SUMMERSIDE RACEWAY

Race 1 4-2-6

Twomacsonemoon Has shown steady improvement and has the ability to sit close to the action. If he trips out, he's a serious factor.

Shinerunner Comes off a string of solid tries and lands in a spot where she can use her early speed to take control. With David Dowling in the bike, she's one they'll be chasing.

Jack Ryan Lightly raced colt who's still learning but has flashed some late kick. If the fractions set up, he could roll into the top three at a price.

Race 2 2-3-4

Starship Destiny Has been steadily improving and put together some sharp efforts recently. From post 2, he gets every chance to trip out and take command late.

Hawkish Deo Possesses enough early speed to make his own trip and has been right there in recent starts. A top contender if he lands a good seat early.

Arthur Idlam Lightly raced colt who's been making strides with each start. If he continues to progress, he could easily be part of the finish in this group.

Race 3 6-2-4

Brookdale Shelley Has been exceptional in her latest starts and drops down to a level she should be able to toy with. We like her to get it all.

Red Dirt Diamond Has been racing sharp against similar and gets a good post to work with. With his closing kick, he's the one they'll have to track down late.

J J Kinley Drops into a softer spot and gets Doyle back in the seat. He knows her best and we think she can snag a minor share in here.

Race 4 1-6-4

Jack Boswall Fresh off some solid efforts in this class and draws well to make the most of his early speed. If he controls things up front, he'll be hard to overhaul.

Sharky Consistent check-getter who has been racing tough every week. From post 6, he can float out and find position to launch a big rally.

Almost There Boss Another steady performer that always brings late kick. If the pace is lively, he could be rolling past them in the final strides.

Most Probable Jack Boswall

Race 5 3-1-6

Molly Malone Racing steady every week and can put herself into the mix with her finishing kick. A good value option to spice up the ticket especially off that impressive Lady Slipper win in his latest.

Starship Beauty Has been sharp against this type and lands the rail to work out a perfect journey. Consistency and class make her a one to beat.

Nofool Tobago Drops into a manageable spot and has shown enough late pace to threaten. If the trip works out, she's a prime player.

Race 6 4-1-6

Rosiesmightymoe Has been racing sharp of late and drops into a spot where he should be very effective. Corey MacPherson will have him well positioned throughout.

Get Home Terry Has been earning steady cheques and shows enough early speed to carve out a good trip from the rail. A solid win threat with the right fractions.

Bet The Bull His form has been improving and he's due for a breakout effort. If he can stay close early, don't overlook him as a live longshot.

Race 7 4-1-2

Glenview Rhonda Was racing the best mares in the region and holding her own. Now drops into nw 701 company and this looks like her race to lose.

Ubettimagoodone Has been sharp in recent tries and finds a spot where her early speed should set her up well. If she makes the front, she'll be tough to collar.

Unbridled Fury Has shown flashes of good speed and gets a better post to work with. If she can trip out, she has the kick to land in the mix.

Race 8 5-2-1

Brookdale Thomas Is at a level where he should be very effective. Was never better than he was in his latest so he looks well spotted to deliver.

Mac Anover Always gives an honest effort and has been right there in his last few. If the fractions are kind, he could pounce late for a big piece.

Max Patrick Shows steady efforts against similar and the rail draw ensures he'll be forwardly placed. A win wouldn't surprise with the right trip.

Race 9 3-7-6

Howmac Exclusive Has been ultra-consistent in recent outings and keeps landing on the ticket. Draws well and should be right in the hunt from start to finish.

Dylan Sam Finds a class level he can do damage in and has enough early speed to control his own destiny. If he gets to the front, he'll be tough to reel in.

Rymar Jimbo Has been knocking around this group for weeks and isn't far away. With a little racing luck, he could upset at a price.

Value Play Rymar Jimbo

Race 10 1-3-4

Wizard Having a rock solid season and just keeps getting better and better. His speed and steady improvement make him the one to beat.

Swordfromthestone Has been pacing strong back halves every week. If he can land close early, he should be in the thick of it late.

Almost Amos Has been firing on all cylinders this season and could belong anywhere on this ticket.

Race 11 1-5-8

Princess Halo Sharp form in her last couple of starts and continues to race well against mares of this caliber. Rail control gives her every chance to secure another winning trip.

Timberlea Lady Has been right there week after week and her versatility makes her a constant threat. She's a major player once again.

Rock N Roll Cays Likes to come rolling late and has been picking up good cheques. If the fractions are lively up front, she could be the one passing them all in the final strides.

Race 12 4-5-6

Howmac Charmer Has been right in the thick of things every week and keeps drawing into the conversation. With his late kick and consistency in this class, he's the one to side with at this level.

Brookdale Johnny Never takes a night off and has been pacing strong back halves against similar company. With his tactical speed, he should be forwardly placed and dangerous.

Rose Run X Con He can really rumble when the trip works out. He's worth a look as a longshot play in this competitive Preferred-2 group.

Longshot Play Redland Misspretty

Race 13 5-3-7

Mantario This veteran gelding has been grinding it out all summer and finds a class that suits him well. With David Dowling in the bike and a couple of sharp recent efforts, he looms the one they'll all have to tackle late.

Rockemsockem Scott A winner in his last three and gets a cozy inside draw tonight. If he can situate close to the action early, he has enough finish to land on the ticket.

First Glance The class horse of the field who's had his share of big wins in tougher conditions. If he comes back sharp off his latest, he could easily roll over this group at a nice price.
