POST TIME 6:00 PM

OFFICIAL PROGRAM NO. 36

Know Your Limit. Play Within It

\$3.00 - ON TRACK

\$3.50 - OFF TRACK

Race 1 5-4-6

Topville Angelina She had to brave it first over on Saturday and paid the price fading to a fifth place finish. She was a winner prior to that start and Campbell is listed to drive so we think she bounces back with a strong performance.

Outrageous Song She was put on the engine and led for a long way before settling for a third place finish. She may not get that trip this time but with Murphy at the lines she could be a factor at the finish.

Islebetu Islebeatu Have a look at the line two down where she was storming on the end of it and just missed in a blanket finish. Draws a similar spot on the wings and the price will be friendly so she's our long shot play of the day.

Long Shot Play *Islebetu Islebeatu*

Race 2 1-2-5

Allaboutthebet She's been right there in every start but can't quite find the winner's circle. She also gets a prime time post to race from and Sweet will be guarding the cones so this could be the night she flips the script.

Red Dirt Rock It We liked the way she raced two back drafting all the way and nabbing the bronze. It looks like a similar trip could be in the works and if that's how it plays out, she could get the runner up spot.

Pop The Pin She looked great in the Lady Slipper winning in 1:57.2 and rewarding the punters with a nice pay day. She moves further outside and that was a confidence booster so if Hughes can keep her close, she could go back to back.

Race 3 2-3-5

Majian Tango He's been on the edges for over a month but up against the best trotters in the region. Takes a dip for this attempt and Ripley will have him well placed so he'll be close if not a winner in here.

Oceanview Daisy She was able to pocket ride all the way last out grabbing the deuce and closing in 29.4. We're betting Heffernan will be aggressive off the wings and have her up close so with that in mind we're putting them in the exactors.

Majian Salsa She raced great last time out reaching up late to get the gold. She's also climbing the class ladder, and Murphy gets the call to drive so keep that in mind when you are heading to the windows.

Race 4 2-1-5

Watch Me Shake It She was up against some nice fillies in the Lady Slipper Gold and really not that far away. Exits the stakes trail for this assignment and Arsenault will have her up near the pace so we'll call for top spot.

Kapueno Excellent effort during Old Home Week and did score that first career win in 1:58.1. The good news is he draws the rail and will be covered up for a long way so don't be shocked if it's gold or silver in here.

Pownalbay Colleen She looked to be in a good spot last week but just missed hitting the top three. Moves off the rail but in a compact field like this she could come calling late and complete the triactor.

Race 5 4-6-7

Smilin In Heaven She was able to track along from post three and the final panel reads 28.2 on the program. Moves to the middle and Chappell will have her on the front foot so if you're searching for value this could be a savvy choice.

Rosieallover She's been on the fringes for the past three weeks but racing at higher levels. Gets some class relief and MacPherson is coming off a very nice week so we'll take a shot and call for the silver this time.

Royoz Allie Second and third in her last two appearances and both of those were at similar levels. She's also on the outside looking in tonight but all those third place finishes really stand out so it makes sense to put her here.

Value Play *Smilin In Heaven*

Race 6 1-5-2

Fight Song He did all the road work in the Colonel Dan and was just collared at the very end. It was a still a great effort and we're thinking the tactics will be the same tonight only this time he goes all the way.

Buckhead Ridge To say he's sharp may be an understatement considering he's won four straight and 11 of 15 on the season. He's also back in the same post and this has become a great combination so don't be surprised if they win again.

Desert Hayz She never really got into it in her Island debut but don't forget that was from post six. Much better starting point and should get a smooth journey from here so she's a solid option to round out the tri.

Race 7 2-5-6

Miss Maddie P She's been living on the edges for the past few weeks but racing up the class ladder. Takes a dip for this start and should be well placed from the word go so this could be the night she turns it around.

Stealing Bases She looked to be in a good spot two back but couldn't deliver as the chalk choice. She's also dropping down for this attempt and with Campbell at the wheel we need to include and so should you.

Stonebeachlily She was able to rally in from post six and picked up the show prize. She's back on the grandstand side for this start but if Sheppard has her close when they turn for home she could sneak onto the ticket.

Race 8 6-1-2

Acefortyfour Dome She's missed the ticket in three straight starts but in against some top notch mares. Drops a notch and moves outside but we're confident Hughes maps out a trip to the winner's circle.

Lady Devine She crossed the line first on Saturday but was placed fifth when the results went official. Remains at the same level and is going to get a sweet journey from the cones so she'll be right there when it's all said and done.

Jm Sportsfan What a trip that was last Thursday braving it first up and just missing by less than a length at the wire. Gets a great post to work from and Shepherd knows her best so it could be win, place, or show.

Race 9 1-4-2

Obsessed With Lou She's been excellent for over three weeks and if you need more proof have a look at the lines. She's also going to get a tidy trip from the rail and with MacPhee at the lines she could get win number seven on the season.

Shake N Blake She's been rolling along for over a month and does have a couple of wins to show for it. Moving on up but her form is excellent and with Dowling at the controls we aren't about to leave them out.

Carnival Heart She raced well on Saturday night and fired home in 28.3 to nab the deuce. Slightly better draw and she should be up handy the pace and if that's the case she could land in the top three again.

Race 10 1-3-5

Saulsbrook Rolo She's off to a perfect start in her career and rolled right down the highway in 1:55.2. Now she gets the rail again, and Campbell will be pushing the pace so we're calling for a Red Shores high five.

Woodmere Lizzie She was rolling from the back on Saturday and ran out of race track settling for a third place finish. We're wagering she'll be closer to the action this time and with MacPherson in the bike get ready for a good result.

Real Smokeshow We liked the way she raced there back zipping home in 28.4 to get the show spot. Moves a little further out on the wings but can really fly home so we're putting her in the Red Shores Super Hi 5.

Most Probable *Saulsbrook Rolo*
