Celebrating 20 Years Of Red Shores Charlottetown

2025 RACE PROGRAM

CHARLOTTETOWN DRIVING PARK

SATURDAY, AUGUST 9, 2025

POST TIME 4:00 PM
OFFICIAL PROGRAM NO. 28

\$3.00 - ON TRACK \$3.50 - OFF TRACK

Race 1 5-2-3

Freight Air There's no doubt he loves the front end and proved it again last week going right down the road and scoring in 1:56. Bumps up the ladder and gets a new pilot so he could kick off the Isle Pick 5 with a win.

Spack Jarrow We liked the way he raced two back scooting home in 28 seconds and charted in 1:55.3. Takes a slight hike and Murphy will have him well positioned off the wings so we'll call for the silver this time.

Cheekie Play He was able to track along two down and rallied in late to nab the deuce. Moves to the middle and looks to have the speed to go with these so with that in mind he's a good option to round out the tri.

Race 2 1-3-2

Badgirl Bridgette She's been awesome in 2025 and was a going away winner at Inverness that pushed her winning streak to five straight. Lands on the cones and Hughes will want to boss it so give her six in a row.

Howmac Maleficent She fired out from post seven at Red Shores Summerside and was able to draft all the way for a runner up finish. Much better starting point and a similar trip may be in the works so we're putting her in the exactors.

Woodmere Honeymoon She's been living on the edges in her previous two starts and one of those was from post eight. Moves into post two and those closing panels hop off the page so she could hit the top three.

Most Probable **Badgirl Bridgette**

Race 3 6-2-4

Blood Money He's been up against the big dogs most of the season and pacing some miles in 1:52 and change. Draws post six for this assignment and MacDonald lands on PEI to drive so we'll take a shot and put them on top.

Mantario There's no question he shows up to race every week and just missed getting it all in Woodstock. Makes the move back to PEI and doesn't fear a grinding trip so keep that in mind when placing your bets.

Jk Last Chance Zoomed off the wings and led at every call just getting nipped at the very end. It was still an excellent effort and with the way he is racing he'll be heard from before it's all said and done.

Race 4 2-1-6

Red Dirt Rock It Second and third in her last two appearances and knocking on the door for a win. She also gets another prime time spot to race from and MacDonald is listed to drive so she could hit the wire first.

All Over Town She was able to follow along three down and did pick up the show prize. The good news is she lands on the cones and will be tucked in for a long way so if that's how it plays out, we say first or second.

Jafetica She loves to spring the wings and was a gate to wire winner in Summerside and Inverness. She's on the outside looking in today and we'll see what Myles does off the wings, but she could rally late for a share.

Race 5 5-7-3

Rockemsockem Scott He's another one that does his best work near the front and was a wire to wire winner from post seven. He's also climbing the class ladder and with Barrieau on board they could score a natural hat trick.

Mr Kelly He was put on the point and raced well but couldn't deliver as the chalk choice. Remains at the same level and if Merner can keep him close until the top of lane he could sweep them all late.

Silver Spirit He was in an early tussle in Summerside but did get to front it all the way to the winner's circle. Makes the move to Charlottetown and with Jamieson in the sulky it could be win, place, or show.

Race 6 3-4-2

Never Shui Never Take a peek at the line five back where she controlled it from the hop and was just collared at the wire. Draws post three and Langille will have her on the front foot so get ready for a good result.

Thelastartie She's been right there in her previous two and less than a length away in Summerside. Moves to the mid pack and does have the most wins and money on the page so she'll be close if not a winner.

Memasamappo She's been on the fringes for over a month but up against some nice fillies. Makes the trek to PEI and should be a little closer to the action so if you're searching for a price this could be the one for you.

Race 7 4-5-1

Buckhead Ridge To say he's sharp may be an understatement considering he's won nine of thirteen starts this season. Slides out a little further on the wings and Marc won't wait long so he's on top of the podium again.

Fight Song He's been racing well all season long and did set a track record back on July 10th. Slightly better draw and if the Blue Knight can keep him close, he could come flying late and get all the marbles.

Majlan Tango He's been up against the best trotters in the region and did have a charted trip of 1:57.4 last time. Now he gets the rail, and the price will be generous so he could be a smart selection to complete the tri.

Race 8 6-2-1

Mia We loved the way she raced two back cutting it all out and just getting collared in the final strides. We're betting Merner will be gunning from here and if that's the game plan she could get the gold this time.

Windmereontheline Blasted off the wings at Inverness and raced great just getting nipped in a blanket finish. Draws another great post and Campbell will have her well spotted so expect more of the same tonight.

Lorne Valley Liv She was oh so close to winning in Summerside and just missed by the slimmest of margins. There's little doubt Heffernan will be guarding the cones so she could hit the ticket from here.

