He beat aged trotters in his first start off the bench and followed it up with back-to-back thirds in stakes competition, so if you're playing the triactor, he could be a great option.

Race 9 1-5-4

Hallysgurl She's been perfect through two starts in her freshman campaign, and that latest win was a track record performance, so even though she is facing aged trotters, I'm staying on her bandwagon.

Glider Man He's the veteran of this group and comes into this race off two sharp trips, so he has an excellent opportunity to pick up his 35th career victory.

Majian Salsa She shows three consecutive trips in the 1:59 range, and she has a great closing kick, so I expect her to stage a late rally. Top three play.

Race 10 2-4-3

Imalookertoo Was an easy winner two starts back, but struggled from post seven at this level last time out. He has a great post, so if Merner can keep him covered up, he could notch his 41st lifetime win.

Windemere Best Man Won three of his last five starts in Inverness, and his last two wins came from front-end missions. He has a line to be announced from August 9th, but off those previous trips, he could be a contender for the deuce.

Almost There Boss He has a line to be announced from August 9th, but he's been a solid player at this level in his last six starts, so include him in the tri.

Longshot Play First Glance

Race 11 3-4-5

West River Karuna He's been boom or bust in his first four starts, so if he stays trotting, he can get the job done, and if his current pattern continues, tonight could be his night.

Dusty Lane Margo Has been a bridesmaid in her first two starts and should trip out to grab the deuce again tonight.

Bonmati She fired home in 29 seconds flat to finish third last time out and was a solid third in her first start, so I'm betting she rounds out the triactor for the third consecutive week.

Race 12 5-2-4

Lady Devine Shows two trips in 1:54 in her last four starts and has closed well every start. She gets some class relief, so I expect Dowling to point her to the front and go wire-to-wire on top.

Ms Meaghan Sparkel She kicked home in 27.4 last week and was a winner at this level six starts back, so if Ryan covers her up, she could complete the exactor.

Rollwithitdarling She raced big for Campbell the last time he sat behind her at this level, and she has a better post to work from this time, so don't overlook her in this spot.
