## Race 1 4-8-6

**Disko Bay** Take a closer look at the chart line from the qualifier and you'll see he scooted home in 28.4 to get the win. Moves to the middle and Langille will have him well placed off the gate so he could get it all in his first for a purse.

**Den Of Thieves** Zipped off the wings and went right down the highway winning impressively at Red Shores Summerside. Makes the trek back to Charlottetown and draws outside but we won't be shocked if he finds the wire first.

**Kapuено** He was closing in at the wire last week and made up a ton of ground in the final strides. Moves off the rail and Campbell is listed to drive so with that in mind we're putting him in the triactors.

## Race 2 1-2-5

**Bayonetta** She's been racing in Quebec and was a coast to coast winner last time out. Now she arrives on the Island and with dash Leader Campbell at the lines we'll take a shot and call for top spot.

**Shadows Inthe Nite** He put it all together last week storming home in 28 seconds and just missed getting the gold. He's also back in a similar spot and gets a new pilot so expect more of the same tonight.

**Moonlight** He was put on the point and led for a long way before settling for a fourth place finish. Moves out to post five and looks to have the speed to compete so it could be win, place, or show in here.

## Race 3 4-1-5

**Dusty Lane Zoro** He's been battling tough posts of late but less than two lengths away on July 26th. The good news is he gets post four and MacNeill knows him best so this could the night he returns to the win column.

**Dylan Sam** Take a peek at the line five down where he drafted all the way and was a bang up second at this level. There's little doubt he's going to get a smooth journey from the cones and the price will be friendly, so we'll call for the deuce.

**Leavin Bruises** Excellent effort last time out tracking the entire way to secure the show prize. Remains at the same level and the numbers on the page indicate he likes to finish third, so it makes sense to put him here.

## Race 4 3-2-1

**Fitness First** Fired off the wings and never looked back going coast to coast and closing it out in a snappy 28.2. We're thinking the tactics will be the same tonight so don't be surprised if she scores a natural hat trick.

**Ea Money Maker** First and second in her last two starts and closed in under thirty seconds both times. She gets a better post to race from and should be up handy the action so there's a strong chance for a top three finish.

**Lila Berry** That line two down hops off the page where she fired home in 28.4 and was charted in 1:58.4. Lands on the pylons and is going to get a sweet trip from here so it would be wise to put her in your tickets.

**Most Probable Fitness First**

## Race 5 4-3-6

**Doc Darryl** He's been living on the edges for over a month but check out those closing panels in his last two starts. This race looks to be wide open and if Sheppard can keep him close, they just might get the glory.

**Abc** Another one that's been on the fringes but looks to have the step to go with this group. He draws a good post and just a friendly reminder he did have the fastest win on the page last year so you may want to include.

**Georges Credit** He had to race from the back tier last week and finished on the edges. Moves into post six for this appearance and with Corey at the controls mark him down as the long shot play of the day.

**Long Shot Play Georges Credit**

## Race 6 3-2-6

**Im Hungry** He didn't have an easy trip last week but don't forget that was from post position six. He's also sliding down the class ladder and gets a prime time spot on the gate so this could be the night he seals the deal.

**Texasdrifter** He had to do it the hard way in his Island debut braving it first up and really not that far away. Slides into post two and should get a better journey from here so keep that in mind when placing your wagers.

**Cheezwiz** He was flying on the end of the mile last week and only a length away when it was all said and done. He lines up in the same spot and Murphy knows him well, so he'll be heard from before it's over.

## Race 7 1-3-7

**Gascoigne A C** He ran into traffic trouble up the backside last week and settled for a fifth place finish. He was razor sharp prior to that and judging by the lines Campbell gets along well with him so we're betting on a big time bounce back.

**Shill Hanover** He made a nice recovery from an early break and just missed by the slimmest of margins at the finish. Slides out to post three and loves to finish in the top three so with consistency like that we can't leave him out.

**No Mo Fear** Merner hustled him off the gate last week and he took advantage of a perfect pocket ride to nab the silver. He's back on the outside again but we're confident Adam maps out a trip and gets a piece of it.

## Race 8 3-2-1

**Bettim Alive** He did all the road work last week and raced great just getting collared in the final strides. We're wagering the game plan will be the same tonight and if that's the case he could go one better this time.

**Dusty Lane Levi** We loved the way he raced five back bossing it most of the way and scoring in 1:55.1. The draw has worked out in his favor this time and Hughes will have him well placed so this could be a smart choice.

**Friar Voltaire** He's been racing pretty well since arriving on the Island and was a winner three down on his card. Draws the rail for this attempt and will be tucked in for a long way so he could sneak onto the ticket.

## Race 9 2-1-3

**One Rock** He was sent to the engine and cut it all out hanging on to win by a whisker. We're thinking MacPherson will be gunning from here and if that's how it plays out from the word go it could be a repeat performance.

**Raised On Blacktop** Check out the line two back where he was oh so close to winning and less than a length away. He also draws the cones, and Desroche gets the call to drive so they're our Red Shores value play of the day.

**Kays Writer** When you look at the lines she's been right there and the numbers on the page tell the story. Moves a couple of spots to her left and loves to finish third so that's where we'll put her tonight.

**Value Play Raised On Blacktop**

## Race 10 2-3-6

**Max Patrick** He's missed the ticket in two straight starts but was racing at higher levels. Takes a dip and Heffernan will have him up handy the action so this could be the night he hits the wire first.

**Solid Silver** We liked the way he performed at Red Shores Summerside drafting all the way and just getting edged out at the wire. Makes the move to Charlottetown and with Merner in the seat he'll be a factor at the finish.

**Nova Scotia Strong** McGuigan put him on the point and he raced great going right down the Red Shores highway to victory. Now he gets post six and we'll see what Mike does off the wings, but we can't rule out a repeat.

## Race 11 2-1-3

**Well Said Celeb** He's been up against some stiff competition but still pacing in 53 and change every week. Drops a notch for this assignment and Merner will be aggressive from the get go so they could close the card on a winning note.

**Katies Bet** He bossed it right from the hop two back and was a going away winner in 1:56.3. There's no doubt he's going to be covered up for a long way and with the Blue Knight on board he may even reach up and win.

**Big Bad Bruiser** That was a strong effort from the rail and while you're at it check out that brisk closing panel. Remains at the same level and retains Campbell so we're putting them in the Red Shores Super Hi 5.

#### HERE ARE THE FACTS BEHIND SOME OF THE MOST COMMON GAMBLING MYTHS:

GAMBLING  
IS NOT A  
GOOD WAY TO  
MAKE MONEY

THE CHANCES OF  
WINNING DO NOT GET  
BETTER AFTER YOU  
HAVE LOST

THE MORE  
YOU GAMBLE  
THE MORE YOU  
WILL LOSE
