POST TIME 6:00 PM

OFFICIAL PROGRAM NO. 33

\$3.00 - ON TRACK \$3.50 - OFF TRACK

Race 1 5-1-6

Spinelli She was closing in at the wire last out and that final quarter hops off the page. Moves out to post five for this assignment and that was a confidence booster so with that in mind she could kick off the Isle Pick 5 with a win.

Moonlight Fired to the front three back and led for a long way before settling for a fourth place finish. The good news is he's back inside and going to get a sweet journey from here, so we say first or second tonight.

Shadows Inthe Nite We liked the way he raced two back storming home in 28 seconds and just missing at the very end. He's on the outside looking in this time but with Campbell at the wheel we're putting them in our tickets.

Race 2 1-6-4

Irie Have a look at the line two back where she was just nipped in a blanket finish and closed in under 30 seconds. Lands on the pylons and MacPhee will be guarding the cones so she could get win number two on the season.

Woodmere Betcha She made an early break last time and never got into the race. She was sharp prior to that and has the speed to compete so if McGuigan has her close when they swing for home, she could get all the marbles.

Cinnamon Swirlz She was on the edges in stakes action but still paced a mile in 1:57 flat. Exits the stakes trail for this attempt and the numbers on the page indicate she likes to finish third so that's where we'll put her tonight.

Race 3 3-5-1

Dj Mustang Zipped off the wings and led at every call scoring in 1:57.3. at Woodstock. He's back on PEI and we're thinking the tactics will be the same tonight and if he does clear to the lead early it could be lights out.

Friar Voltaire We liked him for part of the ticket last time and he delivered finishing second by less than a length. He also has a start pending and those closing quarters are eye catching so we need to include and so should you.

James Reigns Take a peek at the line three back and you'll see he was a winner at Red Shores Summerside. Now he gets the rail and will be covered up for a long way so he could sneak onto the ticket from here.

Race 4 5-1-4

Tobins Dream She was flying on the end of it Saturday reaching up late to nab the gold. Lines up in a similar spot and gets a new pilot so if MacDonald has her in the mix at the top of the stretch she could double up.

Howmac Maleficent She's put together a nice 2025 season and does have the most money on the page. There's little doubt she's going to get a smooth journey from the rail, so we think she returns to the top three.

Windmereontheline She's been racing great for the past three weeks and if you need more proof have a look at the lines. Moves to the middle and her form is excellent so keep that in mind when you're heading to the wickets.

Race 5 2-5-6

Nolans Magic Shui He's been living on the edges in his past two appearances but was racing at higher levels. Drops a notch and was a seven time winner in 2024 so he could return to his winning ways tonight.

Jks Henry Take a look at the chart line five back where he drafted all the way before reaching up to share the victory. Gets the same class, same post, same driver, and a spot in the top three this time.

Cheezwiz Second and third in his last two attempts and closed in 28.4 on August 2nd. He's also back in the same post and one of these times it's all going to go his way so if you're searching for a price this could be the play for you.

Value Play *Dusty Lane Zoro*

Race 6 6-3-1

Woodmere Honeymoon She was able to track along in the sire stakes and was a solid third to Badgirl Bridgette. Slides out to post six and does have the fastest win on the page so we're putting her on top of the ticket.

Real Smokeshow We liked the way she raced two back securing the bronze and charted in 1:55.3. She gets another good post to work from and Hughes will have her well placed so she'll be close if not a winner in here.

Thelastartie First, second, and third in her last three starts and all of those were on the stakes trail. The draw did work out in her favor this time and this has become a good partnership so expect more of the same tonight.

Race 7 1-2-6

Howmac Powerball Excellent effort from post six rallying late to nab the show prize. Much better starting point and MacPherson has been rolling along so there could be an upset brewing from the rail.

Almanac He was in an early tussle last out but did hang on to win by a whisker. We're betting Dowling will be flooring it from here so if he does get to the lead he could go right down the Red Shores highway.

Saulsbrook Pika We liked the way she performed two down on her card firing home in a brisk 27.4 to get the runner up spot. She's back on the outside and the price will be friendly so she's a good option to round out the tri.

Race 8 2-1-5

Elm Grove Talia She was able to draft all the way and just missed by the slimmest of margins. She's also hit the top three in every start this year and Dowling knows her best so get ready for a good result.

Steady Heart She was up against some tough customers last time out and couldn't deliver as the chalk choice. She was sharp prior to that and Barrieau is listed to drive so there's a strong chance she's smiling for the camera.

Windmere Classie To say she's racing well may be an understatement considering she's hit the board in six straight starts. Moves further out on the gate and with consistency like that we're putting her in our tickets.

Race 9 2-3-4

Brookdale Jim He was oh so close to winning and less than a length away when it was all said and done. Remains at the same level and Langille will have him on the front foot so he could go one better this time.

Watchmaker He got to the front at Woodstock and was a nice gate to wire winner in 1:57.4. Makes the trek to Charlottetown and Downey will have him up near the pace and if that's how it plays out, he'll have a say before it's over.

Phil Dorleans He's been terrific at Red Shores Summerside and the numbers on the page back it up. Makes the journey back to Charlottetown but he's been here before and with Merner on board it could be win, place, or show.

Long Shot Play *Spack Jarrow*

Race 10 1-3-6

Pownalbay Colleen She's been right there in two of her last three and zipped home in 28 seconds flat. She's also going to be tucked in for most of the way and with MacPhee above the wheels they could hit the wire first.

Shadow Princess We picked her to win last week and she raced great just missing at the very end. She's back in the same spot and if she closes in 28 and change again expect her to be right there at the finish.

Miss Believing She was put on engine and did all the road work before settling for a second place finish. There's no doubt she can follow the car out, so we'll see what Murphy does off the wings but expect her to be a factor at the finish.

Race 11 4-2-1

Good Omen That was some effort last Saturday making up a ton of ground and storming home late to just miss at the wire. It was still a top notch effort and now he takes a slight dip so he could crack the win column tonight.

Gator Hanover We had him for part of the ticket on Saturday and he flew home in 28.3 to complete the triactor. Gets a prime time spot to race from and Merner will have him well spotted so we're putting them in the exactors.

Rockin Novel Campbell was guarding the rail on Monday and they went right down the road to victory in 1:56.3. Bumps up the ladder and will get a favorable trip along the cones so keep that in mind when placing your wagers.

Race 12 6-4-3

Badgirl Bridgette She's been dominating all season long and was a wire to wire winner last Saturday in Charlottetown. She may not get that trip this week, but Hughes won't wait long so it would be smart to hop on board with the Blue Knight.

Talldarklatte When you look at the lines she's always in the mix and does have five wins in 2025. Moves to the middle and this has become a good combination, so she looks to be a serious player from post four.

Lady Hess She was up against a good group last time out and more than held her own. Slightly better draw and MacPherson knows her well so she could land on the scene late and hit the top three again.

Most Probable *Badgirl Bridgette*

Race 13 5-2-3

Twin B Tuffenuff He had post eight in the Trial but take a closer look at the line because he closed it out in a brisk 27.3. He's also been in a lot of big dances over the past few years and knows how to win so with Barrieau at the controls expect him to map out a trip to the winner's circle.

Nuttin But Finesse He also closed in 27 and change in the Trial and don't forget that was from post six. Much better starting point and Downey will have him in the right spot and if that's how it plays out, he might even reach up and get the glory.

Lakers Bank He was able to track along in the Trial but faded to a sixth place finish. We're thinking Dowling will be aggressive from the hop and if he does get to boss it early, he may be tough to reel in at the end.