Race 9 2-1-4

Nothing Bugs Me He's been razor sharp the last three weeks and does have a couple of impressive wins to show for it. Moving on up and Barrieau will be flooring it from the get go so we're calling for three in row.

Sports Teller He had to do it the hard way last week and settled for a sixth place finish. He's also moving up the class ladder and with MacDonald at the controls we're betting on bounce back performance.

Gator Hanover He made an early break last out and never really got into the race. Just a friendly reminder he did win seven times last year and has the step to compete so this could be a savvy choice.

Race 10 1-5-2

Lady Llamrei She's been racing well on the stakes trail and if you need more proof take a closer look at the lines. It looks like Merner may be able to draft all the way and if that's the case she could even reach up and win.

Starship Laska She's on a big time roll right now and has reeled off three in a row. Moves to the outside for this attempt but in a compact field like this she'll be right there and a factor at the finish.

Elm Grove Talia She was sent to the front in Summerside and raced great just getting edged out in a close finish. We're wagering Dowling will be aggressive from post two and have her on or near the lead at the start and finish.

Race 11 1-7-3

Avatar J Have a look at the line four down where he took advantage of a two hole ride before reaching up late to get the glory. He's back in a familiar spot and the price will be friendly so there could be a minor upset brewing.

House Edge Hanover When you look at the lines those closing quarters hop off the page with every one in 27 and change. He's on the grandstand side tonight but with Gilles at the wheel he could come calling late and make some noise.

Sonny Black He was storming on the end of it last week and Heffernan timed it perfectly reaching up to secure the victory. It was an excellent performance and coming off that effort we can't leave him out.

Long Shot Play **Howmac Charmer**

Race 12 4-2-7

Avyanna It was green light go from the rail last week and she went coast to coast in impressive fashion. It will be all systems go from post four and if that's the strategy it could be lights out for the competition.

Woodmere Kennedy She's put together a tidy season and already has four wins to her name. Gets another nice post to race from and can really fire home so she looks to a serious contender from post two.

Rosetown Mary She was flying on the end of the mile last week and the program reads 28.1 for the final panel. She's back on the outside but it doesn't seem to bother her, so she'll be close again at the finish.

Race 13 4-5-7

Its Major Major A Check out the line two back at Woodbine Mohawk Park where he closed in a snappy 26.3 and was a winner in 1:48.2. Just a friendly reminder he has the fastest win on the page and MacDonald won two Trials in 2024 so they're on top of the ticket and we're booking them a spot in Gold Cup & Saucer 66.

Virgo Fired to the front three down at Pocono and never looked back going right down the road in a brisk 1:49.1. He also had a tune up before heading to the Island and that was in 1:50.3. There's no doubt he's sharp coming into this race so expect him to have a major say in the outcome.

Legion Seelster When you look at the last few lines he's had some tough trips at Woodbine Mohawk Park but was right there at the finish. It won't be easy from post seven on a half mile track, but Jamieson is familiar with Red Shores Charlottetown and we're confident he maps out a trip into the Final.

Race 14 3-5-2

One Wicked Man We loved the way he raced on July 26th storming home in a 27.2 and just missing by a whisker. He's back at a similar level and Arsenault will have him well spotted so he could get win number three on the season.

Good Omen He's been close in his last few but can't quite find the top three. Drops a notch for this start and Langille will have him up handy the pace so keep that in mind when you're heading to the windows.

Evil Vintage First and second in two of his last three starts and he zipped home in 28 and change both times. Takes a slight hike and he should get a handy trip from post two, so we'll call for the bronze in here.

Race 15 5-2-1

Sugar Bowl Powered to the lead at Red Shores Summerside and just missed at the finish. We're thinking Barrieau will be fring from the word go so we'll play the odds and select them as our value play of the day.

Get Answers We'll tip our hat and say congrats on a well earned victory last week. She's in deeper waters now and Marc will be pushing the pace early so we can't rule out a threepeat.

Windmere Saddy Six for ten in top three finishes and does have a couple of wins on her resume. Draws the pylons and is going to be tucked in for a long way and with Jamieson on board put them in the triactors.

Value Play **Sugar Bowl**

Race 16 4-5-7

Poseidon Seelster He's been on the edges at Woodbine Mohawk Park but up against some very tough customers. Judging by the lines it does look like he can leave so we're betting MacDonald will be gunning at the start and if he does get to control it early, he could go right down the Red Shores Highway in Trial two.

Miki Shan N He's been excellent since arriving on the Island and has reeled off five straight wins in impressive fashion. He's another horse that likes to leave but there is speed to his inside, so we'll see what tactics MacPherson uses off the wings and with the way he's racing we say first or second tonight.

Arbitrage Hanover Those closing panels hop off the page and three of the last four have been in an amazing 25 and change. It won't be easy from post seven but if Davis Jr. can keep him in the mix until they swing for home, he could book himself a spot in the big dance next Saturday night.
