POST TIME 6:00 PM

OFFICIAL PROGRAM NO. 26

Know Your Limit. Play Within It

\$3.00 - ON TRACK \$3.50 - OFF TRACK

Race 1 4-6-7

Cant Catch Pepper She was closing in at the wire last out and zipped home in 28.2 to nab the bronze. Moves off the rail and that was a confidence booster so if Barrieau keeps her close she could get that first lifetime win.

Basho She took advantage of a perfect pocket ride angling out late to seal the deal at the wire. Moves out to post six and those closing quarters are rock solid so with that in mind we're putting her in the exactors.

Saulsbrook Desi She's off to an excellent start in her racing career and did close home in a brisk 28.3 to secure the runner up spot. Slides out to post seven and has the speed to compete so it could be win, place or show.

Race 2 3-1-5

My Pocket Rocket He was able to track along last time and did secure the silver when it was all said and done. He's back in a similar spot and Murphy will have him on the front foot so he could go one better this time.

Longblackmousine We liked the way he raced last Thursday just missing by the slimmest of margins at the finish. The good news is he gets the rail and will be tucked in for a long way, so we say first or second tonight.

Mile Hill Cash He looked to be in a good spot last week but made a late break and settled for a fourth place finish. Just a friendly reminder he was a winner four down and the price will be right so this could be a smart selection.

Race 3 6-3-4

All Bets On Leigh Take a peek at the line two back where she closed in 29.4 to get the gold in Summerside. She's on the outside looking in for this attempt but we're betting Heffernan will be aggressive off the wings and could hit the wire first.

Beach Jewels She had to brave it first up in her latest and still hung on for the show prize. Gets a better post to race from and she seems to be getting a little faster each time out so keep that in mind when placing your wagers.

Tobins Cover Girl She was sent to the front in the qualifier and never looked back going coast to coast and closing it out in 29 seconds. Now she draws the mid pack and could be part of it in her first for a purse.

Race 4 6-2-4

Glider Man He raced well last week tracking all the way and finishing third to a couple of good ones. Slides down the ladder and moves outside but could come calling late and get all the marbles in here.

Supreme Rockette Six for six in top three finishes and was oh so close to winning at Inverness. There's little doubt Barrieau will be gunning from here and if he does get to call the shots, she'll be tough to reel in.

Ripped And Ready He didn't seem to fire last week and never really got into the race. He was racing well prior to that and looks to have the step to go with these so we're putting him in our tickets and so should you.

Race 5 3-1-2

Topville Angelina She's hasn't been a factor of late but was racing up the class ladder. Takes another dip and hasn't been this low in a while so with that in mind we think she bounces back and finds the win column.

Skip Across Take another look at the chart line from Thursday because she was closer than you think. Remains at the same level and is going to get a smooth trip from the cones so you may want to hop on board with the Blue Knight.

Ubettimagoodone She made a first up move in her seasonal debut and finished on the edges. Makes the trek to Charlottetown and gets a better spot to race from so we're wagering on a better result from post two.

Race 6 1-3-4

Havinfuninthesun Take a closer peek at the line from July 31st and you'll see she closed in a snappy 28 seconds to grab the bronze. Now she gets the rail, and the price may be generous so mark her down as the Red Shores value play of the day.

Smilin In Heaven She made an early break and took herself out of it last week. We're thinking Chappell will be pushing the pace from the word go and if that's how it plays out there's a strong chance she flips the script.

Elm Grove Nanci She was excellent last out and just missed getting the gold. She lines up in the same spot and Murphy knows her best so if you're searching for a price this could be the play for you.

Value Play Havinfuninthesun

Race 7 4-1-2

Dusty Lane Kahlua We had her on top of the ticket and she delivered going right down the road for that first career win. We're thinking the game plan will be the same tonight and if that's the case she could go back to back.

Big Rig We liked the way he performed two down drafting all the way and closing in 30.1. He's also back on the rail and dash leader Campbell is listed to drive so we're betting he returns to the top three.

Dibsonthecaptain She was on the fringes in her last attempt but still closed in 29.3 and was charted in 2:02.3. Moves into post two and MacPherson will have her well placed so we won't be shocked if she hits the ticket.

Race 8 3-4-5

Real Smokeshow She was flying on the end of it last week and the program reads 1:55.3 for the charted trip. It was an excellent effort and she's back in a similar spot so don't be surprised if it's gold or silver this time.

Obsessed With Lou We picked her to win last week and she delivered reaching up late to get the glory. Moves to the mid pack and Campbell gets the call to drive so she could get win number six in 2025.

Islebetu Islebeatu She has a long tough trip last time and paid the price finishing on the edges. She was sharp prior to that and with Dowling at the lines tonight she could bounce back and complete the triactor.

Race 9 1-4-3

Havarti She raced great from post two and looked to be a winner before making a late break in the mile. She's back on the pylons and Langille will have her well placed so we're putting her on top of the podium.

Shake N Blake Blasted off the wings and made every call a winning one scoring in 1:57.2 over Red Shores Summerside. Makes the move to Charlottetown and we're thinking the tactics will be the same so it could be two in a row.

Psili Ammos She's been right there in her previous two starts and knocking on the door for a win. Bumps up the ladder, but she's been here before, and Arsenault knows her well so we aren't about to leave them out.

Long Shot Play Havarti

Race 10 3-2-1

Shadow Princess She's been battling tough posts in her past few but not that far away last Thursday. Much better starting point and Langille will have her up near the action so this could be the day she crosses the line first.

Pownalbay Colleen She just missed two down on her program and if you need more proof take a closer look at the line. Gets a prime time spot to work from and with Corey at the wheel she'll be close if not a winner in here.

Wired Blue Chip She's hit the board in eight of eleven starts and does have a couple of wins to her name. There's no doubt she'll be covered up along the rail and Marc gets along well with her so she could be part of it from here.

Race 11 4-2-3

Steady Heart She's been great in 2025 and the numbers on the page tell the story. She's also climbing the class ladder but has been here before and Campbell won't wait long so we're betting she wins again.

JM Sportfan She was up against some tough customers and raced well from post six. Remains at the same level and gets a better post to race from so if Shepherd has her close when they swing for home there could be an upset brewing.

Redland Misspretty She just missed in a close finish and less than a length away from top spot. Now she arrives in Charlottetown and with Langille at the controls this could be a savvy choice to round out the tri.

Most Probable Steady Heart

Race 12 8-5-2

Promise Me Later She was able to follow along and finished a good third to Steady Heart. Now she must race from the grandstand side but we're confident Dowling maps out a trip to the winner's circle post eight and all.

Czarspieceofheaven She's been living on the edges in her past two appearances but closed in under 29 seconds both times. Slightly better draw and Hughes knows her well, so she could surprise from post five.

Stealing Bases Big time effort three back and she just missed in a blanket finish. She also returns to the same level and with Campbell back in the bike we're putting them in the Red Shores Super Hi 5.
