OFFICIAL PROGRAM NO. 32

\$3.00 - ON TRACK

\$3.50 - OFF TRACK

Race 1 6-2-5

Daddy Boy Has great speed but was overzealous early in the mile last time out and couldn't carry that early speed to the finish. If he can get to the front and get a breather in the middle half, he could go all the way.

Windemere Barkley Has won three in a row but hasn't paced faster than 2:02 yet which is unheard of in 2025. I don't think we've seen his top gear yet, so if Mullins can engineer another pocket ride, he could contend for the win.

Overwhenitsover Much like Windemere Barkley, I don't think we've seen this guy's top gear yet. In Summerside, he sat in the three-hole through really soft opening fractions and couldn't make up any ground in that speedy back half. He got out late to finish second in his latest, so if there's a quick half, he could rally late to hit the ticket.

Race 2 6-5-1

Pauls Crown He's going for the Old Home Week double dip after scoring an impressive win in his return to PEI on August 11th. He moves out to post six but should dominate from start to finish again tonight.

Elm Grove Misty She kicked home in 28.2 to finish fourth in her latest and usually races well during Old Home Week, so include her in your exactor and triactor plays.

St Charlesfireball Has been battling tough post positions in his last six starts, so the move inside should put him in play tonight.

Most Probable Pauls Crown

Race 3 3-1-6

Woodmere Mahomes Has flashed great closing speed in his qualifiers and dropped four seconds from his last qualifier, so he could win in his debut.

Tiziano Has rail control and came away with two deuces from the rail in his last four starts, so he should be close again tonight.

Rollwiththewarden Has two impressive wins under his belt and closed in 27.4 in his only loss, so he's been rock solid and should contend for top spot.

Race 4 1-2-6

Jack Wick Bounced back with a solid second after three messy miles and won two in a row prior to that, so with post one, I'm betting Kenny sends him down the Red Shores highway.

Mappo Oriley A change of venue could put his 2025 season back on track after going 0 for 17 in Ontario. He could trip out from post two and grab the place spot, so include him in your exactor plays.

Gascoigne A C Marc Campbell has two wins and a second the last three times he sat behind this horse and picked up a new speed badge in his latest, so I wouldn't count them out here.

Race 5 6-4-2

The Gambling Man Shook loose late and rallied to finish third in his last start and has shown steady improvement since his qualifier on July 5th, so I'm betting he puts it all together tonight.

Woodmere Bet U Do Has good early speed, so I expect him to shoot out to the front like he did last time out. If he trips out, he could be second or third.

Do Or Di Shows back-to-back trips in 2:00 before that subpar performance last time out, so I'm hoping he bounces back with a big effort from this inside draw. Top three play.

Value Play The Gambling Man

Race 6 6-1-3

Den Of Thieves He had three weeks off before that victory from post eight last time out and gets to move in two spots on short rest, so I expect him to make it three in a row.

Woodmere Kobe Kicked off his young career with a strong second in 1:57.3 and then fell victim to a soft half in his last start, so he gets to control his destiny with rail. Exactor play.

Zero Two Sixty Only missed the board once in six starts and that was because of a placing, so he's been consistently good and could round out the tri.

Race 7 2-1-6

Goose Commander He was third in his first start and second last time out, so he's inching closer to the winner's circle and tonight could be his night to put a W on the board. He has a great starting spot, so we'll put him on top.

Windemere Britt He grinded out a gutsy first-over second in his debut and wired the field in his latest, so he could be first or second in here. I'm hitting the box button for this exactor.

Shanghai Whiskey Has raced really well in his first three starts but post six could pose a traffic problem for him, so I'm putting him in the show spot.

Race 8 3-4-5

Obsessed With Lou Has been razor sharp with a win and a second in her last two starts. She fired home in 27.4 in that narrow loss, so with post three, she'll be tough to beat.

Magnificent Mia She's been on or near the lead in those three wins on her page and picks up an aggressive driver in Brett MacDonald, so they might call the shots on the front. If Brett rates her well, she could pick up her fourth win in her last six starts.

Woodmere Delta She hasn't missed a cheque in her last six starts and was really close at this level in her last two starts, so she could complete the triactor.

Race 9 4-3-5

Jm Sportsfan Take a look at that trip four starts back where she cut the mile and finished a close second in 1:55.2. If she can duplicate that effort tonight, she could win on the class drop.

Shake N Blake She raced great at this level last week and has the inside advantage over my top play, so Dowling could cut the mile or take a pocket ride and either trip could put her in the top two.

Psili Ammos Has reeled off three deuces and kicked home in 27.2 in her latest, so if you're playing the triactor, she would be a great option for third.

Race 10 3-6-4

Sporty Anthony Put his division on notice when he scored in 1:56.3 in his debut and followed it with a well-rated win where he kicked home in 28.1. He has a great post, so he should dominate again tonight.

Louie The Lip I'm not sure what happened to him in his first start in Truro but he's been great in his last two starts, reeling off back-to-back wins. If MacPhee can get him forwardly placed, he could be second best.

Tobins Gem His two race winning streak came to an end when he was interfered with and taken out of contention in that lucrative Atlantic Sire Stake last week, so hopefully he doesn't have to deal with those issues tonight because he's another talented colt that should contend for a podium finish.

Race 11 6-2-7

Streakantonio Came away with a runner-up finish last time out where he paced his mile in 1:58, last quarter in 29 seconds. If he can match that speed and effort again tonight, it could be picture time.

Starship Sharky He was only back $\frac{3}{4}$'s of a length at the finish in his debut, so with post two, I'm betting Marc gets him off the gate well and they trip out to a top-three finish.

Woodmere Novak Was second by a neck in an Atlantic Sire Stake B division in his second start, but struggled in against the top colts in his last start. He's back in where he can contend for the win, but post seven will be tough to overcome, so I'm putting him in the show spot.

Race 12 1-3-2

JK Last Chance There isn't much that separates this field, so I'm sticking with the inside trio on the gate. This horse has rail control and almost went gate-to-wire on top two starts back, but got collared in deep stretch, so if Kenny puts him on the front and they get a breather, it might be enough to hold on to top spot.

Little Leroy He picked up a new record five starts back when he tripped out to win in 1:52.2, so if he can sit up close to the lead, he could contend for the win.

Sports Teller He's coming into this race off a fast-closing second, so if Merner trips him out again tonight, he could be your third place finisher.

Longshot Play Mantario

Race 13 2-1-3

Laughagain Hanover Has back-to-back third place finishes at this level in his last two starts and gets a better post to work from tonight, so I'm giving him the slight edge here.

Braxtons Boy He shows some quick miles on his page but he's lacking confidence. He gets some much-needed class relief and he has the coveted rail spot with Barrieau along for the spin, so he should play a major role in this race.

Hippyjohn Finished fourth from post seven last week at this level and hasn't missed a cheque in his last six starts, so with post three he could hold position off the gate and draft to a top three finish.
