OFFICIAL PROGRAM NO. 34

Know Your Limit. Play Within It

\$3.00 - ON TRACK \$3.50 - OFF TRACK

Race 1 1-6-5

Bronx Drifter Take a peek at the line five down where he was up near the action the whole way and did score in 1:53.3. We're betting Barrieau will be pushing the pace early so he's our Red Shores value play of the day.

Tradition He's been living on the edges in his previous two but those were at higher levels. He's also dropping down the class ladder and can really storm home so don't be shocked if he gets it all.

Navalny Zipped off the wings three back at Red Shores Summerside and was just collared in the final strides. He's back in the same post and if Sweet can get him well placed off the wings he'll have a say in the outcome.

Value Play Bronx Drifter

Race 2 4-6-2

Shill Hanover He had to brave it first over last out and paid the price fading to a sixth place finish. He was sharp prior to that and does have the fastest win on the page so we're betting on a big time bounce back.

Moonfall He has a start pending but is coming off a pretty quick mile and was charted in 1:55.3. He's on the outside looking in from post six but has the step to go with these so we're putting him in the exactors.

All Over Town She was able to track along from the rail and was charted in 1:57 flat. Gets another prime time spot to work from and all those third place finishes really stand out so we'll call for another one in here.

Race 3 3-5-2

Longblacklimousine He raced well last time out but couldn't deliver as the betting favorite. He also just missed two starts back and is knocking on the door for a win, so we'll play the odds and call for top spot today.

Dusty Lane Kahlua She's been excellent in the past few weeks and just missed doubling up on August 7th. Moves out to post five for this attempt and her form has been good so we need to include and so should you.

Little Arrow He was pointed to the front in the qualifier and never looked back going right down the road to victory. Gets a good spot on the wings and if he's past the breaking issues this could be a solid selection.

Race 4 3-4-2

Outrageous Song She was on the fringes last time out but check out that snappy closing quarter. Takes a dip and Barrieau will have her on the front foot so if she does clear to the lead, it could be catch me if you can.

Run For The Money Sweet gave her an excellent drive on Tuesday popping out late in the lane and driving by the pace setter to win. Moving on up the class ladder and coming off that effort she'll be close if not a winner.

Catchafewrays She also has a start pending but was on the edges prior to that. She's sliding down the class ladder and the stats on the page say she likes to finish third so that's where we'll put her today.

Race 5 1-3-7

Camco Lucas He was up against some tough customers in the sire stakes but still paced a mile in 1:56.3 from post seven. Much better starting point and MacPhee will be guarding the cones so he could flip the script today.

Chromed Up Excellent effort on Monday night and he just missed by the slimmest of margins at the finish. Draws the same post and dash leader Campbell is listed to drive so don't be surprised if he goes one better this time.

Tobins Storm He was able to draft along last out and did hold on to nab the show prize. He's on the grandstand side for this assignment and it won't be easy from out here, but he could come calling late and get a piece of it.

Race 6 2-4-1

Hunger Pangs He was able to track along at Red Shores Summerside and finished a rock solid second to Melody Maker. Makes the trek to Charlottetown and MacKenzie will be flooring it early so he could go gate to wire.

Silverhilllightnin Another one who's been on the edges but closed in under 30 seconds last out. Lines up in a familiar spot and the price will be friendly so we'll take a swing and call for the silver this time.

Fout He looked to be in a good spot last time tracking all the way before settling for a fifth place finish. Gets some class relief and is going to get a tidy trip from the pylons so he could sneak onto the ticket.

Race 7 3-6-5

Bless Me Father He's a perfect four for four to start the season and was a going away winner in Summerside. Draws post three today and Campbell won't wait long so we're calling for a Red Shores high five.

Desert Hayz Flew off the wings at Northfield and went coast to coast in 1:58.4. Makes the move to PEI and we'll see what MacPherson does off the gate but expect him to be a factor in his PEI debut.

Curadh He avoided the big dogs last time out and raced great reaching up to get the deuce. Bumps up the ladder but he's been here before so if Desroche can keep him close, he could hit the top three.

Most Probable Bless Me Father

Race 8 5-6-3

Love Party She's been battling tough posts for a while but did rally in to get the bronze three down. Slightly better draw and with MacKenzie at the controls this could be the day she finds the win column.

Southern Heart She's missed the ticket in three straight starts but was racing at higher levels. Just a friendly reminder she was a five time winner in 2024 and Corey knows her well so mark them down as the long shot play of the day.

Premier Heiress We liked the way she race at Inverness reaching up late to get the gold. Makes the journey to PEI and should be handy the action so with that in mind she's a good option to complete the tri.

Long Shot Play Southern Heart

Race 9 1-5-2

Tobins Future She was oh so close to winning on Monday and just missed in a blanket finish. She lines up in the same post and will be covered up for a long way and with Campbell at the wheel she could hit the wire first.

Elm Grove Mistress Fired to front from post five and was a gate to wire winner in 1:57.1. We're thinking the game plan will be the same today and Dowling will be gunning early so it could be a repeat performance.

Tribal Dancer That was a nice effort three down cutting it all out and winning in her Island debut. She's in deeper waters now but should get a favorable journey from here and if that's how it plays out, she'll be first, second, or third.

Race 10 2-6-1

Dusty Lane Levi We had him for part of the ticket last week and he delivered reaching up at the very end to win. He's back in the same post and MacPherson gets the call to drive so there's a strong chance he doubles up.

Big Pond Cash Eight for fifteen in top three finishes and does have four wins to his name. It won't be a picnic from post six but we're confident Campbell maps out a trip into the top three.

Redlandxtinguisher He zoomed home in 28.3 to get the bronze on Monday. The good news is he gets the rail and should be tucked in for a long way so with that in mind we're putting them in the Red Shores Super Hi 5.
