POST TIME 1:00 PM

OFFICIAL PROGRAM NO. 17

\$3.00 - ON TRACK \$3.50 - OFF TRACK

Race 1 4-2-3

Princess Halo Sweet stays in the bike and she gets a compact field where she should be able to control or stalk. In a race without a ton of form, she's the safest call to get the job done.

Royoz Allie She needs things to go her way, but in a field with plenty of question marks, she might just swoop in and land on the ticket at a big price.

J J Kinley She doesn't have early speed, but her closing kick is dangerous, and if the flow sets up even slightly in her favour, she could surprise at a solid price.

Race 2 7-5-2

Fallon This filly has looked like a natural right from the first charted line. With the right setup, she could easily circle again. This is a talented freshman who's only going to get better and may be able to toy with this group late.

Fancy Gal Hasn't had a ton of racing luck but she can be involved in this field.

Mundles Treasure Looked solid qualifying. With any step forward, she could land on the ticket and surprise in trifecta plays.

Most Probable **Fallon**

Race 3 4-2-5

Mac Anover If Merner decides to take control from post 4, he may get the jump on Bet The Bull — and that could be the difference. He is a must-use in exotics and a live play for the win.

Bet The Bull He's been razor sharp in this class for several weeks now, missing by a nose on July 16. Chappell has been putting him in play every week, and from post 2, he can either cut it or trip out behind whoever wants the front. In this form, he's a top contender.

Pineapple Express If Mackay can get him spotted mid-pack and moving late, he's got the kick to light up the board. There's a bit of chaos potential in this group — and he could be the one to capitalize.

Race 4 2-6-5

Spinelli She has been closing well from far back in several starts and paced a solid third in 1:58.1 back on July 15. With an inside draw and a likely patient steer, she could save ground and rally into the picture late. Top call.

Sourpuss Sarah If she gets rolling early and lands near the lead, she could trip into a top-three finish at a juicy price.

Elm Grove Tuxx He nearly broke through for his first win on July 22, and it feels like just a matter of time.

Race 5 6-4-2

Travelin Soldier Second his last two starts and Merner has options as this horse has the class and speed to control or close into the mile.

Dont Come Lookin First and second his last two. He steps back into the same class but with a new driver. If the pace is soft again, he could very well repeat.

Arthur Idlam The inside draw could help him stay close early this time. Desroche sticks, and if the top pair mix it up early, he might find his way into a minor upset scenario.

Race 6 6-7-2

Uptown Tonight Strong qualifying in 1:59 in Charlottetown and has to be the one to knock off today.

Alwaysinfullforce Doesn't draw great but this looks like a field she can outkick. She looks like a standout.

Dunsan Sticks Now with an inside post he could be far more forwardly placed and that might make all the difference.

Race 7 4-2-3

Baby Step Back Never better than she was last week and Rogers stays aboard so we like her for the repeat.

Rollwithitdarling From post 2, she'll have every opportunity to trip out or control it and she may not even need a setup to power past them late.

Run For The Money We like her chances to land in the middle of the pack and hit the final ticket.

Race 8 3-5-8

Molly Malone Just keeps getting better and better and with post 3, she's well-positioned to seize control or sit close and pounce.

Howmac Charger Went her best start of the season last week and anything close puts her second in here.

Moon Bound Has a bad draw but has been handling similar classes so we think she can find a piece of the ticket at a price.

Race 9 1-2-4

Melody Maker Last time he had the rail he romped in 1:55 flat. Repeat time?

Hunger Pangs Has the ability to upset our top play. Drawing inside again puts him in a position to trip out — and if the favourite gets softened up, this veteran could be the one picking up the pieces late.

J J Patrick His form may not leap off the page, but there's more here than meets the eye. Murphy gets the call and they have had success in the past. If he can find a helmet to chase, don't be shocked if this one lands on the ticket or better.

Race 10 1-3-6

Pendleton Rodeo Has been strong in the Merner barn. The early pace scenario favours him, and his consistency puts him on top in a competitive group.

Almanac This gelding has had success before when racing on or near the lead, and he lands in a cozy mid-pack spot that should give him every chance to trip into it.

Doc Awesome He's in sneaky good form and doesn't need much to go his way to land a share — or more.

Race 11 6-2-7

Tobins Future With the right trip from this mid-pack post, she should be in the mix again, and if she's within striking range turning for home, they'll hear her coming.

Harlequin Romance She lands a good post again tonight and stays in the same class where she's been pacing sharp miles. She has the kind of turn of foot to sweep off cover and could easily get it all if the race flow tilts her way again.

Brokeandoutofgas She draws outside but retains Langille, and if she can settle early without being hung, she could be the one coming on strong in the final strides again. In a very deep race, this one could be a bit forgotten on the board — don't let her be.

Value Play **Tobins Future**

Race 12 7-3-4

Almost Ammos He has two wins and six seconds this season and has gotten stronger with every start. The wide draw won't hurt if he blasts, and there's every reason to believe he can clear or grind past this field again.

Wizard When he's forwardly placed, he has serious kick, and this is a better post to make that happen. Merner jumps back aboard — he was the pilot for Wizard's 1:55 win on July 19. He's a major threat.

James Reigns Never better than he was last week winning in 1:56.3. The class hike is real, but this one is improving so the scenario is not impossible if the trip falls his way.

Race 13 2-4-7

Coasttocoastshark He lands a dream post for his racing style and with the speed to put them in chase mode, he may not be looking back. Wallace's veteran continues to fire on all cylinders at age 12.

Woodmere Ideal Art There's still fire in the belly of this old warhorse. He draws Post 4 tonight and picks up Murphy, who won with him in June. If the early pace gets hot, he'll be one of the first to capitalize.

Brigus He's been racing exclusively on the Ontario 'B' circuit and now returns east with a chance to surprise. He draws outside, but he's got the back class and a decent resume against tougher foes. If Rogers can work out a trip from the outer tier, he could light up the board late.

Longshot Play **Coasttocoastshark**

Race 14 5-3-4

All Bets On Tex Has been facing the best pacers on the Eastern Seaboard so this class should be his to lose as he ships to Summerside. He'll be bet heavy and he should be as he preps for Old Home Week 2025.

Rose Run X Con There's no denying how sharp he's been winning in 1:54.1 his last time in Summerside. If the pace sets up, he can sit; if it doesn't, he can go right to the engine.

Brookdale Johnny While he faces an even tougher field this time around, his current form cannot be ignored. The key for Langille will be the trip—he's best when put into play early, but he'll need to work out a stalking position behind Rose Run X Con or All Bets On Tex.

Race 15 5-6-8

Silver Spirit He draws mid-pack, gets Langille again, and will likely be pointed back to the lead. We like him.

Howmac Exclusive A tough customer on the drop and today he's in line to trip out behind speed, and if he fires like he did in June winning in 1:55.3 he could upend the whole race at a price.

Brookdale Jim He's 10-1 on the morning line, and with a tough post, that price could hold or float upward. But there's sneaky value here. If the tempo is hot up front, he has the kick to mow them down late, especially if Ryan Desroche can angle him into cover flow.
